Eternal Security Charles F. Stanley, 1990-08-27 Do you ever find yourself wondering Is it actually possible to know beyond the shadow of a doubt that I am going to heaven If you say that my salvation is eternally secure and that I can never lose it does that mean that I can commit any sin and still go to heaven How can an understanding of eternal security make a difference in my Christian life With the wisdom and skill of a man who has personally wrestled with these questions internationally known pastor and bestselling author Charles Stanley addresses the age old issue of grace vs works in this compassionate straight forward book With questions at the end of each chapter Eternally Secure is an excellent choice for individual or group study I know from experience that until you settle once and for all the question of whether or not you are eternally secure joy will elude you Therefore it is my prayer that God will use this book in your life and that in the very near future you will be able to face life with the confidence that comes through knowing you are eternally secure Charles Stanley Previously published in hardcover 0840790953

Eternal Insecurity or Eternal Security James McClain, 2018-07-24 Is it possible for a person to know with certainty that they have a future with God in Heaven Some hold the position that no one can know the answer to that question until they pass on from this life In a sincere search for an accurate answer guesswork will not provide the kind of clarity we seek It has to be one of the most serious questions if not the most serious question we each need the answer for Either a person can know that assurance or they cannot If we can know we have a home in Heaven then how If we cannot have that assurance then why not Is it too much to hope for that a person could have the promise of eternal peace with God As Believers we rejoice that the Lord Jesus promised His followers peace not as the world gives and that one of the fruits of the Holy Spirit is a continuing ministry of peace while we His people are here on earth Could it not be considered Biblically normal for a Believer to enjoy the comforting assurance of eternal life even as the Lord promised His followers abundant life while on earth If not it certainly appears that Believers are missing out on peace comfort joy happiness security and a source of fervor for a life of service to the Lord I believe the Lord wants the best for His people and that the Bible teaches we will

never perish and never thirst again Perhaps the most challenging question a professing Believer especially a new convert has to deal with is whether or not a Christian could ever go to hell It is shocking to find that there is such unsettled belief about such an eternally serious question I was raised in a church that taught a person who professed Christ could be truly redeemed saved born again and then later in their Christian walk turn away be deceived away rebel sin away their faith and end up lost and undone and headed for separation from God It s as if what they are advocating is OK Jesus your sacrificial blood was sufficient to get me saved but if I m going to make it to heaven someday I have to be faithful read my Bible every day pray regularly witness to others daily win others to Christ regularly attend every church service and church sponsored event coming or going in effect saying Christ s Work needs supplemented I now believe that this doctrinal position is blasphemy When Jesus cried out from His cross It is finished He wasn t talking about His ordeal of suffering He was talking about His Sacrificial Work of Redemption nothing to be taken from It nothing added to It He alone accomplished it Heb 1 3 Anything mankind would offer could try to take away from His Glory The good works that a Believer does Bible reading witnessing praying etc are done because we are saved not in order to be more assured of making it to Heaven someday Nothing human could ever supplement the atoning Work of the Lord Jesus Christ a ministry only HE has Heb 1 3 *Eternal Security Or Eternal Insecurity?* David Novitsky,Dustin Layton,2019-09-11 We live in a world where Christianity is doubting a lot of what the word of God says Some stuff doesn t matter because it doesn t hold any concerns for their salvation but when we doubt our salvation specifically that s when it does become a salvation issue Enough of the lies are we eternally secured by eternally secure God or are we eternally insecure by insecure God What better way to find out then to look into God s word for ourselves "Eternal Security" Insecure ,1949
