Record Sarah Josepha Buell Hale,1876 [How to Attract a Woman](#) Tatiana Busan,2025-04-29 Attraction is one of the fundamental principles of seduction Attraction is much more than physical appearance it is the sum of all things personality attitude emotional intelligence body language and shared values While men are immediately attracted to a woman s physical appearance women are attracted to a man with a certain quality and personality Women do not decide logically who they are attracted to they decide with their emotions who they are attracted to and then they reason and rationalize it all Often a woman will go out with a handsome man but say she is not attracted to him There are many men who do not know what it takes to arouse attraction It is possible to create strong attraction with a girl you just need to change your strategy Failure with women is a result you don t want but it is an opportunity to learn something to make corrections to the way you attract conquer and seduce women To create attraction in a woman you must prove that you are a charming and high value man If you can t attract a woman you have no chance of succeeding with her There are many men who have no idea how to flirt and seduce women If you don t know how to create sexual tension in a woman you ll end up just being her friend Success with women requires preparation theory practice failure and motivation If your desire is to create sexual attraction in a woman don t try to convince her on a logical level don t explain to her that touching her wanting her is your desire Logic should never be used as a seduction technique A woman will find a thousand reasons why she shouldn t go out or have sex with you but she will also find a thousand reasons why she loves and desires you Most men think they have everything it takes to attract women but they don t understand why they are so unlucky with women If you want to possess that charm that allows
