

# Knowledge and Presuppositions\*

Michael Blome-Tillmann

(draft, forthcoming in *Mind*)

## Abstract

The paper explicates a new way to model the context-sensitivity of ‘knows’, viz. a way that suggests a close connection between the content of ‘knows’ in a context *C* and what is pragmatically presupposed in *C*. After explicating my new approach in the first half of the paper and arguing that it is explanatorily superior to standard accounts of epistemic contextualism, the paper points, in its second half, to some interesting new features of the emerging account, such as its compatibility with the intuitions of Moorean dogmatists. Finally, the paper shows that the account defended is not subject to the most prominent and familiar philosophical objections to epistemic contextualism discussed in the recent literature.

## Introduction

In recent work on *Epistemic Contextualism* (EC), considerable suspicion has arisen as to whether EC really has the philosophically interesting consequences that its advocates have traditionally claimed it to have. Ernest Sosa, for instance, has argued that, as a linguistic or semantic view, viz. as the view that the predicate ‘know’ is indexical and may thus change its content with context, EC is “largely irrelevant to epistemological concerns.”<sup>1</sup> Independently of Sosa, other distinguished philosophers have raised doubts as to whether contextualists can meet the epistemological cheques they are so eager to issue: Timothy Williamson and Crispin Wright, for instance, have argued that if EC were correct, then its advocates would be unable to felicitously assert, and thus defend, the view that we ever satisfy the predicate ‘know’.<sup>2</sup> Along similar lines, Robert Fogelin has objected to EC on the grounds that it entails what David Lewis calls ‘elusiveness’, i.e. the view that

\*For extensive discussion of the ideas in this paper I am very grateful to Brian Ball, Steward Cohen, Dorothy Edgington, Ralph Wedgwood, Crispin Wright and to five anonymous referees of this journal. Special thanks are due to Tim Williamson, who supervised the DPhil thesis this paper emerged from.

## **Knowledge And Presuppositions:**

Knowledge and Presuppositions Michael Blome-Tillmann, 2014 Michael Blome Tillmann presents an innovative account of epistemic contextualism based on the idea that pragmatic presuppositions play a central role in the semantics of knowledge attributions He shows how the theory can resolve sceptical paradoxes and puzzles and illuminate concerns central to epistemology and philosophy of language

Knowledge, Ideology & Discourse (Routledge Revivals) Tim Dant, 2013-12-19 This student textbook originally published in 1991 tackles the traditional problems of the sociology of knowledge from a new perspective Drawing on recent developments in social theory Tim Dant explores crucial questions such as the roles of power and knowledge the status of rational knowledge and the empirical analysis of knowledge He argues that from a sociological perspective knowledge ideology and discourse are different aspects of the same phenomenon and reasserts the central thesis of the sociology that knowledge is socially determined

*Karl Popper and Africa: Knowledge, Politics and Development* Oseni Taiwo Afisi, 2021-09-13 This book provides a diverse contextualization of Popper's critical rationalism concerning knowledge and his generalized attitude of criticism on appropriate social and political reforms in contemporary Africa The book evaluates how best to address contemporary political problems especially in politically very troubled parts of the world To address these contemporary problems especially as it relates to Africa the authors found the political philosophy of Popper as suitable The discussion of Popper's political philosophy engages us directly with all the particularities of socio economic and political problems within contemporary Africa In other words it presents the truth of the present socio political reality in Africa where the question of what kinds of political ideas and concepts can be offered as appropriate to a political environment which so greatly faces facets of developmental issues Although the issues and events that informed the writings of Popper's *The Poverty of Historicism* as well as *The Open Society and Its Enemies* were among others the rise of fascism and communism in Europe the inventiveness of this work is how happily scholars in non liberal societies such as in Africa can pick up Popper's insights and usefully work with them to offer appropriate social reforms for their society This volume is a critical juxtaposition of Popper's ideas in a bid to make good sense of social and intellectual conditions in Africa particularly as it relates to the scale and speed of social change that is needed in most African nations that are often ridden by corruption The book is suitable for studies in political philosophy economic and development studies African Studies and Indigenous Knowledge systems

