Comprehensive Logical This book is a companion guide for anyone completing a research project in the social sciences It covers the whole research process from planning developing collecting data analysing data and writing up It will help you manage and complete your research project successfully It will guide you on Planning your research project Developing data collection tools Analysing and interpreting data Presenting your research in different formats Featuring chapter objectives checklists student exercises weblinks and further reading this comprehensive guide ensures readers navigate the complexities of research within a manageable step by step framework Preach the Word Myles MacBean, 2019-11-11 How should we help equip the church leaders of Africa today There remains a well documented lack of theologically sound Bible centric preaching in Sub Saharan Africa The majority of sermons are preached by untrained or undertrained church leaders Following a practical theology praxis this book develops a conceptual framework for the evaluation of existing alternative approaches to grassroots preacher training It also proposes broad principles for effective preacher training and offers a practical solution The 20th century had seen the Christian church in Africa grow 36 fold to 360 million This amazing growth is arguably the largest religious change in human history in such a short period It has shifted the focus of Christianity from North to South This rapid growth is debatably considered by some missiologists and theologians to have resulted in an African church a mile wide and an inch deep That is a church of great size but lacking in spiritual depth The rapid growth has led to insufficient numbers of trained leaders being available to oversee their congregations Most leaders are unpaid Untrained or undertrained leaders have an inadequate knowledge of scripture and lack understanding of its interpretation They also lack the skills they need to communicate its truths Even so they preach up to 90% of the sermons in rural Africa Despite a tremendous hunger for training among many of those preachers traditional college based theological education cannot keep up with the demand for trained pastors and preachers in an affordable or culturally appropriate manner **The Sunday After the Funeral** Timothy S. Thompson, 2020-07-31 Tim Thompson invites you to journey with him in exploring a dimension of ministry that has been sparsely addressed in main stream scholarship Following innumerable experiences in dealing with traumatic situations as a local pastor a clinical chaplain and a military chaplain Reverend Thompson has aquired hard learned lessons along the way Some readers are currently serving as pastors and have experienced traumatic situations

themselves Others however may not have dealt with such situations but know someone who has had to deal with traumas as a pastor or a chaplain Envision yourself as a pastor of a local church say a mid size congregation in a semi rural context The sun rises announcing the dawn of another day It feels like just another day until it is rudely interrupted by the news that a member of your church has died tragically As the pastor you join with a grieving family reeling from shock and confusion to organize the funeral The funeral is well attended You have planned and executed a memorial service in which the deceased is honored and the family is nurtured A few days later you contemplate what to say on the Sunday after the funeral Anticipating a congregation dealing with a wide range of emotions from sadness to confusion to anger you prepare for an unprecedented challenge As you pour over scripture seeking God for His divine intervention in that moment perplexing questions course through your thoughts What do I say Where do I start Should I address this event at all or should I face it head on These are only few questions with many more racing through your mind Reverend Thompson has engaged in intense literary research and enlisted the experiences from other pastors to assist you for when these dreaded events occur
