Confessions of a Serial Online Dater Talia Leigh, 2016-08-29 Ever been on a truly horrible first date where you find yourself with someone totally unsuited to you and all you want to do is get up and run Maybe your date dresses like a 1970s disco dancer or licks your dinnerware Talia s been there over and over This is the hilarious and often cringe worthy retelling of Talia Leigh s experiences with online dating She speaks candidly of her misadventures with a black out drunk performing life saving first aid on a dog and her all too often encounters with marshmallows Interspersed with advice and lessons learned Talia earnestly navigates her way through the world of online dating suggesting that modern romance is not always what it s cracked up to be But it can definitely make a great story

Computer Supported Collaborative Learning 2005 Timothy Koschmann, 2017-10-03 The Computer Supported Collaborative Learning CSCL conference has become an internationally recognized forum for the exchange of research findings related to learning in the context of collaborative activity and the exploration of how such learning might be augmented through technology This text is the proceedings from CSCL 2005 held in Taipei Taiwan This conference marked the 10th anniversary of the first CSCL Conference held at Indiana University in 1995 Subsequent meetings have been held at the University of Toronto Stanford University University of Maastricht Netherlands University of Colorado at Boulder and the University of Bergen Norway Just as the first CSCL conference was instrumental in shaping the trajectory of the field in its first decade the conference in Taipei will play an important role in consolidating an increasingly international and interdisciplinary community and defining the direction of the field for the next 10 years This volume and the papers from which it is comprised will be an important resource for those active in this area of research and for others interested in fostering learning in settings of collaboration

Improving Reading Comprehension with Online Text Visualization Tools Rūta Kalmane, 2012-06-30 Online text visualization tools are a recent phenomenon on the World Wide Web The potential of these tools to improve reading comprehension has not yet been empirically researched Therefore this book investigates if online text visualization tools can help to improve reading comprehension In the empirical research a quasi experimental

method was applied The data were collected via tests distributed among the students of an experimental group and a control group The results of the tests show that both groups improved during the practice on the same topic However the students of the experimental group who had training with the tools improved more than the students of the control group According to the results the use of text visualization tools helped the students of the experimental group to improve their reading comprehension *Teaching Adult English Language Learners* Betsy Parrish,2019

Spying Software Development in Google Android Fissha SeyoumTeshome,2017-06-28 Bachelor Thesis from the year 2011 in the subject Computer Science IT Security Helsinki Metropolia University of Applied Sciences language English abstract The main purpose was to study the concept behind developing spying software The goal of this project was to develop a mobile phone tracking application for Google Android phones The application was expected to include the use of GPS and Cell ID to track the location of a mobile phone The Google Android SDK was used to develop the tracking software application The application was tested on a Google Android mobile phone The result showed that the development process of location and maps based applications was fast while using Google Android This was because of two main reasons First Google Android Provided APIs for location based services such as GPS and Cell ID Second having Eclipse with ADT plug in as the choice to develop the application led to an easy means of debugging and testing The tracking application was found important to use since it will allow users to trace lost phones or to locate lost people The application can be developed further by adding a number of features to it such as running in the background SMS copying and making a spy call

How to Read a Diary Desirée Henderson, 2019-06-25

How to Read a Diary is an expansive and accessible guidebook that introduces readers to the past, present, and future of diary writing. Grounded in examples from around the globe and from across history, this book explores the provocative questions diaries pose to readers: Are they private? Are they truthful? Why do some diarists employ codes? Do more women than men write diaries? How has the format changed in the digital age? In answering questions like these, How to Read a Diary offers a new critical vocabulary for interpreting diaries. Readers learn how to analyze diary manuscripts, identify the conventions of diary writing, examine the impact of technology on the genre, and appreciate the myriad personal and political motives that drive diary writing. Henderson also presents the diary's extensive influence upon literary history, ranging from masterpieces of world literature to young adult novels, graphic novels, and comics. How to Read a Diary invites readers to discover the rich and compelling stories that individuals tell about themselves within the pages of their diaries.
