**How to Multiply Your Church** Ralph Moore, 2009-08-14 Churches in North America are bigger than ever but their slow rate of growth cannot keep up with population increases Existing churches simply cannot add enough new believers The good news is that by multiplying steadily and strategically planting new churches that in turn plant new churches the global Church creates more of what Ralph Moore calls harvest points In *How to Multiply Your Church* Pastor Moore shows church leaders and pastors why multiplication is the key to growing God's global kingdom in their communities and he offers them proven methods for implementing multiplication in their existing churches Countless leaders have found an indispensable resource in starting a new church because of Pastor Moore's vast firsthand experience and practical wisdom *How to Multiply Your Church* is the next leap forward for those who long to see God's kingdom increase

**How to Multiply Your Church** Ralph Moore, 2014 **Viral Churches** Ed Stetzer, Warren Bird, 2010-03-10 This groundbreaking guide reveals successful strategies for multiplying the impact of new church congregations Based on a national cross denominational study commissioned by Leadership Network *Viral Churches* explores the best practices in church multiplication movements as well as the common threads among them A hands on resource *Viral Churches* offers the fresh vision and critical perspectives essential as a catalyst for today's church planting leaders Authors Ed Stetzer and Warren Bird draw from their own experiences as well as the insights of numerous church planting leaders Filled with illustrative success stories this important book reveals how to plant churches that multiply into a movement Each chapter highlights a different point on such issues as keeping the focus on evangelism recruiting assessing and deploying planters increasing the survivability of new churches using a multisite strategy effectively funding overcoming obstacles facing challenges ahead and many more

*Church Plantology* Peyton Jones, 2021-04-20 The first comprehensive textbook on effective church planting from a veteran church planter The Apostle Paul was a veteran church planter who laid a foundation like a wise and master builder and there is much we can learn from his example Paul indicated that there were basic skills and experiences required to successfully plant a church *Church Plantology* examines the wide variety of church planting methods and ideologies in contemporary pastoral practice and outlines a biblical model based on the New Testament During his time in prison Paul spent much of his time writing to Titus Timothy and others who'd served alongside him in the trenches to complete their training as church planters We can continue to apply these time tested proven methods following the pioneering example of the early church Today the casualty rate is high What if we could reduce the odds of failing *Church Plantology* by Peyton Jones is a robust guide to planting that will help planters to provide the foundation necessary to survive beyond the initial first years so that they don't end up a walking statistic *Movements That Change the World* Steve Addison, 2011-03-17 Steve Addison gleans the characteristics of the dynamic missionary movement from biblical historical and contemporary case studies Addison shows how these factors recur in every period of Christian expansion and suggests that Christianity's distinction as a

historical movement lies in its power to outlast the centuries      Multiplying Churches in Japanese Soil John Wm. George, Warren Bird, 2017-04-04 Some churches grow rapidly only to hit a ceiling Other churches have experienced declining or static attendance many of them for decades Frustrated pastors and church leaders want growth methods that work but without adding to pastoral fatigue How to Break Growth Barriers argues that growth comes when effective leadership and lay empowerment skills work hand in hand This requires a shift of focus from the shepherd as the primary caregiver to shepherd as developer and coach of many caregivers The authors show pastors how to communicate a vision for the future and then how to lead the congregation into the paradigms necessary for potentially limitless growth The strategies found in this book are not only tried and true and taken from a biblical perspective of a harvest vision They're also newly updated to reflect our changing culture including helpful charts and checklists for self
