Tommy is your average boy Except for one little difference Tommy s parents like to sexually abuse him That s putting it mildly Every day it seems he is getting punished for something or other Childhood is no fun it s filled with hard labor screaming threats and violence He is in constant fear for his life Why The end of the world and the rise of the Antichrist seems all too imminent School Please We ll all be dead by then sitting at the right hand of the throne of God If Tommy openly doubts the cult s beliefs the wrath of God is meted upon him swiftly without mercy It s no wonder Tommy s parents are members of the notorious Children of God A cult that openly embraces sex with children public floggings of children speech restriction denial of food water and basic human rights Guantanamo bay could learn a thing or two from these fuckers These crimes against humanity are committed in the name of love and the name of God At the age of

thirteen Tommy has just about had enough one day He momentarily even succeeds to escape the cult commune Sadly reality kicks in very quickly and Tommy is forced to go back home His parents have had enough They confine him to a dark room for months He s not allowed to speak to his siblings or other children Even leaving the room to go toilet is out of the question One day his parents come for him and he is whisked away in the dead of night They also inform him that he has been officially excommunicated Finally after months of travelling to and from hotels relatives and other systemites Tommy s parents give up trying to rehabilitate him The grandparents reluctantly agree to pay to put him into a boarding school Until that moment Tommy s never watched TV heard pop music or even eaten a bar of chocolate He will not see his siblings again for many many years but that s for another story The other kids in the boarding school can t make sense of this new weird and broke kid who can t speak German He talks with an American accent yet claims to be a German citizen Unsurprisingly he is beaten up and bullied It seems like life in the cult might have been the better option after all Ostracized and desperate to fit in he turns to drug dealing to make ends meet In the months that follow he must very rapidly grow up become fearless and fight back against insurmountable odds Not even a year after his arrival he witnesses a girl he deeply cares for being raped He flings open his trusted butterfly knife and rushes to save her killing the assailant in the process There s just one problem The man he murdered was a very dangerous gang leader If anyone finds out who murdered him Tommy will no doubt face torture and execution There is no turning back no one he can run to now He needs to leave everything behind all over again At night the monsters of the past come to haunt Tommy in his dreams His memories of the past are all too painful to bear yet he finds it impossible to ignore them The solution is easy Alcohol marijuana and ecstasy They may dampen the pain temporarily but in the long run they are as effective as a Band Aid on a freshly severed limb It seems at times the only way out of this misery is death That s not like Tommy though That s too easy in his mind that s a coward s solution While on the run Tommy meets a girl who lives by herself She agrees to provide him with accommodation One night Angela opens up to him She tells Tommy of all the atrocities done to her by her very own father After a decade of abuse she finally mustered up the courage to speak out Her abuser was immediately arrested 5 years later her father has served his time There is no question in Angela s mind that he will seek revenge Lucky for Angela Tommy is far more dangerous than he looks He s not a scared little boy and more importantly this time he s got a gun

Raising Cain Dan Kindlon, Ph.D.,Michael Thompson, PhD,2009-08-05 The stunning success of Reviving Ophelia Mary Pipher s landmark book showed a true and pressing need to address the emotional lives of girls Now finally here is the book that answers our equally timely and critical need to understand our boys In Raising Cain Dan Kindlon Ph D and Michael Thompson Ph D two of the country s leading child psychologists share what they have learned in more than thirty five years of combined experience working with boys and their families They reveal a nation of boys who are hurting sad afraid angry and silent Statistics point to an alarming number of young boys at high risk for suicide alcohol and drug abuse violence and loneliness Kindlon and Thompson set out to answer this basic crucial question What do boys need that they re not getting They illuminate the forces that threaten our boys teaching them to believe that cool equals macho strength and stoicism Cutting through outdated theories of mother blame boy biology and testosterone Kindlon and Thompson shed light on the destructive emotional training our boys receive the emotional miseducation of boys Through moving case studies and cutting edge research Raising Cain paints a portrait of boys systematically steered away from their emotional lives by adults and the peer culture of cruelty boys who receive little encouragement to develop qualities such as

compassion sensitivity and warmth The good news is that this doesn't have to happen There is much we can do to prevent it Kindlon and Thompson make a compelling case that emotional literacy is the most valuable gift we can offer our sons urging parents to recognize the price boys pay when we hold them to an impossible standard of manhood They identify the social and emotional challenges that boys encounter in school and show how parents can help boys cultivate emotional awareness and empathy giving them the vital connections and support they need to navigate the social pressures of youth Powerfully written and deeply felt Raising Cain will forever change the way we see our sons and will transform the way we help them to become happy and fulfilled young men Dead (At 16) Axel Ryder,2018-08-24 The Grateful Dead came to me at the ripe old age of sixteen And I welcomed the band into my life I was intrigued about all the interesting and mind altering avenues the band and more specifically following it had to offer I was like a sponge absorbing every last drop of excitement These were the days of spontaneous youth of abandoning yourself And I knew deep in my heart that these days this life could not be wasted **My Crazy Undercover Life** Mike Clawson,2017-03-27 This very unique memoir is about my wild life I had as an undercover agent battling the evil going on in the U S during the late eighties and early nineties when I found out about a huge conspiracy going on with murderous drug dealers who thought they were CIA agents and may have been hooked up with the Mafia and just may have been planning a civil war A crazy time I have to tell the world Keywords Memoir suspense thrilling spy novel murder mystery entertaining satirical thought provoking educational suicide prevention
