Mary Matthew,2022-03-09 Life with Struggles but Hope in the Lord Harmony Growing Up Struggles Along the Path Learn with Knowledge Gained By Mary Matthew In her memoir Mary Matthew shares her unique experience growing up in southwestern Alaska as a Yupik native Though her childhood in the beautiful and rugged Alaskan countryside was often quaint and full of love and community Matthew is candid about the hardships she has faced in her life and how she has overcome them through the power of her faith Matthew also shares how she came to find her passion of singing and translating Gospel music into the Yupik language uplifting others through song of praises and elders understanding the songs through translated versions brings a powerful worship in her faith *Last Bullet, Last Hope* Colt McGraw,2025-09-21 In the dusty town of Sagebrush retired gunslinger Elijah Cole cherishes his quiet life until a gang of rough men arrives threatening his hard won peace When old rivals and buried secrets rise to the surface Elijah must confront the ghosts of his past and decide whether to unholster his six shooter one last time As danger looms will his last bullet be the town s last hope or will the shadows of yesteryear finally consume him *The Christmas Hope* Donna VanLiere,2005-10-25 Meeting a troubled five year old girl during the holiday season social worker Patricia Addison and her husband Mark find themselves working through past sorrows and reevaluating their faith *Treasures of Hope* Teresa S. Johnson,2010-06-29 We all have treasures within When we explore those treasures we offer hope to a dying world Treasures of hope will release so many others to share their experiences without guilt shame or condemnation Even the soft spoken will begin to allow their stories to burst forth like thunder In order to become an overcomer deliverance of some sort has to take place We have each been given a gift not a gift of gab but a gift of the word of our testimony When we use our testimonies to glorify God we show others that though there will always be tests the monies are never too far behind Move outside of yourself and inspire others to live Come out of bondage to secrecy Hope Notes Wayne Willis,2004-01-01 Each of these 52 brief meditations on hope begins with a quote a graphic symbol of hope a few sentences of interpretation of that symbol and then the meditation Includes space after each meditation for journaling *Hope Matters* John A. Calhoun,2007 Mary Gonzales strolls the streets of Chicago s meatpacking district every evening keeping a watchful eye over her neighborhood kids Tony Ortiz encourages young men in California state prisons to break free of the brutal gang life he once knew all too well Joe Hynes Brooklyn s district attorney champions women and children not wanting them to suffer as he suffered They and the twenty one other amazing people interviewed by Jack Calhoun are reshaping lives and communities across America They include Christians of every denomination Muslims Jews and others some who pray five times a day and some who are frankly not that religious But each tells Calhoun there s much more to the story You may have heard of some of these Americans Several are in the news The good words of all shine brightly in their communities What you haven t heard about is the underlying force the hidden source of their seemingly endless energy and selflessness It is faith a deep and in some cases unsuspected spirituality They have the unshakable sense that they work not only for their organizations and each individual they encounter but especially

for God Calhoun was once an eager divinity school student hungry to make a difference Through the years he rose to national prominence in the field of public policy spending twenty plus years as the founding president of the National Crime Prevention Council However something wasn't right Caught up in a parade of committee meetings speaking engagements and policy and program initiatives he had lost touch with the bedrock of his vocation It took an encounter with an unusually clear sighted volunteer to reconnect his daily work to his faith in God Reinvigorated Calhoun embarked on a two year cross country quest to find out how faith motivates some of America's hardest working public servants They pursue a range of innovative and ambitious plans to help their communities and their accomplishments are impressive But just try telling them so They have been chosen they'll explain to fulfill a larger purpose Their paths have been rocky their burdens heavy and the work hasn't always been fun Yet they feel blessed emboldened by their trust in a higher power to live lives of acceptance and unbounded love Some recent books have laid divisiveness and hostility at faith's door Hope Matters brings to light the togetherness and reconciliation that faith truly engender when good people heed its call to action You won't hear Mary Tony Joe or the rest preaching from the pulpit or even in the streets They have no sermon or script to follow There is a ministry of open arms and second chances of waking up each morning with new challenges and going to bed each night with renewed faith Their stories just might inspire you to make your own place of worship a little bigger

After Age 65 Daniel Muller, 2025-03-25 This is my personal story of battling leukemia as I entered my so called golden years Turning 65 marked the beginning of a series of profound changes brought on by both family struggles and personal health challenges Eventually I was diagnosed with a rare form of leukemia I endured grueling chemotherapy fought through debilitating side effects and then faced yet another blow new heart complications and the looming possibility of a second entirely different cancer The two years chronicled in this story are about more than just survival they are about fighting to hold on to my golden years for as long as possible while seeking hope through faith and the support of loved ones There are many books about miraculous recoveries and countless guides on maintaining a long healthy life through diet exercise and wellness habits But this is a different kind of story It is about confronting the stark realities of a declining quality of life and the ever present specter of death while still striving to remain positive hopeful and grounded in faith one day at a time **A Flicker of Hope** Shea Balik, 2019-05-29 Kegan Tulach already knew that monsters were real He'd faced them Watched in horror as they killed those he loved Then run from them It was his response for the past two years But now on his twenty first birthday running wasn't an option He had no where to go It was time for him to face his worst nightmare There weren't many people who could do what Bjorn did Fight monsters and live to tell the tale It was a job thrust upon him as a kid If he had known the true hell that would be cursed upon him he would have preferred to die even though he'd only been fourteen at the time Now years later he had hope that the curse would come to an end The question was would he choose the death he'd

so desperately craved for more than a millennia or would he do the one thing he swore he d never do Choose love If Kegan and Bjorn can find a way past their fears they may discover something worth living for each other This is a stand alone with an HEA but reading the first book is recommended for full enjoyment **Holding on to Hope** Nancy Guthrie,2006-11
