Mothers, Sex, And Sexuality Michelle Walks, Joani Mortenson, Holly Zwalf, 2020-06-01 Mothers Sex and Sexuality talks about things not normally dared spoken out loud the interconnectedness and conflict between our parental and sexual selves the taboo of the sexual mother and why it matters so much to shatter it What is it about the sexual mother that is incompatible and at times even disturbing Why are we threatened by maternal sexuality And what does this tell us about the structures of gender and power that govern our bodies Mothers Sex and Sexuality presents a rigorous academic analysis of

the myriad ways in which the sexual maternal divide affects women birthing people and those of us who assume or are ascribed the title mother We examine the way we as mothers talk to our daughters about sex the way we talk about sex in a cultural context and the deafening silence around sex in a medical system that overlooks maternal sexuality We return repeatedly to the impact of both Christianity and Hinduism on the mother as someone to be revered but tightly controlled We embrace the lost eroticism of mothering and hail breastfeeding as a sexual maternal practice arguing for a new broader feminist understanding of sexuality We discuss the way fat mothers destabalise the heteronormative maternal model the way kinky queers are reconfiguring the sexual maternal divide through erotic role play and we explore the strange intense and romantic domestic relationship that springs up between mothers and nannies two heterosexual women trapped together in a homoerotic triangulation of need and desire In a titillating climax we revel in the sexual maternal as embodied through performance art poetry installations and comedy disrupting queer readings of bodies as we are invited to both fuck and fuck with the maternal This book boldly provides both a challenge to the patriarchal constraints of motherhood and a racy road map escape route out of the sexual maternal dichotomy **A Woman of Pleasure** Kiyoko Murata,2024-03-07 Irrefutable and beautiful New York Times Only Kiyoko Murata can convey this world YOKO OGAWA author of The Memory Police Yomiuri Shibun The year is 1903 and tenacious and spirited Aoi Ichi is sold to the most exclusive brothel in Kumamoto Japan becoming the prot g e of Shinonome the oiran or the highest ranking courtesan Through Shinonome s teachings fifteen year old Ichi begins to understand the intertwined power of sex and money Education for a courtesan extends beyond the art of seduction and as Ichi is taught to read and write she develops a voice that refuses to be dampened by the brothel s rigid hierarchy Outside the cloistered world of the red light district rumours of local worker strikes grow and as the seasons change in Kumamoto Ichi Shinonome and their fellow courtesans begin to wonder how they might redistribute the power and wealth of the brothels among themselves Critically acclaimed veteran writer Kiyoko Murata creates in stunning detail the harsh yet vibrant lives of women in a red light district at the turn of the twentieth century Based on real life events A Woman of Pleasure is a testament to the bonds between women and the power of owning one s language and freedom Sexually Mature Christian Man Waymon Geans, 2013-03-18 When talking about sexual maturity you have to keep an open mind and realize we are talking more than just sexual intercourse Sexual intercourse can be a part of your sexual maturity growth but also understand you don't have to have intercourse to sexually grow The main objective for the author of this book is to make the readers aware of the difference in their sexual maturity and to open doors for discussion about matters that someone may not have known how to bring up If so the author has accomplished his intention of getting couples to understand their sexual maturity and how to grow together **Pain, Pleasure and Perversity** Professor John R. Yamamoto-Wilson, 2013 Luther's 95 Theses begin and end with the concept of suffering and the question of why a benevolent God allows his creations to suffer remains one of the central issues of religious thought In order to chart the processes by

which discourse relating to pain and suffering became marginalized during the period from the Renaissance to the end of the seventeenth century this book examines a number of books on the subject translated into English from mainly Spanish and Italian Combining elements of theology literature and history this book provides a fascinating perspective on one of the key conundrums of early modern religious history Pets and Domesticity in Victorian Literature and Culture Monica Flegel, 2015-02-11 Addressing the significance of the pet in the Victorian period this book examines the role played by the domestic pet in delineating relations for each member of the natural family home Flegel explores the pet in relation to the couple at the head of the house to the children who make up the family s dependents and to the common familial outcasts who populate Victorian literature and culture the orphan the spinster the bachelor and the same sex couple Drawing upon both animal studies and queer theory this study stresses the importance of the domestic pet in elucidating normative sexuality and re-productivity within the familial home and reveals how the family pet operates as a means of identifying aberrant failed or perverse familial and gender performances. The family pet that is was an important signifier in Victorian familial ideology of the individual family unit s ability to support or threaten the health and morality of the nation in the Victorian period Texts by authors such as Clara Balfour Juliana Horatia Ewing E Burrows Bessie Rayner Parkes Anne Bront George Eliot Frederick Marryat and Charles Dickens speak to the centrality of the domestic pet to negotiations of gender power and sexuality within the home that both reify and challenge the imaginary structure known as the natural family in the Victorian period This book highlights the possibilities for a familial elsewhere outside of normative and restrictive models of heterosexuality reproduction and the natural family and will be of interest to those studying Victorian literature and culture animal studies gueer studies and beyond Human Sexuality Vern L. the ideological underpinnings of empire building and the knowledge construction that subtends it The mindset finds its articulation at points of coalescence Female circumcision provided a point of coalescence and impetus for this articulation Insisting that the hierarchy on which the imperialist project rests is not bipolar but multi layered and more complex the contributions in this volume demonstrate how imperialist discourses complicate issues of gender race and history Nnaemeka gives voice to the silenced and marginalized and creates space for them to participate in knowledge construction and theory making The authors in this volume trace the travels of imperial and colonial discourses from antecedents in anthropology travel writings and missionary discourse to modern configurations in films literature and popular culture The contributors interrogate foreign or Western modus operandi and interventions in the so called Third World and show how the resistance they generate can impede development work and undermine the true collaboration and partnership necessary to promote a transnational feminist agenda With great clarity and in simple accessible language the contributors present complex ideas and arguments which hold significant implications for transnational feminism and development This Sex which is Not **One** Luce Irigaray, 1985 In eleven acute and widely ranging essays Irigaray reconsiders the question of female sexuality in a variety of contexts that are relevant to current discussion of feminist theory and practice Woman's era Delhi Press, 2017-06-15 A magazine that caters to the tastes of discerning and intelligent women Carries women oriented articles fiction exotic recipes latest fashions and films Sex Guide Amanda Clark, 2015-08-20 Sex Guide How To Satisfy A Woman In Bed 17 Things She Wants You To Do For Her Are you having trouble pleasing your woman or losing steam in the bedroom leaving her dissatisfied It happens to the best of us but it doesn t have to Neither of you have to go on with subpar sexual experiences.
