The Choral-Orchestral Works of Ralph Vaughan Williams Stephen Town, 2019-12-06 The Choral Orchestral Works of Ralph Vaughan Williams Autographs Context Discourse combines contextual knowledge a musical commentary an inventory of the holograph manuscripts and a critical assessment of the opus to create substantial and meticulous examinations of Ralph Vaughan Williams's choral orchestral works The contents include an equitable choice of pieces from the various stages in the life of the composer and an analysis of pieces from the various stages of Williams's life The earliest are taken from the pre World War I years when Vaughan Williams was constructing his identity as an academic and musician Vexilla Regis 1894 Mass 1899 and A Sea Symphony 1910 The middle group are chosen from the interwar period Sancta Civitas 1925 Benedicite 1929 Magnificat 1932 Five Tudor Portraits 1935 Dona nobis pacem 1936 written after Vaughan Williams had found his mature voice The last cluster Thanksgiving for Victory 1944 Fantasia Quasi Variazione on the Old 104 Psalm Tune 1949 Sons of Light 1950 Hodie 1954 The Bridal Day Epithalamion 1938 1957 typify the works finished or revisited during the final years of the composer's life near the end of the Second World War and immediately before or after his second marriage 1953 Heirs and Rebels Ralph Vaughan Williams, Gustav Holst, 1974 "Beyond Jerusalem: Music in the Women's Institute, 1919-1969" Lorna Gibson, 2017-07-05 Music in the Women's Institute has become stereotyped by the ritualistic singing of Jerusalem at monthly meetings Indeed Jerusalem has had an important role within the organization and provides a valuable means within which to assess the organization's relationship with women's suffrage and the importance of rurality in the Women's Institute's identity However this book looks beyond Jerusalem by examining the full range of music making within the organization and locates its significance within a wider historical cultural context The Institute's promotion of conducting a regular part of its musical activity since the 1930s is discussed within the context of embodying overtly feminist sentiments Lorna Gibson concludes that a redefinition of the term feminism is needed and the concept of gendered spheres of conducting provides a useful means of understanding the Institute's policy The organization's promotion of folk song is also examined and reveals the Institute's contribution to the Folk Revival as well as providing a valuable context within which to understand the National Federation's first music commission Ralph Vaughan Williams's Folk Songs of the Four Seasons 1950 This work and the Institute's second commission Malcolm Williamson's The Brilliant and the Dark 1969 are examined with the context of the organization's music policy In addition to discussing the background to the works issues of critical reception are addressed The book concludes with an Epilogue about the National Society Choir later known as the Avalon Singers which tested the organization's commitment to amateur music making The book is the result of meticulous work undertaken in the archives of the National Federation the BBC Written Archives Centre the V A archives the Britten Pears Library the Ralph Vaughan Williams Library the Women's Library and the Newspaper Library *Masterworks of 20th-Century Music* Douglas Lee, 2013-01-11 Masterworks of 20th Century Music introduces more than one hundred of the

greatest compositions by world renowned composer that have entered the standard orchestral repertory The author surveyed dozens of major American orchestras to focus on those works that an average audience member is most likely to hear Concertgoers who are intimidated by the modern repertoire finally have a single resource that will help them understand and enjoy it Like an educated guide he walks the listener through the piece explaining how all the elements come together to form a unified whole This book serves the general reader interested in 20th century music plus students teachers and scholars

Vaughan Williams and His World Byron Adams, Daniel M. Grimley, 2024-05-31 A biography of Ralph Vaughan Williams published in collaboration with the Bard Music Festival Ralph Vaughan Williams 1872 1958 was one of the most innovative and creative figures in twentieth century music whose symphonies stand alongside those of Sibelius Nielsen Shostakovich and Roussel After his death shifting priorities in the music world led to a period of critical neglect What could not have been foreseen is that by the second decade of the twenty first century a handful of Vaughan Williams s scores would attain immense popularity worldwide Yet the present renown of these pieces has led to misapprehension about the nature of Vaughan Williams s cultural nationalism and a distorted view of his international cultural and musical significance Vaughan Williams and His World traces the composer s stylistic and aesthetic development in a broadly chronological fashion reappraising Vaughan Williams s music composed during and after the Second World War and affirming his status as an artist whose leftist political convictions pervaded his life and music This volume reclaims Vaughan Williams s deeply held progressive ethical and democratic convictions while celebrating his achievements as a composer

