WEINER,1990 **Eve of Destruction** Sherrilyn Kenyon,2025-06-03 Eve of Ruin is coming Get ready for book four of this series by binging books one through three of *The League* Eve of Destruction from the Queen of Romantic Fantasy Eve of Destruction Eve Erixour is a mercenary with a past no one would envy and more enemies than anyone should have Death stalks her relentlessly So when she gains the attention of a League assassin she considers it par for the course But Jinx

Shadowbourne isn't after Eve. Someone has it in for him and his brethren. High ranking assassins are falling and Jinx is convinced one of their own is selling them out. He's on the trail of his key suspect when fate throws him headfirst into Eve's life. Now the two of them have to find the League leak and plug it or neither one of them will live to face another enemy and the ones they love and the universe at large will be left alone to face a power-crazed madman. Born of Rage, Dakari Tievel has been marked for death by the infamous League. Staying barely one step ahead of the assassins out to end her life, she must find the legendary Eve of Destruction. But Eve is a lot more than just a bounty hunter who calls the shadows home. She comes with an interesting crew of friends and family who have no problem defying the League that rules their worlds with an iron fist. Now they must rely on the most unlikely of allies to keep Dakari safe and themselves alive. Provided he doesn't betray them. In a universe where the League is law, it's killed or be killed. Born of Blood, Jayne Erixour believes she knows everything about the universe. As a bounty hunter and assassin, she's seen the worst dregs of humanity and every sentient species ever spat out of a hell realm. To her, there is no truth outside of her blaster's recoil and her resolve to let no one get too close. Hadrian Scalera is on the run from the same brutal assassins who slaughtered every member of his family, both birth and foster. He has no refuge and no one he dares to call friend as it will mean the end of them. He expects no mercy from anyone until the day one assassin hesitates to pull the trigger. An assassin's code is simple: Kill or be killed. No prey, no pay. Every life has a price. If Jayne doesn't fulfill her contract and kill Hadrian, she'll be the next target on the League's menu. But as old enemies return to hunt them, both quickly learn that neither will survive unless they can learn to trust each other. Yet things are never so simple and survival means only one of them can be left standing. This collection also features bonus content including the first short story Sherrilyn sold in 1978, *The Neighbors*. **Intensity** Sherrilyn Kenyon, It's a demon-eat-demon world for Nick Gautier. Just when he thinks he's finally gotten a handle on how not to take over the world and destroy it, Death returns with an all-star cast that is determined to end the Malachai reign and lineage forever. Worse, Death and War have found the one true enemy Nick can't find and even if he did it, he could never bring himself to banish or kill. Now framed for murders he hasn't committed and surrounded by new friends who might be turncoats, Nick is learning fast how his father went down in flames. The heat in New Orleans is rising fast and Nick's threat level has gone into a whole new level of intensity. He's learning fast that when War and Death decide to battle, they don't take prisoners. They don't negotiate. And they're both immune to his biting sarcasm and Cajun charm. To win this, he will have to embrace a new set of powers, but one wrong step and he will belong to the side of Darkness forever. Praise for *Chronicles of Nick*: Illusion is another great story. The humour is spot on, great balance between action and storytelling. Total Book Geek on Illusion: Chock full of action, suspense, emotion. Nick's perfectly timed humour and sarcasm, friends coming together to help one another, danger and peril at every turn, and of course Kenyon's brilliant world-building, character creations and imagination that make you forget you are reading a work of fiction. The Reading Café on *Instinct*: Nick never ceases to amaze me. My words don't do him justice. You won't
