How To Behave So Your Children Will Too:

How to Behave So Your Children Will, Too! Sal Severe, 2003-07-29 In this eye opening resource Dr Sal Severe taps his twenty five years of experience as a school psychologist and parenting workshop leader to show that a child's behavior is often a reflection of the parent's behavior and by making changes themselves parents can achieve dramatic results in their children. Instead of focusing on what children do wrong Dr Severe teaches parents to emphasize the positive to be consistent and to be more patient. He shows parents how to teach their children to behave, listen and be more cooperative and how moms and dads can manage their own anger and prevent arguments and power struggles. Packed with concrete strategies for dealing with homework hassles, ending tantrums and other common problems, Dr Severe's empathetic common sense book will be welcome everywhere.
