How To Pray Prayer That Get Answers:

You Can Get Answers To Your Prayers Eric M Hill, I want a stronger and more powerful prayer life What can I do If this is your desire you re only a short while away from making it a reality Millions of Christians read wonderful Bible promises and wonder why nothing happens when they pray They know God loves them but for some reason their prayers never seem to make it past the ceiling This condition is widespread and accepted as normal Yet from a biblical perspective it is abnormal for a Christian to routinely not get his or her prayers answered This is not what we see in the Bible it is not what we should see in our own lives It is not going to remain this way in your life John had applied to a bunch of dental schools and was turned down In front of the whole church I explained to him some of the principles and methods in this book Pray like this and go back to those same schools and apply again and see what God does He now attends one of the dental schools that had previously turned him down God made the impossible possible This short simple but insightful book is going to reveal to you truths and methods that will allow you to join the ranks of those who have learned how to get spectacular answers to prayer It will be especially helpful to those who are facing stubborn or so called impossible situations The author Eric M Hill has been a Bible teacher for over 35 years During this time he has pastored churches conducted overseas evangelistic meetings seen many people healed and delivered written several popular spiritual warfare novels and has personally experienced spectacular answers to prayer [How God Answers Prayer \(How to Pray\)](#) Elmer Towns,2011-07-28 What happens when you pray This book does not to tell you how to get answers to your prayers there are thousands of books like that This a radically different book because it approaches prayer from God s perspective Prayer is relationship with God When you understand How God Answers Prayer then you realize prayer is all about trusting your heavenly Father trusting Him to answer what is best for you how it s best for you and when it s best for you Divided into three inspiring sections and bite size chapters filled with full servings of biblical goodness you will learn about the following and much more God answers when you wait in His presence for the answer God can give you a vision of how the answer can come God answers when you yield to His will Use your faith supernaturally to move God s work forward God may allow an obstacle to tell you No it will not happen When God answers your prayer differently from what you expected God may say No I have a better plan for your life Well known author and respected Liberty University dean and professor Dr Elmer Towns sheds light on your innermost desire to communicate with your heavenly Father and brings your relationship with Him to an even more intimate level of love **Receive Immediate Answers to Prayers Base on God's Promises** Dr. Olusola Coker,2018-12-03 Looking carefully at the Bible you will observe that God s promises are many and He is faithful to fulfill all the promises in the Bible God s promises for us include Good Health Long life abundant provision healing blessings breakthrough and salvation free from depression fear and anxiety In addition God s promises for us are also Good and peaceful Marriage Including all the good things of life There is no reason for God s promises not to work in your life If any or all of the above promises are not

