Churches have made many converts but far too few real disciples Many Christians struggle to take hold of basic biblical truth and live it out We often take a painfully long time to mature This is not because we lack resources or teaching but because we struggle to connect with truth This is where the Freedom in Christ course comes in It is specifically designed to help Christians take hold of who they are in Christ resolve personal and spiritual conflicts through genuine repentance and move on to maturity This revised and updated edition of the popular course takes into account comments from the many who have

used and reused it and is accompanied by a completely new 3 disk DVD set PRICE INCLUDES VAT *Another Practical Guide to Christianity* Samuel Ken-En Gan, 2016-07-01 Why do so many people on this planet believe in a divine being Is it even sensible to believe in one With increasing progression in human knowledge of the natural world around there seems little reason to believe in a divine being With this the pressure increases on both the agnostic and Christian to abandon their search for the answer Yet on the other front the Christian also begins to face the rise of old enemies that once plagued Christian orthodoxy Similar to its predecessor this book and its compilation of themed articles addresses the issues in the logic philosophy and thoughts of Christianity from an analytical point of view Some of these articles serve to expand and clarify the points raised in its predecessor and some on completely new topics Yet unlike the predecessor this book focuses more on the doctrine and basis of Orthodox Christian beliefs and how Christians can apply them to everyday life through articles that are academic, reflective and argumentative Just like *A Practical Guide to the Logic Philosophy and Thoughts of Christianity* this book is the result of a single individual's search for God It promises to be challenging and thought provoking for the genuinely open minded and interested Even so the articles are meant to be understood by any interested agnostic and Christian with a slow yet provocative push into the basis of Christianity and her doctrines **Beyond Law and Order:**

The Brothers Karamazov Fyodor Dostoevsky proposes ministry as the way to resist and overcome the world s evil He employs two plotlines to do so The action plot concerns the events surrounding the murder of Fyodor Karamazov All evidence points to Dmitri Karamazov Rational circumstantial evidence convicts him yet the reader knows he is innocent The ministry plot occurs in this dark context where small acts of love are performed by The Elder Zosima Alyosha Karamazov and many others These acts of love all answer this unspoken question What can be said and done in Jesus name that opens the future to new

possibilities in contexts heretofore deemed closed and without hope Asking and answering this question is the essence of ministry and since the question can be asked in any context ministry is possible anywhere Dostoevsky's unabashed antisemitism however undermines his brilliant analysis The concluding chapters document how unconfessed sins like antisemitism exert a death dealing power that undermines our cultures our communities and our ministries The Freedom to Choose Life shows how ministry resists and overcomes evil by these small acts of love and by the global effects of repenting of humanity's unconfessed sins Stomping Out Depression Neil T. Anderson,Dave Park,2001-12-04 Once depression was thought only to be an adult problem But research clearly indicates that depression has become common among modern teens and pre teens Often teens struggling with depression don't believe that anyone can relate to their circumstances or understand what they are going through But Jesus knows what it's like to feel rejected unloved and let down by the people we love And the Bible tells us that a close walk with Christ will give us a sound mind Now the Breaker Youth Edition shows teens how Jesus can change the way they think and the way they live Beyond Law and Order Finding Intimacy with Christ When Rules Get in the Way Pastor Randy Blan,2025-02-13 The goal of this Bible study is to encourage believers to rediscover their first love Jesus Christ and to understand the difference between religious compliance and authentic faith By focusing on intimacy with Christ participants will learn how to live out their faith in a way that is both genuine and transformative

bring about positive life changes But too often both inner strength and willpower fade and the temptations of life can become too strong and overwhelming for people to resist It turns out that the secret for successful living comes not from invoking our own inner strength and not by successfully resisting our negative impulses Instead significant life improvements can be brought about by means of transforming negative human impulses into something positive and beautiful Stop Resisting Your Sins is a step by step self help Christian guide for producing positive life changes Written in plain English the book explains recent discoveries from the field of mental health and combines these lessons with biblical principles for better living and total life transformation
