

The Ministry of Christian Healing

The Ministry of Christian Healing

Many people want to learn more about how to pray for the sick, or even how to lead a prayer team in their church, but feel some natural apprehension on starting off on their own.

This course will teach you basic things about how you can pray with the sick either informally with loved ones or as part of a church healing team. We will look at such topics as why and how God commands us to pray with others. The Bible makes it clear that while there are people specially gifted and called in the healing ministry, any Christian can pray for the sick. While this is true, we want to do good, not harm, as we pray for others.

We also want to grow in Christ as we pray for others and we will learn about the important aspects of caring for ourselves and the others in our prayer team. The session on inner healing can help us learn how to experience healing ourselves as we help others draw closer to Christ.
