Nkamanyang, 2024-12-05 *The Lock on My Lips* foregrounds gender narrative and identity in its representations. It tells the story of a woman who defies traditional patriarchal boundaries that deny women their rights, most especially the right to landed property and buys land in her name. Discursive constructions, travelling concepts, metaphors, multiple perspectives, narrative imagery, folklore, anthropological objects, and mixed genre plot structure, narrative poetic drama, combine to tell the story of gendered beings and thus pave the way for exploring the interdisciplinary potentials of the play text. Land and genre are gender markers. Land is definable through power and authority; it constitutes the material with which masculinities are constructed and thus becomes a space where women are excluded. The play equates land with patriarchal ideology of male virility and supremacy but creates a mixed genre fragmentary structure to disrupt the very patriarchal power erected through the metaphor of land.

**Making it on My Own** Marlene, Marlene Ricketts, 2012-03-06 Life for Shay Johnson was a party. She was doing her thing, young, black, gifted, working part time, going to college, and making do in a small apartment in Buffalo, NY. She was on top of her game and there was nothing you could tell her she was it. Shay had everything under control until she met Chico, a suave, handsome Spanish gentleman that swept her off her feet and took her heart. It wasn't too long before Shay was completely under his spell. Everything was going great until Chico's past comes to disrupt their paradise. As quick as Shay rose to love, she fell hard and fast, leaving her at her lowest. Finding herself in the street with no way to feed her son and a baby on the way, Shay now has some hard decisions to make. Good friends are hard to come by, and Huey is her prince charming in disguise, ready to take her away from life's harsh reality. What happens when Shay finds love in an unexpected place? Will she continue to deny herself a chance to love again because of the drama she went through with Chico, or will she open up to a chance at starting over? The struggle of a young girl finding her way to womanhood and the sacrifices you take to get there are all on the pages of *Making It On My Own*, because at the end of the day, you can only truly depend on yourself.
