Mesoamerica During this campaign Cortés spoke frequently with his companions in arms about their experiences collecting them into a coherent narration The book that resulted from this was and [Historia verdadera de la conquista de la Nueva España](#) and [English and The True History of the Conquest of New Spain](#) In it he describes many of the 119 battles in which he claims to have participated culminating in the fall of the Aztec Empire in 1521 *History of the Conquest of Mexico* William Hickling Prescott,1873