working in your life then this book is for you In this book you will discover various promises of God how to pray on them and what you should do to claim all the promises for your life **Prayer That Works** Francis Jonah,2019-04-30 I had prayed concerning this one situation and received no answers for over a year When I was taught these revelations I was immediately confident I will receive the answer Surely the answer came after just 4 days of taking responsibility in prayer Andrew Why do so many people experience unanswered prayers and the frustrations that come with it Why do many pray all the right prayers and do everything they know to do not see answers to their prayers Why have many given up on God because despite all the hype about prayer This book will explain how you can make your answers to prayer manifest and gives you keys to take greater responsibility in seeing answered prayers After reading this book you will not sit down and be passive if an answer to prayer hasn't come You will receive keys to cause the answers to come As a bonus you will see several testimonies and what was done to make several unanswered prayers become answered prayers 40 Days Through the Prayers of Jesus Tim Cameron,2017 A forty day journey to intimately understand the prayers of Jesus and help you apply them practically to your prayer life in order to grow in your relationship with God As you examine the times Jesus prayed in Scripture you will learn how to avoid the hindrances to prayer and how to pray so you get answers Through this forty day journey you also will discover How prayer opens us to the power of the Holy Spirit Why people don't pray The importance of the Word in prayer The first and most important step in prayer The power of praying as a child does What Christ prayed for How to pray when God does not meet your expectations **When God Doesn't Answer Your Prayer** Jerry L. Sittser,2009-10-14 More than a decade ago Jerry Sittser prayed for the protection of his family yet three of his loved ones his daughter his wife and his mother died in an automobile accident What went wrong Why wasn't my prayer answered he asks It is no longer an abstract question to me What should we do and how should we respond when our prayers prayers that seem right and true and good go unanswered In *When God Doesn't Answer Your Prayer* Sittser continues exploring the issues he addressed in *A Grace Disguised* He asks Why doesn't God answer our prayers What if anything can we do about it Sittser is intensely committed to exploring the Christian faith especially when it doesn't seem to work In this thoughtful and beautifully written book he moves beyond easy answers and religious formulas to explore the goodness and greatness of a God who cannot be controlled but can be trusted *When God Doesn't Answer Your Prayer* takes an honest and probing look at the problem of unanswered prayer In doing so it draws us ever deeper into a relationship with the God who is the end of all our prayers the object of our faith the one who fulfills our deepest longings *How To Pray Effectively And Obtain Outstanding Results* Augustine Ayodeji Origbo,2023-03-29 Many have prayed and prayed but it's like the answers aren't forthcoming Does that mean that God no longer answers prayers made to him by His Church No God is always ready to solve our problems and to give answers to our doubts The Bible explains why many do not receive answers to prayer Ye ask and received not because ye ask amiss that ye may consume it upon your lusts James 4:3 From the above scripture it is possible to ask amiss that is wrongly How then can

we ask correctly Well God has a way and His way if followed will guarantee outstanding results I have gathered in this book dynamic and biblical principles that will make your prayer effective and open doors of blessings for you *How God Answers Prayers* James Kwaku Gbanaglo,2019-10-01 Prayer is a practice a tool or a key that brings the presence of God wherever It is a place where pride is abandoned and in the process hope is built up high and supplication is made to God for His forgiveness in humility claiming dependence upon him Prayer is the moment of making our request to God Prayer is the exercising of faith and hope Faith and hope are the two elements that bring about the functioning of prayer to make expected results to come to pass Prayer is a privilege of touching the heart of the Father through his Son Jesus Christ our Lord and Savior It is very important for every Christian and without it our lives are meaningless and difficult for us For instance it would be impossible to ask for things from God because prayer is a communication between humankind and God irrespective of our religion Nevertheless prayer should be taken very seriously because it is the only way we can speak with God and an opportunity to spend time with God To understand the heart of God and to even protect yourself you need to pray Prayer can be used to fight our spiritual battles that linger in dark places Anyone who puts prayer into practice would know how God answers our prayers Let me assure you my fellow men God answers every prayer Psalm 17 1315 Arise O Lord Stand against them and bring them to their knees Rescue me from the wicked with your sword By the power of your hand O Lord destroy those who look to this world for their reward But satisfy the hunger of your treasured ones May their children have plenty leaving an inheritance for their descendants Because I am righteous I will see you When I awake I will see you face to face and be satisfied **Portraits of Prayer** Piqela Gabaza,2016-05-24 How To Pray Dag Heward-Mills,2013-07-26 Anyone who is too busy to pray is too busy No matter who you are you cannot allow yourself to become too busy to pray *How to Pray, and See God's Answer in the Clouds Above* Franklin A. Jr. Tyler, Franklin Tyler Jr.,2008-03 Have you ever wondered if God answers your prayers or if you are praying the right way How to Pray and See God s Answer in the Clouds Above explains both the proper methods of praying as well as a new way to see God s answers to your prayers Franklin A Tyler Jr has studied prayer for more than twenty five years and has interviewed thousands of people around the world in order to provide spiritual guidance to those who want to correctly interpret God s communication Tyler discusses the differences between how God talked with man during biblical times and how He communicates with today s spiritual seekers By compiling a list of his interviewees problems how they prayed the different clouds they viewed and the meanings of each cloud formation Tyler is able to provide specific examples that will help you interpret the answers to your prayers A detailed dictionary of letters A Z and their religious meaning is included that will help you both see and analyze cloud shapes So if you are on a spiritual journey to seek answers lie down on the grass put your arms behind your head and stare upwards because your answer is in the clouds *Your Life: from Biblical Perspective* Ebenezer Opare,2016-03-22 Every life is divided into different sections One section of a person s life does not make him or her complete It takes the different sections put

