How to Self-Publish a Children's Paperback Picture Book Using Amazon Kindle

Direct Publishing (KDP): an Overview Angela Russ-Ayon,2019-02-18 Did you know you can publish your book on Amazon KDP in as fast as a week for no money down Whether you are just starting to write a book or you ve finished one and have no idea where to turn this book can help get your book launched into the market It is an overview for writers who want to self

publish a children's paperback picture book especially aspiring young writers and includes quick tips and essential information on publishing topics that are simple and easy to read. It touches on the different parts of a book: story elements, laying out a book, fonts and text, illustrating, proofing a book, print on demand, royalties, uploading to Amazon KDP, and more. Useful templates and story maps that can be scanned and reused are provided to help writers organize their thoughts. You could write an entire book on every aspect of publishing, but this overview will help keep you from getting lost. The sooner you finish your book, the faster you can order one and turn the pages. Why are you waiting? Let's do this. This book DOES NOT COVER publishing eBooks or using Kindle Create. How to Self Publish a Children's Paperback Picture Book focuses on publishing a physical paperback picture book that can be shipped directly from Amazon.com internationally, distributed held in one's hands, given to friends, or sold by the author at events. Published books will sell on Amazon.com to the general public and can be ordered in quantities of one or more for author resale. This process also works for writers who want to affordably publish and distribute physical books with more pages, such as a memoir, instruction manual, puzzle game book, graphic comic book, coloring book, cookbook, end of year school highlights, yearbook, or a multi-page novel with no pictures at all, even if the book gets distributed to a limited number of people. For set up, the author is a novice at using Publisher and Word to format PDFs for uploading and wanted to share her publishing experience. If she can do it, you can do it. She distributes hundreds of books during author visits to schools. Other writers have found publishing success using similar writing and multimedia programs they are familiar with, such as Scrivener for screenplays and large amounts of text, or those in the Adobe family.
