Paperwhite **Self Publish a Book in India** Dr K Chaudhry, Content of this book defies my own 2 point advice to authors
1 Never publish your own book A professional publisher has own network of clients Your book may land in many libraries and many bookseller shops soon after it is printed 2 Never distrust your publisher Royalty paid to Authors is the main factor behind success stories of well settled publishers Publishers with holding Authors share come and go they generally don't settle in business In case you have irresistible apprehensions against a publisher first divorce that publisher You gain little in canvassing against a publisher A genuine publisher invests own money The Author is supposed to be paid and not to pay Around 1968 my publisher Jaypee Brothers provided me a ream of paper pens ink pencils I used for writing manuscript
