Great Communicator The Story Of Ronald Reagan Twentieth Century Leaders:

The Greatest Communicator Dick Wirthlin, 2007-08-24 The outpouring of grief and heartfelt tributes following Ronald Reagan's death demonstrated the love and admiration people still have for our nation's 40th president. Now in this affectionate memoir, Reagan's chief political strategist and friend for 36 years offers a fascinating close-up portrait of the Great Communicator. Taking us inside the 1980 and 1984 presidential campaigns and beyond, Dick Wirthlin shares illuminating anecdotes, off-the-record remarks, and private moments that reveal the true Ronald Reagan. Through it all, Wirthlin points out the unique qualities and talents that made Reagan such a strong leader and such a great communicator. For anyone who has fond memories of the late president, this admiring reminiscence brilliantly conjures up the strong values, gregarious charm, and all-American optimism that made Ronald Reagan great. **Great Communicator** Jeff C. Young, 2003 Most presidents have careers in politics, the military, or business before being elected to the nation's highest office. Ronald Reagan spent the first half of his life as a Hollywood actor. He was also the oldest man elected president and the first to survive a serious injury suffered during an assassination attempt. Reagan's life was unconventional for a politician, and his eight years as president dramatically altered life and politics in the United States. **Great Communicator: The Story of Ronald Reagan** introduces the fortieth president to a new generation of readers. Book jacket *Twentieth-century American Success Rhetoric* John D. Ramage, 2005 Self-help authors like Tom Peters and Stephen Covey, who have dominated best-seller lists over the last two decades, have exercised increasing influence on political, governmental, and educational organizations. By contrast, the topic of American success books, texts that promise to help readers succeed by retrofitting their identity to meet workplace demands, has been ignored by scholars since the 1980s. John Ramage challenges the neglect of this hugely popular literature and revives a once lively conversation among eminent critics about the social phenomenon represented in the work of Bruce Barton, Dale Carnegie, and Norman Vincent Peale, among others. Using literary texts from *Don Quixote* to *Catch 22* to gloss the discussion, Ramage utilizes Kenneth Burke's rhetorical theory to understand symbolic acts and social issues and brings together earlier commentaries within a new critical framework. He considers the problematic and paradoxical nature of success and examines its meaning in terms of its traditional dialectic partner, happiness. A synopsis of seventeenth- to nineteenth-century forerunners prefaces this analysis, in which Ramage links literary code heroes with the activities of twentieth-century business leaders to determine whether, in the search for authenticity, the heroic individual or the corporation is ultimately served. This comprehensive study chronicles the legitimization of the success book genre, enumerates rhetorical strategies used to win over readers, and supplies the historical context that renders each book's message timely. After considering some of the dangers of crossing disciplinary borders, as exemplified by Deborah Tannen's work, Ramage critiques Stanley Fish's theoretical strictures against this practice, finally summoning academic critics to action with a strong call to exert greater influence within the popular marketplace. *Ronald Reagan's Journey* Edward

Yager,2006-05-08 In this new work Edward Yager examines Ronald Reagan s political development from New Deal liberal to conservative Republican Yager assesses the influences that provoked Reagan s transformation beginning with the core values that he acquired during his youth and their relationship to his later political development Throughout his lifetime Reagan s family and friends played a significant role in debating political ideas and advancing Republican arguments Ronald Reagan s Journey focuses on these important relationships as well as the intellectual influences on Reagan s politics during the 1950s In tracing Reagan s political development Yager argues that Reagan s presidency cannot be fully understood and evaluated without significant attribution to the spiritual political and economic beliefs that he formed during his journey from Democrat to Republican Locating the Transatlantic in Twentieth-century Politics, Diplomacy and Culture Gaynor

Johnson,2024-01-25 Written in tribute to the work of Professor Alan Dobson this collection of essays brings diplomacy and the Anglo American relationship together considering politics and foreign policy in tandem with cultural interactions Uniquely placed to define exactly what transatlanticism is and to explore the ways in which this idea has evolved in the last 150 years this book asks to what extent can it be argued that there was a transatlantic world how can it be defined and what was unique about it With contributions from leading scholars it offers an overview of the field as well as a comparative exploration of Anglo American relations From emotion in foreign policy decision making to the RAF in the Vietnam War as well as leader personalities and transatlantic reactions to women s rights in China Locating the Transatlantic in Twentieth century Politics Diplomacy and Culture explores this special relationship at many levels and from many angles It further asks how this relationship has evolved over the years and considers how it might survive in a globalized post industrial world

