Great Photos Simple Cameras Great Photos Simple Cameras:

Great Photos - Simple Cameras Bernd Daub, 2012 When we look at everyday life we realize that it is far from easy Indeed we are often confronted with the contrary complicated instead of simple demanding instead of effortless As photographers we face a similar situation with regard to our chosen hobby The camera and computer are wonderful technical instruments but their growing complexity can sometimes take away from the joy we find when we engage in creative work In this book author Bernd Daub shows us that simplicity works He describes how with simple camera techniques traditional film and some imagination we can create ambitious artwork This book teaches us how to focus our attention on the motivation behind our chosen image and develop a strong image impact without the need for high tech equipment and flawless exposures Learn about a variety of reasonably priced low tech cameras such as the Holga Diana and Blackbird as well as single use cameras the good old Agfa Box and the pinhole camera For price conscious beginners and intermediate photographers with high quality equipment this book provides ideas for alternative techniques without large investments You ll discover many new possibilities as you foster your creativity

Take Great Photos with Your Digicam Chaminda de Silva, 2010-03-08 With the advancement of digital camera technology we can now buy a digital camera at a reasonably low price take photos at little or no cost and share them quickly with others These cameras are easy to use so you don t really have to learn much to use them However you will sometimes see that some of the photos did not come out as well as you liked them to You will also see that some others take better photos than you do with cameras that are similar to yours In this book I tried to describe some simple guidelines that help you to take better photos without expensive equipment or a deep technical knowledge I learned most of these guidelines the hard way by making a lot of mistakes looking back at my photos observing how other people take photos and experimenting I tried to write them in a style that is easy to read using examples wherever possible I hope this book will help you to learn what I know in much less time than I took and in future take much better photos than I do

The Camera as Actor Amy Cox Hall, 2020-11-29 Looking beyond the impact photographs have on the perpetuation and expression of social norms and stereotypes and the influence of the act of taking a photograph this new collection brings together international scholars to examine the camera itself as an actor Bringing the camera back into view this volume furthers our understanding of how and in what ways imaging technology shapes us our lives and the representations out of which we fashion knowledge base our judgments and ultimately act Through a broad range of case studies the authors in this collection make the convincing claim that the camera is much more than a mechanical device brought to life by the photographer This book will be of interest to scholars in photography visual culture anthropology and the history of photography
