**Breaking Strongholds of the Devil, Satan** Donald Evans,2023-02-27 The devil s strongholds originated in the spirit realm Satan the devil has many ways of creating and holding a person in a certain condition to benefit his purposes and cause in the world Once he sets his plan it s going to be carried out by the individual regardless of being a Christian believer or nonbeliever it makes no difference He has a way to hold individuals to his cause whether it s delayed or not his method of holding persons under his control is even greater among Christians Why is that Because most Christians believe they are exempt from the devil s strongholds Big mistake No one is exempt from the forces of evil whose strongholds are among the highest level of evil and wickedness in the spiritual realm A person can bind themselves in a stronghold without having any knowledge it s not Satan but their spirit of perception which is as real active and alive as the person themselves for which Satan the devil gets the credit and blame The spirit of perception of the mind is more powerful than the world acknowledges The spirit of perception can hold a person in restraint forever without changing their perception The world does not acknowledge or consider the spirit of perception is the culprit which Satan feeds off and that holds the world the entire world in total darkness Satan is the god of this world and its system of things which he controls because of the world s lack of knowledge of strongholds Most of the world population does not know what a stronghold really represents in all human lives No one is exempt from strongholds which can bind a person until death This book Breaking Strongholds of the Devil Satan shall give some light to the world about how strongholds bind persons for lifetimes He or she can be set free of any and all strongholds in minutes where others have been held a lifetime and died When Demons Walk Patricia Briggs,1998-06-01 From the 1 New York Times bestselling author of the Mercy Thompson series and the Alpha and Omega novels comes the fourth novel set in the world of Sianim Sham had spent most of her young life as a sorceress and thief stealing from Southwood s nobility to survive Now Sham must face the greatest test of her skills A killer has struck Southwood claiming
