Hebrews Coffman New Testament Commentaries Vol 10:

The Gospel According to the Trinity Nicholas S. Perez, 2025-04-22 The gospel begins with God God exists eternally as Father Son and Holy Spirit How does what we believe about the Trinity impact the redemption of people before time began in time all the way to when time is no more In The Gospel According to Trinity Nicholas S Perez takes readers from eternity to eternity exploring the work of the triune God in redeeming people While considering arguments from within his own ecclesiastical setting the Stone Campbell Movement he challenges understandings of the outworking of redemption that do not maintain Trinitarian harmony and agreement between the Father the Son and the Holy Spirit The result is a more consistent view of the gospel within a Trinitarian framework

The Great Tribulation George Gutchess, 2014-10-15 Many Bible teachers today are proclaiming that Christ will come at any moment to take the Christians to heaven leaving the non Christians behind to endure seven years of great tribulation Others teach that Christ came spiritually in AD 70 when the city of Jerusalem was destroyed by the Romans Is there any other view Here is an older interpretation that was commonly held before those which prevail today The first part of The Great Tribulation is a verse by verse commentary on Matthew 24 written in readable nontechnical style The second part of the book contains nine articles related to the second coming of Christ and end time events The Great Tribulation provides insight on these questions What does Matthew 24 really teach Will Christs coming be in two stages Does Daniel teach that there will be a seven year tribulation Who is the antichrist and will he appear in a rebuilt temple What is the abomination of desolation Was the kingdom of God postponed Will there be a thousand year period called the millennium Will some be taken and others left behind What is the generation that Christ spoke of that is going to see it all

Job and the Misrepresentation of God's Character Troy J. Edwards, Many approach the book of Job with a number of presuppositions God desires to test Job s faithfulness God is controlling the actions of the devil That God just might make you the next Job These presuppositions demonstrate a failure to study the book of Job in the light of the full revelation of Father God found in Jesus Christ Hence Job is misused to present God as a capricious deity In this book we will learn how a proper study of Job shows us that Satan s plan was to discredit both God and Job We will learn that God did not instigate Job s trials but showed the patriarch compassion by delivering him from the designs of Satan against him

Does God Send Natural Disasters? Troy J. Edwards, 2016-11-20 Many of our theologians have told us that God is the responsible agent for all of the natural evil that we suffer These theologians and philosophers are not without their Biblical proof texts For them Sodom and Gomorrah the flood of Noah the plagues of Egypt the trials of Job the end time events of the book of Revelation and other historical accounts recorded in Scripture provide sufficient evidence that God is behind most if not all natural disasters This book will show us that by understanding how the permissive idiom of the Ancient Eastern and Hebrew cultures was used to describe God s

actions we can get a fresh perspective of God's place in many of the natural disasters in Scripture that were attributed to Him. We will then see a loving God who is not destructive but actually does all that He can to save men from destruction without violating their freedom. **Eternal Security** Lloyd A. Olson, 2007-11 This book is a must read for three reasons. First, no other book can compare. It is the most comprehensive work affirming Eternal Security in the history of Christendom. Second, Dr. Olson uses his experience gained as a Lutheran pastor and evangelist to compare the arguments for and against eternal security side by side. Third, critical aspects of theology underlying Eternal Security that are customarily overlooked or avoided are integrated into each passage as a Theological Tidbit. The Ministry of the Shepherd and the Church in Africa, 2017-01-25 With over two million church leaders working in the more than ten million parishes, congregations, seminaries, and houses of religious formation around the world, it is important that all the people of God of every church have selfless church leaders who reflect the mind of Christ. But how can church leaders learn to be true shepherds like Jesus, whose selfless sacrifice of his life for his people set the standard for the pastoral ministry? The Ministry of the Shepherd and the Church in Africa draws on a wide range of Old and New Testament texts to develop the biblical theology of the shepherd ministry, which encourages right shepherding and evangelization in the world of self-serving leadership styles. Focusing especially on the example of pastoral ministry in Africa, author and priest Cletus Chukwudi Imo explores some of the underlying attitudes of the pastor and the laity and challenges church leaders to adopt a role as shepherds and servants, not as self-serving masters, so that they can lead, guide, and teach their congregations as Christ would. Because it can be easy for church leaders to get wrapped up in the sociocultural, political, and economic concerns of their parishes, it is important for these church leaders to shed an undue focus on these concerns instead of shepherding their flocks. By modeling their lives and leadership on the ideals of Jesus, church leaders, including priests, religious lecturers, seminarians, and even lay Christian parents, alike can become true servants and shepherds honoring the example of Jesus, the Good Shepherd. A Biblical Approach to Mission in Context Michael Ufok Udoekpo, 2022-12-19 A Biblical Approach to Mission in Context is an erudite collection of twenty essays with forewords and epilogue produced to honor Professor Teresa Okure's contribution to the study of biblical theology in context. It also stands in its own right as a vade mecum of current trends in biblical scholarship, gender, and contextual hermeneutics. Written by an international array of respected scholars, Okure's colleagues, former students, siblings, and fellow commentators, this volume includes detailed exegetical studies, discussion on theological methods and contextual approaches from a variety of standpoints, and an effort to relate biblical exegesis, theology, and inculturation, faith hermeneutics to the current interest in social contextual interpretation that reflects values beyond the African context. In sum, the breadth of interests and enthusiasm found in this volume is a testimony to the intellectual and pastoral vitalities and passion that Teresa Okure herself brought to the discipline of biblical studies. The brief narrative of personal encounter written by Bernadette Okure, SHCJ, forewords by John Cardinal Onaiyekan and Bishop

Camillus Raymond Umoh as well as an insightful epilogue by Fr Aniedi Okure OP provide additional insight into the historical and socio cultural contexts within which Okure's formation and contributions unfolded **Punishment and Forgiveness in Israel's Migratory Campaign** Won W.
