Scripture's Knowing is a guide to the emerging field of philosophical study of Scripture specifically about knowing Assuming that the Scriptures speak verbosely and persistently about knowing what do the biblical authors have to say How do they conceptualize ideas like truth and knowledge Most importantly how do we come to confidently know anything at all Scripture's Knowing follows the discourse on knowledge through key biblical texts and shows the similarity of biblical knowing with the scientific enterprise The findings are linked to the role of ritual in knowing and implications for theologians and churches

*Scripture's Knowing* Dru Johnson, 2015-10-22 Scripture's Knowing is a guide to the emerging field of philosophical study of Scripture specifically about knowing Assuming that the Scriptures speak verbosely and persistently about knowing what do the biblical authors have to say How do they conceptualize ideas like truth and knowledge Most importantly how do we come to

confidently know anything at all Scripture's Knowing follows the discourse on knowledge through key biblical texts and shows the similarity of biblical knowing with the scientific enterprise The findings are linked to the role of ritual in knowing and implications for theologians and churches today      Knowing Me, Knowing God Richard Brash,2021-02-18 Discover a fresh theological perspective on Scripture with Richard Brash's insights Explore God's relationship with humanity and deepen your understanding of divine wisdom In the Bible God gives us knowledge of himself and of ourselves so that through these two intertwined strands we may receive what Calvin called true and sound wisdom In pursuit of this wisdom many Christians have learned to interpret Scripture chronologically following the Bible's developing story from creation through fall to redemption and ultimately to restoration But what of a complementary theological approach to Scripture one which focuses on the Bible's main characters God and human beings and the nature of their relationship Richard Brash presents such an approach introducing six theological keys to Scripture which help us better to know God and ourselves in the three fundamental areas of being knowing and acting At each stage he develops the theme of the gracious condescension of the infinite incomprehensible and holy God in his relation to finite human beings creating us as his image establishing a proportion between his own knowledge and ours and overcoming sin to take a people for himself through the love gifts of his Son and his Spirit If you are looking for an enlarged vision of God and a renewed understanding of your own vocation before the Lord take up this book and be refreshed in your love for God in heart soul and mind      *Knowing God's Word* Robert Charles Sproul,1977      **The Power of Knowing God** Kay Arthur,2012-07-10 Do you really know God You may know about God but do you truly know what He says about Himself and what He wants from you This eye opening study will help you gain a true understanding of God's character and His ways As you discover for yourself who He is you'll be drawn into a deeper more personal relationship with the God of the universe a relationship that will enable you to confidently display His strength in life's most challenging circumstances 40 minutes a week could change your life The 40 Minute Bible Studies series from the teaching team at Precepts Ministries International tackles the topics that matter to you These inductive study guides designed to be completed in just six 40 minutes lessons with no homework required help you discover for yourself what God says and how it applies to your life today With the leader's note and Bible passages included right in the book each self contained study is a powerful resource for personal growth and small group discussion      **Knowing Scripture** Ligonier Ministries,2017-08-31 Study guide for Knowing Scripture includes lesson objectives message outline study questions and discussion questions Suitable for individual or group study      Knowing and Doing: Eight Stories Founded on Bible Precepts, Etc. [With Plates.] Mrs. Henry H. B. Paul,1878      God's Word Alone---The Authority of Scripture Matthew Barrett,2016-09-20 Scholar and pastor Matthew Barrett retraces the historical and biblical roots of the doctrine that Scripture alone is the final and decisive authority for God's people God's Word Alone is a decisive defense of the Bible as the inspired and inerrant Word of God Revitalizing one of the five great declarations of the Reformation sola Scriptura Barrett

Analyzes what the idea of sola Scriptura is and what it entails clarifying why the doctrine is truth and why it is so essential to Christianity Surveys the development of this theme in the Reformation and traces the crisis that followed resulting in a shift away from the authority of Scripture Shows that we need to recover a robust doctrine of Scripture's authority in the face of today's challenges and why a solid doctrinal foundation built on God's Word is the best hope for the future of the church This book is an exploration of the past in order to better understand our present and the importance of reviving this indispensable doctrine for the Christian faith and church today THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

**Biblical Knowing** Dru Johnson, 2014-08-28 The importance of human knowledge and the consequences of error are constantly stressed within Scripture which emphasizes the knowledge of good and evil knowing that YHWH IS your God knowing that Jesus is the Christ and the goal of developing Israel into a wise and discerning people We too long for confidence in our understanding the assurance that our most basic knowledge is not ultimately incorrect Biblical Knowing assesses what Israel knew but more importantly how she was meant to know introducing a comprehensive scriptural epistemology firmly rooted in the Scripture's own presentation of important epistemological events in the story of Israel Because modern philosophy has also made authoritative claims about knowledge Biblical Knowing engages contemporary academic views of knowledge e.g. Reformed Epistemology scientific epistemology Virtue Epistemology etc and recent philosophical method e.g. Analytic Theology assessing them for points of congruence or departure from Scripture's own epistemology Additionally Biblical Knowing explores what proper knowing looks like in the task of theology itself in the teaching and preaching of the church and in the context of counseling

Reading the Bible in the Strange World of Medicine Allen Verhey, 2003-12-11 Author of such major books as Remembering Jesus Christian Community Scripture and the Moral Life Allen Verhey has become one of today's most trusted Christian voices in contemporary ethics including the moral challenges that new medical technologies pose to Christian faith and decision making With this new book Verhey brings the biblical tradition to bear on contemporary bioethical concerns Drawing on an unmatched depth of insight in these two realms Verhey explores how the Bible can illuminate and guide medical ethics He argues that churches are called to think and speak clearly about bioethical concerns and he lays out here the scriptural tools for them to do so After firmly grounding Christian ethical discourse in Scripture Verhey shows how the Bible can be applied to such pressing questions as

suffering genetic intervention abortion reproductive technologies end of life care physician assisted suicide and more Filled with faith based wisdom and apt illustrations of the moral dilemmas discussed this book is a must read for Christians grappling with the ethical dimensions of medicine today      **Knowing God's Will** Rose Publishing,2014-05-13 The Twelve Disciples The Life and Ministry of Jesus 12 Disciples
