considering the specific histories of individuals and groups that engender divergent experiences institutions and modes of cultural production and consumption Treating creativity as a social practice he demonstrates that the films are in dialogue not only with the home and host societies but also with audiences many of whom are also situated astride cultures and whose desires and fears the filmmakers wish to express Comparing these films to Hollywood films Naficy calls them accented Their accent results from the displacement of the filmmakers their alternative production modes and their style Accented cinema is an emerging genre one that requires new sets of viewing skills on the part of audiences Its significance continues to grow in terms of output stylistic variety cultural diversity and social impact This book offers the first comprehensive and global coverage of this genre while presenting a framework in which to understand its intricacies     The Finland Year Book Iivari Gabriel Leiviskä,1939     **The Penguin London Mapguide** Michael Middleditch,1988 With 32 pages of four color maps fully marked with underground stations and bus routes markets places of interest theaters museums and selected pubs The Penguin London Mapguide is a unique and versatile handbook     Library of Congress Catalog Library of Congress,1955     **Subject Catalog** Library of Congress,1977     **Subject Catalog, 1977** Library of Congress,1977
