C. Cannell, 2013-04-26 Originally published 1930's A well illustrated compendium of the famous Harry Houdini's magic tricks and illusions All explained in detail Many of the earliest magic books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing many of these classic works in affordable high quality modern editions using the original text and artwork *Focus On: 100 Most Popular Vaudeville Performers* Wikipedia contributors, **The Linking Ring**, 1943 *AB Bookman's Weekly*, 1998 **The Magic Wand and Magical Review**, 1938 *Houdini* Jason Lutes, 2019-09-04 I have escaped out of more handcuffs manacles and leg shackles than any other human being living Harry Houdini mesmerized a generation of Americans when he was alive and continues to do so over ninety years since his death This is a snapshot of The Handcuff King's life centering on one of his most famous feats As Houdini prepares for a death defying leap into the icy Charles River in Boston biographer Jason Lutes and artist Nick Bertozzi reveal Houdini's life and influence from the antisemitism Houdini fought all his life to the adulation of the American public from his hounding by the press to his loving relationship with his wife Bess from his egoism to his insecurity from his public persona to the secret behind his most amazing trick And it's all in graphic form so it's fresh original and unlike anything previously published about this most fascinating of American showmen **Harry Houdini. The Famous Handcuff King!**, 2009 *Harry Houdini: the Famous Handcuff King and Jail Breaker*, 2012 *The Famous Houdini*, 1908 *Mr. Harry Houdini*, *Harry Houdini* Rita T. Mullin, 2007 A biography of Harry Houdini who became famous as America's most famous escape artist and magician **The Adventurous Life of a Versatile Artist: Houdini** Harry Houdini, 2020-09-28 HARRY HOUDINI the World's Handcuff King and amazing Prison Breaker a title universally and unanimously bestowed upon him has had a career as adventurous and romantic as the most imaginative writer could possibly conjure Indeed this wonderful genius with a science concerning bolts bars locks and chains that will yet revolutionize the world's methods of safeguarding itself against the men that prowl in the night confirms the truth of the ancient adage that truth is stranger than fiction Just remember for a moment that he is the man to whom the shrewdest police the sharpest detectives and the most watchful jail wardens look with awe and anxiety And they are eminently right in this attitude of

disquiet because they know that buried in the brain of Houdini lies the secret of an unknown power he alone possesses that makes their prisons as powerless as Japanese screens and renders their multiple locking handcuffs leg irons and all the other prison paraphernalia no more binding than store twine Suppose the innate and inherent integrity of character that Houdini possesses in common with most men brought up within the circle of a mother's sweet influence were to be swept aside by the desire for riches not his own There are many men of many millions to day whose money is not their own Suppose he should be captured by a band of desperate men determined to wrest from Houdini this secret worth millions Suppose a great hypnotist were to obtain dominance over this mystery enveloped genius and use his baneful powers for evil designs What then A slight knowledge of the marvels Houdini has accomplished mixed with a little imagination would create as many more suppositions of this kind as this book could contain But to be brief admitting the possibility of the happening of any of these suppositious instances and you will gain a clear idea of the extraordinary character and quality of Houdini's powers It is often the best way to see the full scope of a cause by carefully ascertaining its effect This analytical method is equally applicable to Houdini and recognizing the harm he would receive were his secrets confided to unworthy hands you gain an adequately impressive idea of the enormity of responsibility that rests upon him **Escape!** Sid Fleischman, 2008-04-22 How did he walk through walls escape drowning and shatter iron chains that were tightly wrapped around him The rare photos in this book might help you figure it out So might the exclusive update about the rumor that Houdini was poisoned But just remember a true magician never reveals his tricks **Houdini!** Kenneth Silverman, 1996 American self liberator Europe's eclipsing sensation world's handcuff king and prison breaker nothing on earth can hold Houdini a prisoner *Harry Houdini the True Escapist Extraordinaire* J. C. Cannell, 2012-05 This book comprises a detailed treatise on the famous escape artist Harry Houdini Complete with interesting information on the life and career of Houdini as well as explanations as to how he carried off his daring feats this is a text that will be of much value to those with an interest in the most famous escape artist in history and to those with an interest in escapology in general The chapters of this book include Houdini's Spectacular Escapes His Remarkable Failure at The Magicians Club Escape from Bank Safe Iron Boiler Paper Bag Mail Bag Walking Through a Brick Wall Buried Alive Escape From Iron Box Sack Packing Case Under Water The Vanishing Horseman and many more We are proud to republish this antique text here complete with a new introduction on magic tricks **Houdini** Kathleen Krull, 2007-06-01 Presents the life and career of Harry Houdini whose dramatic style and amazing physical abilities made him one of the most famous magicians and contortionists of all time Reprint Houdini Agnieszka Biskup, 2010-12 In graphic novel format explores the life of Harry Houdini and describes some of his most daring escapes Provided by publisher **The Houdini Box** , 2008-10-07 A chance encounter with Harry Houdini leaves a small boy in possession of a mysterious box one that might hold the secrets to the greatest magic tricks ever performed **The Great Houdini** Beryl Epstein, Beryl Williams, Sam Epstein, 1966
