Whether you are just starting to write a book or you've finished one and have no idea where to turn this book can help get your book launched into the market. It is an overview for writers who want to self-publish a children's paperback picture book especially aspiring young writers and includes quick tips and essential information on publishing topics that are simple and easy to read. It touches on the different parts of a book: story elements, laying out a book, fonts and text illustrating, proofing a book, print on demand, royalties, uploading to Amazon KDP and more. Useful templates and story maps that can be scanned and reused are provided to help writers organize their thoughts. You could write an entire book on every aspect of publishing but this overview will help keep you from getting lost. The sooner you finish your book the faster you can order one and turn the pages. Why are you waiting? Let's do this. This book DOES NOT COVER publishing eBooks or using Kindle Create. How to Self-Publish a Children's Paperback Picture Book focuses on publishing a physical paperback picture book that can be shipped directly from Amazon.com internationally, distributed held in one's hands given to friends or sold by the author at events. Published books will sell on Amazon.com to the general public and can be ordered in quantities of one or more for author resale. This process also works for writers who want to affordably publish and distribute physical books with more pages such as a memoir, instruction manual, puzzle, game book, graphic comic book, coloring book, cookbook, end of year school highlights, yearbook or a multi-page novel with no pictures at all even if the book gets distributed to a limited number of people. For set up the author is a novice at using Publisher and Word to format PDFs for uploading and wanted to share her publishing experience. If she can do it you can do it. She distributes hundreds of books during author visits to schools. Other writers have found publishing success using similar writing and multimedia programs they are familiar with such as Scrivener for screenplays and large amounts of text or those in the Adobe family. for yourself how I make at least 500 per month on every book I write      **Self-Publishing for Passive Income** Joseph Hogue, 2019-11-11 Don't just self-publish a book on Amazon; learn how to make it passive income. After self-publishing 11 books on Kindle and making over 69,000 in a few years, I've learned one undeniable truth about Amazon publishing: writing a book is the easy part. Anyone can write a book in just a few months and have it published on the world's largest e-commerce site. Hugely more difficult is keeping your book ranked on Amazon to keep making money every month. Against more than four million other books, you need to know how to launch a book and how to get enough sales that keep it ranked in the top ten. You need to know how to pick categories and how to write a book that sells itself. That's what this book is all about. Get More than Just How to Write a Book. I'll start by showing you how to make writing a book easy. I'll show you how to plan research and write your book within a month. Then I'll go beyond to reveal how to launch a self-published book to an Amazon best-seller status and keep it ranked so you make passive income every single month. You won't find this in any other book about self-publishing on Amazon. These are the secrets that will set you apart from millions of other authors. Amazon Self-Publishing is My Business. Too many books about How to Self-Publish a Book here on Amazon are by people with no idea what it takes to be successful on the platform. Even of the ones that have written a few books, few have the experience or insight in keeping a book ranked on Kindle to make it passive income. This will be my 12th self-published book on Amazon and the 11 before it all reached best-seller rank in at least one category, some becoming a top pick in multiple categories. More than just that launch, though, I've learned how to get enough monthly sales to keep the books ranked and make over 2,000 every month without doing anything at all. I've created an Amazon self-publishing business that runs itself, and I want to share what I've learned with you. What you'll get: How to find and develop a book idea that will be instantly popular pg 8 The process I use to make writing easy and will guarantee you publish fast pg 18 My blueprint for a best-selling book launch pg 72 How to leverage other websites to help sell your books to make more money pg 93 Three book marketing strategies that will keep your books ranked and earn you passive income every month pg 103 I'm also giving away a free bonus cheat sheet 9 Tips Anyone Can Use to Write a Book within the book. This is three books in one. You'll get everything you need about how to publish a book on Amazon. You'll get an easy process for writing a book that will drive you to publish. You'll also get a launch strategy that makes your book a best-seller, racking up those quick sales to shoot the book up the charts. Finally, you'll learn how to make your Amazon self-publishing business passive income with the strategies I use to keep my books ranked and making sales. Don't settle for any book on self-publishing. Don't be one of the millions of authors with books that bomb on Amazon and make nothing. If you want to self-publish a book that makes you passive income every month, scroll back up and get this book now.      **How to Publish a Book on Amazon** Sam Kerns, 2016-11-09 Are you tired of how to publish books that are full of fluff and no real information? I was too. Before I began my publishing career with Kindle books, I read just about everything out there looking for real answers to questions I had about the industry. But much to my disappointment, most of

the books were filled with fluff or stories of people who hit it big without really telling me how or why I determined to jump in and learn for myself and that's exactly what I did I started with my first book *How to Work from Home and Make Money* and then quickly published three more I was looking for the topic of my fifth book when it hit me why not share what I've learned with the people who still haven't made the leap and published their own book It all began when I received an email from a book promotion site One of the features was a how to book about publishing Kindle books so out of curiosity I followed the link and read the reviews And sure enough the page was full of people complaining that the book didn't contain any valuable information So here's what I decided to do Write a book that answers all of the real questions without painting an unrealistic view of the possibilities In my book I answer things like How to pick book topics that will sell Why it's important and what I've done right and wrong How to write a book in 30 days or less And take weekends off How to conduct research for your book How to make your own covers for free The pros and cons of pre-releasing your book When you should enroll your book in Kindle Unlimited And when you shouldn't How to format your book yourself Including the clickable table of contents And how to get it done for cheap if you don't want to do it Why you need a paperback version And how to create one Why you may need an audio book And how to get one for free How to get your book translated into other languages for free And why you should Why ranking matters And what to do if your book isn't ranking well How to market your book Including links and contact information for the people I use What to do after you publish your first book How much you can REALLY expect to make with Kindle publishing I talk about the mistakes I've made so you don't make them too And I provide you with step by step instructions and relevant links for all of the above areas and more In other words this book is the ONLY book you'll need to start a career publishing Kindle books If you've been dreaming of publishing a book but don't know where to start or if you've already published but can't find success this may be the book you've been waiting for Why not take the first step toward your publishing career and download it right now I promise you won't find any fluff or useless information in it Just an actionable guide that answers the questions no one else will
