**The Ex-Wives' Guide to Divorce** Holiday Miller, Valerie Shepherd, 2016-08-16 Witnessing a woman go through divorce is like watching a tornado tear up a trailer park. Not only is someone losing their home and life as they know it, but for most women it seems to go down with some extra drama thrown in the mix. This is where the advice of authors Holiday Miller and Valerie Shepherd, two experts in all things divorce, comes in handy. Their unique friendship began after they had both married and divorced the same man. The Ex Wives Guide to Divorce was born from this friendship with the goal to ease women's fears, save them money, and give them a road map of what lies ahead. It will motivate women to get their head out of the sand and build their future dream sand castle by themselves sans Prince Charming. Divorce is painful, heartbreaking, and pretty miserable for everyone involved. While men tend to champion the process, most women collapse and become emotionally distracted. Miller and Shepherd's experience is while the husband is gathering ammunition with his high-paid attorney, the wife is frantic and disorganized, most likely spending her energy on the phone with her best friend or sister instead of preparing herself for the battle ahead. This helpful guide teaches women how to manage the business of divorce in a focused, realistic, and organized manner. Miller and Shepherd aren't lawyers or psychologists, but they've experienced the process first-hand and offer advice on how to build a support system and come out ahead. This book charges women to put their big girl panties on and maintain a tenacious spirit while preparing and organizing for their divorce.

**Ripped Apart** Steven Stoft, 2020-01-16 We're right to be worried. Trump is favored to win in 2020 after four years of struggle. But some Democrats are helping Trump fire up his base. Some insinuate that fellow Democrats are corrupt. Who's doing this? Despite making 117 endorsements in 2018, the three revolutionary PACs flipped zero House seats blue. They're dedicated. But it was those of us focusing on winning, not purity, who flipped 43 seats and took back the House. The same radicals are galvanizing Trump's base by calling themselves socialists and taking extreme positions. This just fuels Trump's war room. Why don't we stop them? The answer is disturbing yet empowering. We've been deceived by radical mythology. By dispelling those myths from crime bill slanders to excessive wokeness, this book will leave you saying, "I knew that sounded wrong. Now I know why." This will keep you from being deceived and show the way back to a unified Party. It's not easy. But failing that, we will hand Trump the fractured party he can beat in November.
