The Saturday Review of Politics, Literature, Science, Art, and Finance ,1875      The National union catalog, 1968-1972 ,1973      Glocalising Teaching English as an International Language Marcus Callies,Stefanie Hehner,Philipp Meer,Michael Westphal,2021-12-19 The worldwide spread diversification and globalization of the English language in the course of the twentieth and early twenty first centuries has significant implications for English Language Teaching and teacher education We are currently witnessing a paradigm shift towards Teaching English as an International Language TEIL that aims to promote multilingualism and awareness of the diversity of Englishes increase exposure to this diversity embrace

multiculturalism and foster cross cultural awareness Numerous initiatives that embrace TEIL can be observed around the world but ELT and teacher education in Germany and other European countries appear to be largely unaffected by this development with standard British and American English and the monolingual native speaker including the corresponding cultural norms still being very much at the center of attention The present volume addresses this gap and is the first of its kind to showcase recent initiatives that aim at introducing TEIL into ELT and teacher education in Germany but which have applicability and impact for other countries with comparable education systems and traditional ELT practices in the Expanding Circle The chapters in this book provide a balanced mix of conceptual empirical and practical studies and offer the perspectives of the many stakeholders involved in various settings of English language education whose voices have not often been heard i e students university lecturers trainee teachers teacher educators and in service teachers It therefore adds significantly to the limited amount of previous work on TEIL in Germany and bridges the gap between theory and practice that will not only be relevant for researchers educators and practitioners in English language education in Germany but other educational settings that are still unaffected by the shift towards TEIL