True Reagan James Rosebush,2016-04-12 WHAT MADE RONALD REAGAN TICK What was the secret to his greatness the source of his influence the key to his character the strength behind his leadership And why does it matter to the nation today Just the mention of his name still evokes deep admiration and affection among Americans of every stripe on both sides of the aisle Many have previously sought to capture the essence of this very public figure often called mysterious and unknowable But now as James Rosebush tells Reagan s story from first hand experience in TRUE REAGAN we come closer to understanding the heart of this great American In his roles as the longest serving Chief of Staff to Nancy Reagan and Deputy Assistant to President Reagan his point man on philanthropy and public private partnerships James Rosebush had unrivaled one on one access to Reagan observing his personality his decision making his guarded nature Rosebush s revelations are moving and meant to inspire us to look to our 40th President for guidance now as we face the global challenges of a complicated 21st century Ronald Reagan was first and foremost an intensely private person although the life he led placed him at the center of people s attention from his earliest years Small town boy and college athlete sportscaster and lifelong sports fan actor and movie star union leader and TV spokesman Democrat and Republican governor and president what an incredible and extraordinary path Rosebush tells how his center core was formed by his mother who devoted herself to

helping others even as the Reagans struggled themselves The spiritual foundation she instilled in him by teaching him the Bible governed his thoughts beliefs and actions all his life In a very real sense his upbringing destined Reagan to become a global evangelist for American Exceptionalism but importantly as Rosebush learned first hand that did not mean Reagan thought Americans themselves were superior as today s pundits and politicians often preach Rather Reagan believed that the ideals of America s founding were superior enabling all Americans to live lives based on high ideals and spiritual principles and thus achieve unparalleled success Reagan was uniquely able to lead from true conviction and strength his confidence stemming from an unshakeable fundamental belief system Better understanding the essence of this inspiring and principled leader is critical to our future Journey back with Rosebush through the innumerable examples he recounts from first hand observation and marvel once again at TRUE REAGAN *America - One Nation Under Tyrants?* Joe Psy. D.

Callihan,2013-05-22 *America One Nation Under Tyrants* is a timely book for the days in which we are living Based upon a comment attributed to early American Colonist William Penn who is quoted as saying Any people unwilling to be governed by God are destined to be governed by tyrants Will Mr Penn s warning come to pass What is America s destiny with the path she has chosen to travel on What must every patriotic American do to keep America out of the hands of Tyrants The answers to these and many more thought provoking questions can be found in *America One Nation Under Tyrants* be sure and get your copy today

Busting the Barricades Laura Ingraham, 2017-10-10 Previously published as Billionaire at the Barricades Americans didn't just go to the polls in 2016 They joined a movement that swept the unlikeliest of candidates Donald Trump into the Oval Office Can he complete his agenda Or will his opponents in the media protestor class and political establishment block his efforts and choke off the movement he represents In Busting the Barricades Laura Ingraham gives readers a front row seat to the populist revolution as she witnessed it She reveals the origins of this movement and its connection to the Trump presidency She unmasks the opposition forecasts the future of the Make America Great Again agenda and offers her own prescriptions for bringing real change to the swamp of Washington Unlike most of her media colleagues Ingraham understood Trump's appeal

and defied those who wrote his political obituary Now she confronts the president's critics and responds to those who deny the importance of his America First agenda With sharp humor and insight she traces the DNA of the populist movement from Goldwater's 1964 campaign to Nixon's Silent Majority to Reagan's smashing electoral victories Populism fueled the insurgency campaigns of Buchanan and Perot the election of George W Bush and the Tea Party rallies of the Obama presidency But a political novice a Manhattan billionaire proved to be the movement's most vocal champion This is the inside story of his victory and the fitful struggle to enact his agenda

Legacy of a Leader Michael W. Staib, 2011-08-01 Legacy of a Leader commemorates the unprecedented historical contribution of our 40th U S President Ronald W Reagan Rehabilitating its internal infrastructure during a tumultuous period in American history Reagan managed to resolve external tensions relinquishing communist influence while simultaneously revitalizing economic stability Indeed unbridled in his pursuits Reagan neither faltered nor capitulated He remained relentlessly undeterred Ultimately with untrammelled tenacity Reagan transcended these tempestuous tribulations restoring prosperity for American society in his unsurpassed legacy of leadership to the United States A sociological interpretation essay additionally assesses the apperception of personal experience people institutions which subsequently influenced his profoundly positive trajectory as president

Down with Big Brother Michael Dobbs, 2013-10-17 The author of this volume was present during the final decade of the Soviet empire first for Reuters then for the Washington Post While Dobbs watched playwrights and electricians

were transformed into presidents while Communist Party leaders became jailbirds or newly minted tycoons He identifies the seeds of destruction and shows how Mikhail Gorbachev in particular was the unwitting inspiration for the upheaval of the empire while he thought he could save the Communist Party by reforming it Dobbs conclusion is that though Big Brother may be dead his dark legacy is still alive in the turbulence in Russia Romania Bosnia and other countries that once made up the most brutal empire of the 20th century
