foothold How do we get that We must have God in our life He must be our cornerstone the rock to which we hold on to Psalm 18 2 says The LORD is my rock my fortress and my deliverer my God is my rock in whom I take refuge my shield and the horn of my salvation my stronghold Since we are laying foundations we need to know God more How would we believe if we lack knowledge We must listen to and familiarize ourselves with Him Is there a better way to know a person than to spend time with him Reading the Bible gives us the information our soul needs This was mentioned in 2 Timothy 3 16 All Scripture is breathed out by God and profitable for teaching for reproof for correction and for training in righteousness that the man of God may be competent equipped for every good work Order your copy today      How to Hear the Voice of God Adam Houge, 2019 Communication is key to every relationship even with God This book will help me recognize when God is speaking to me the many ways He speaks to us today and what to do when God isn't speaking FEATURES AND BENEFITS Explores the methods God uses to speak to us today Easy to understand guide that empowers readers to apply God's Word to their lives God is always speaking to His people through the circumstances of life through His Holy Spirit and through His Word When people understand how the inward voice of God works it is easier to understand His will for their daily lives Only then can they have a fulfilling relationship with Him Readers will learn the various ways God speaks and how to understand them so they can easily apply them to their lives When a person understands God more clearly it spills over abundantly and immediately into every other area of life Worship becomes more tender and intimate Prayer becomes deeper and more impactful and God's plans become clear and unstoppable Identify what keeps you from hearing God's voice Recognize when God is speaking to you Communication is key in any relationship By growing in the way we hear from and communicate with God we'll experience a deeper and more fulfilling relationship with Him      Hearing and Understanding the Voice of God Frank A.