attention to physical motions and physical procedures in what they think is necessary for prayer rather than on God who listens to their prayers The world has turned the procedure of prayer into a ritual most likely because of not getting answers to their prayers By some religions there are prayer rugs prayer cloths burning candles chanting and special postures and positions in prayer There are special motions with their hands and special beads and all of which are totally unbiblical The world has fallen in love with their rituals before during and after prayer more than in God who listens to their prayers They are more concerned with their rituals than receiving answers to their prayers and getting help from God when they pray

Access to Dominion Lord Harrison Bolorunfe, 2016-04-30 And God blessed them and God said unto them Be fruitful and multiply and replenish the earth and subdue it and have dominion over the fish of the sea and over the fowl of the air and over every living thing that moveth upon the earth Gen 1:28 The Lord said to me Harrison I have given you dominion I did not say I will give you dominion but I said I have given you dominion Dominion What is dominion The Oxford Advanced Learners Dictionary defines it as authority to rule control the right of directing or of giving orders power or authority over

something So dominion is the same word as authority power to reign on this earth over every situation I therefore announce it to the whole world God has given me authority power to reign on this earth over every situations I do not doubt it because God said it to me verbatim No man can reign on earth without dominion or authority Just like no king can rule without authority or power where the word of a king is there is power A king that has no dominion over his kingdom is no more a king the same way a believer that has no dominion on earth cannot reign as a king State of the Kingdom Address David G Newby,2017-12-13 Every year since 1790 during the presidency of George Washington the President of the United States has given an annual speech to the nation That speech is known as The State of the Union Address In it he discusses the greatest problems of the nation as well as a plan to overcome them The president s speech is one that unifies the nation and encourages citizens to work together to improve the country as one people regardless of party association or general beliefs and convictions The one thing that can arguably be agreed upon by most people is that everybody wants to live in a better country and benefit from the liberties life and opportunity that the United States has to offer This is a noble cause and makes the State of the Union Address more than simply a speech It is a bond that brings people together under the red white and blue Accordingly millions of people tune in each year around the last week of January to watch the State of the Union live on television on all the major networks Undoubtedly the State of the Union is an important event The fact that the speech is an annual tradition of one of the most powerful nations in the world stresses the importance of it Countries all around the world are affected by the legislative agenda of the U S as discussed in the speech regarding economies human rights defense human aid global business trade environmental issues world health and more Given the value placed on the State of the Union one should reasonably conclude that a state of the world address is in order After all doesn t SOTU generally speaking focus mostly on the well being of the United States Of course it does Now what seems more appropriate is to have a general address concerning the physical but even moreso the spiritual state of every nation in the world That s to say that spiritual life reigns supreme and every nation is under God both in spirit and in flesh God s Kingdom Government rules all other kingdoms And that is the premise behind the State of the Kingdom Address SOKA SOKA is a parody of SOTU In a sense it is intended to awaken governments and people worldwide The LORD not only wants to show His authority and authorship on earth as the Almighty but He desires to 1 build up the Body of Christ 2 usher in the end time revival and 3 bring the people back to Him The book is intended to show people that we have gotten away from the big picture People have become so focused on the small insignificant things in life like The State of the Union as important as it is yet have lost track of the things which matter most God and His Kingdom Without question most people would likely agree that God s Kingdom is the most powerful important government in the world Through SOKA the world will see that the state of a country pales in comparison to the state or condition of God s Kingdom namely the Church That inevitable day of Jesus Christ coming back to earth is approaching And the world has to prepare for it in the midst of going about our daily lives Are you ready for the ride