**The Two Fundamental Problems of the Theory of Knowledge** Karl Popper, 2014-05-01 In a letter of 1932 Karl Popper described *Die beiden Grundprobleme der Erkenntnistheorie* The Two Fundamental Problems of the Theory of Knowledge as a child of crises above all of the crisis of physics Finally available in English it is a major contribution to the philosophy of science epistemology and twentieth century philosophy generally The two fundamental problems of knowledge that lie at the centre of the book are the problem of induction that although we are able to observe only a limited number of particular events science nevertheless advances unrestricted universal statements and the problem of

demarcation which asks for a separating line between empirical science and non science Popper seeks to solve these two basic problems with his celebrated theory of falsifiability arguing that the inferences made in science are not inductive but deductive science does not start with observations and proceed to generalise them but with problems which it attacks with bold conjectures The Two Fundamental Problems of the Theory of Knowledge is essential reading for anyone interested in Karl Popper in the history and philosophy of science and in the methods and theories of science itself **Understanding**

**Scientific Theories of Origins** Robert C. Bishop, Larry L. Funck, Raymond J. Lewis, Stephen O. Moshier, John H.

Walton, 2018-12-04 From five authors with over two decades of experience teaching origins together in the classroom this is the first textbook to offer a full fledged discussion of the scientific narrative of origins from the Big Bang through humankind from biblical and theological perspectives This work gives the reader a detailed picture of mainstream scientific theories of origins along with how they fit into the story of God's creative and redemptive action **A Romance Perspective on**

**Language Knowledge and Use** Rafael Núñez-Cedeño, Luis López, Richard Cameron, 2003-10-16 Twenty one articles from the 31st LSRL investigate cutting edge issues and interfaces across phonology pragmatics sociolinguistics semantics and syntax in multiple dialects of such Romance languages as Catalan French Creole French and Spanish both old and modern Research in Romance phonology moves from the quantitative and synchronic to cover issues of diachrony and Optimality theory Work within pragmatics and sociolinguistics also explores the synchronic diachronic link while topicalizing such issues as change of non pro drop Swiss French toward pro drop status scalar implicatures speech acts word order and simplification in contexts of language contact Finally debates in linguistic theory are resumed in the work on syntax and semantics within both a Minimalist perspective and an Optimality framework How do Catalan and French children acquire AGR and TNS Can Basque Spanish be compared to topic oriented Chinese If Spanish preverbal subjects occur in an A position can Spanish no longer be compared to Greek **Planning in Crisis?**

Walter Schoenwandt, 2016-04-22 In recent years a formidable gulf has opened up between planning theory and practice Over the past four decades planning academics have developed strong theories and created models to accompany and elucidate the planning process However many planning practitioners have resisted the notion that theory can play a positive role in the solution of concrete planning problems This volume provides a comprehensive overview of all the main planning theories and models while also introducing an innovative new model and a set of tools Modeled on the theories of Mario Bunge this dynamic new approach allows planners to achieve a better understanding of the complexities involved in the role of planners and their impact on the built environment **Knowledge**

**and Inquiry**, 2023-03-27 ISBN 9042000694 paperback NLG 50 00 Main headings I Historical perspectives II Formal tools induction observation and identifiability III Questions in inquiry the interrogative model IV Growth of knowledge explanation and discovery V Jaakko Hintikka replies VI Abstracts skills in writing *Historical Knowledge, Historical Error* Allan

Megill, 2007-02 In the past thirty years historians have broadened the scope of their discipline to include many previously

neglected topics and perspectives They have chronicled language madness gender and sexuality and have experimented with new forms of presentation They have turned to the histories of non Western peoples and to the troubled relations between the West and the rest Allan Megill welcomes these developments but he also suggests that there is now confusion among historians about what counts as a justified account of the past In *Historical Knowledge Historical Error* Megill dispels some of the confusion Here he discusses issues of narrative objectivity and memory He attacks what he sees as irresponsible uses of evidence while accepting the art of speculation which incomplete evidence forces upon historians Along the way he offers succinct accounts of the epistemological road historians have traveled from Herodotus and Thucydides through Leopold von Ranke and Alexis de Tocqueville and on to Hayden White Natalie Zemon Davis and Lynn Hunt *Narrating Knowledge in Flannery O'Connor's Fiction* Donald E. Hardy, 2003 It also he maintains allows readers to appreciate the mysteries O Connor sought to underscore *Against Knowledge Closure* Marc Alspector-Kelly, 2019-05-09 Presents a new and comprehensive defense of closure failure that is relevant to a wide variety of epistemic issues **Information and Knowledge** Giuseppe Primiero, 2007-12-03 This book develops a philosophical and logical interpretation of the concept of information within the formal structure of Constructive Type Theory CTT in a manner concurrent with a diverse range of contemporary perspectives on the philosophy of information It presents a newly formulated and conceptually developed presentation of the Problem of Analyticity and a new interesting perspective on the constructive interpretation of knowledge processes **Knowledge and Value** A.J. Reck, 2012-12-06 Harold N Lee retired from Tulane University in June 1970 At first the event was too incredible for us to react Harold N Lee is a character in the best sense of the term Surely he would never leave us He was too much an institution for our institution to proceed without him But he had attained the mandatory retirement age of seventy as he himself informed us and we could not refute the calendar When at last we came to acknowledge the event we his colleagues professional friends and former students realized that we wanted to honor him in a manner more permanent than dinners and parties So the idea of the present collection of essays dawned Harold N Lee taught philosophy at Tulane University for forty five years As professor of philosophy at Newcomb College the undergraduate women s division of Tulane and head of the Newcomb philosophy department he carried a heavy burden of teaching and administration He introduced many of the courses that are now a basic part of the curriculum such as the courses in aesthetics and symbolic logic Shortly after World War II he became chairman of the then newly formed university department of philosophy and played a major role in the establishment of the doctoral program in philosophy Throughout the decades he also continued his philosophical researches and he has published and continues to publish important articles and books at regular intervals Knowledge Based Computer Systems S. Ramani, R. Chandrasekar, K.S.R. Anjaneyulu, 1990-07-24 This volume presents selected papers from KBCS 89 which is the second in a series of annual conferences hosted by the Knowledge Based Computer Systems Project funded by the Government of India with United Nations assistance The papers are grouped into sections including AI

applications computer architecture and parallel processing expert systems intelligent tutoring systems knowledge representation logic programming natural language understanding pattern recognition reasoning search activities at the KBCS Nodal Centres

*Updating the Interpretive Turn* Michiel Meijer, 2022-12-01 This book explores the meaning of the interpretive turn in the philosophy of the human sciences for a variety of contemporary philosophical debates While hermeneutics seems to be firmly established as a tradition and methodology in the human sciences interpretive philosophy seems to be under increasing pressure in recent philosophical trends such as the posthuman turn the nonhuman turn and the speculative turn Responding to this predicament this book shows how hermeneutics is gaining new force and fresh applications today by bringing together a group of leading interpretive philosophers to address such timely topics as the entanglement of social science culture and politics in liberal capitalist societies the extremism with which some identities are held within those societies the possibility of genuine non relativist dialogue in a post truth era the nature of the strong moral judgments people tend to make in that era the significance of interpretation for understanding nonhuman life forms and the inherently hermeneutic dimension of such practices as work and productive action testimony and witnessing and measurement in scientific practice *Updating the Interpretive Turn* will be of interest to researchers working in critical social science social philosophy ethical theory environmental philosophy philosophy of work philosophy of testimony philosophy of measurement and philosophical hermeneutics itself

**Ethics and Politics in Contemporary Theory Between Critical Theory and Post-Marxism** Mark Devenney, 2004-02-24 In addressing the political and theoretical debates between critical and post Marxist theorists this book discusses the politics of communication and rationality subjectivity sovereignty ethics and deliberative democracy considering questions such as Does the theory of communicative action justify deliberative democracy Is a theory of hegemony compatible with an account which relies upon an ideal of communicative success Is autonomy a good which should be fostered Can the ideal of democracy extend beyond the nation state Does post Marxism have anything interesting to say about ethics Analysing the work of Ernesto Laclau and J rgen Habermas as representatives of different choices made in regard to theory politics and morality *Ethics and Politics in Contemporary Theory* develops a critical response to the contrasting conclusions of these approaches

### Knowledge And Presuppositions Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Knowledge And Presuppositions free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Knowledge And Presuppositions free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Knowledge And Presuppositions free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Knowledge And Presuppositions. In conclusion, the

internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Knowledge And Presuppositions any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Knowledge And Presuppositions Books

1. Where can I buy Knowledge And Presuppositions books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Knowledge And Presuppositions book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Knowledge And Presuppositions books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Knowledge And Presuppositions audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Knowledge And Presuppositions books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