Hamish MacCunn (1868-1916): A Musical Life Jennifer L. Oates, 2016-04-22 Hamish MacCunn s career unfolded amidst the restructuring of British musical culture and the rewriting of the Western European political landscape Having risen to fame in the late 1880s with a string of Scottish works MacCunn further highlighted his Caledonian background by cultivating a Scottish artistic persona that defined him throughout his life His attempts to broaden his appeal ultimately failed This along with his difficult personality and a series of poor professional choices led to the slow demise of what began as a promising career As the first comprehensive study of MacCunn s life the book illustrates how social and cultural situations as well as his personal relationships influenced his career While his fierce loyalty to his friends endeared him to influential people who helped him throughout his career his refusal of his Royal College of Music degree and his failure to complete early commissions assured him a difficult path Drawing upon primary resources Oates traces the development of MacCunn s music chronologically juxtaposing his Scottish and more cosmopolitan compositions within a discussion of his life and other professional activities This picture of MacCunn and his music reveals on the one hand a talented composer who played a role in establishing national identity in British music and on the other a man who unwittingly sabotaged his own career

Music in Edwardian London Simon McVeigh, 2024 Traversing London s musical culture this book boldly illuminates the emergence of Edwardian London as a beacon of musical innovation The dawning of a new century saw London emerge as a hub in a fast developing

global music industry mirroring Britain's pivotal position between the continent, the Americas and the British Empire. It was a period of expansion, experiment and entrepreneurial energy. Rather than conservative and inward looking, London was invigorated by new ideas from pioneering musical comedy and revue to the modernist departures of Debussy and Stravinsky. Meanwhile Elgar, Holst, Vaughan Williams and a host of ambitious younger composers sought to reposition British music in a rapidly evolving soundscape. Music was central to society at every level. Just as opulent theatres proliferated in the West End, concert life was revitalised by new symphony orchestras, by the Queen's Hall promenade concerts and by Sunday concerts at the vast Albert Hall. Through innumerable band and gramophone concerts in the parks, music from Wagner to Irving Berlin became available as never before. The book envisions a burgeoning urban culture through a series of snapshots of daily musical life in all its messy diversity. While tackling themes of cosmopolitanism and nationalism, high and low brow centres and peripheries, it evokes contemporary voices and characterful individuals to illuminate the period. Challenging issues include the barriers faced by women and people of colour and attitudes inhibiting the new generation of British composers, not to mention embedded imperialist ideologies reflecting London's precarious position at the centre of Empire. Engagingly written, Simon McVeigh's groundbreaking book reveals the exhilarating transformation of music in Edwardian London, which laid the foundations for the century to come.

A Bibliography of British History, 1914-1989 Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996. Containing over 25,000 entries, this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century. Accessibly arranged by theme, with helpful introductions to each chapter, a huge range of topics is covered. There is a comprehensive index.

Imogen Holst Christopher Grogan, 2010. Extensively revised with new material, the book also includes a study of Imogen Hoist's music and a chronological list of her works, revealing her as a composer of tremendous talent whose music deserves to be much more familiar.

The Cambridge Companion to Vaughan Williams Alain Frogley, Aidan J. Thomson, 2013-11-14. A comprehensive reassessment of this towering figure of twentieth century music, examining works, cultural context and reception in Britain and beyond.

Vaughan Williams Eric Saylor, 2022. In this volume, author Eric Saylor revisits the life and work of famed British musician Ralph Vaughan Williams with particular attention to the relationship between his work and his life.

Music and Ideology Mark Carroll, 2017-07-05. This volume gathers together a cross section of essays and book chapters dealing with the ways in which musicians and their music have been pressed into the service of political, nationalist and racial ideologies. Arranged chronologically according to their subject matter, the selections cover Western and non-Western musics as well as art and popular musics from the eighteenth century to the present day. The introduction features detailed commentaries on sources beyond those included in the volume and, as such, provides an invaluable and comprehensive reading list for researchers and educators alike. The volume brings together for the first time seminal articles written by leading scholars and presents them in such a way as to contribute significantly to our understanding of the use and abuse of music for ideological

Vogeler,2008 Political and literary journalist Austin Harrison became editor of the English Review in 1910 While holding that chair he expanded the publication s literary scope by publishing articles on such issues as women s suffrage parliamentary reform the German threat and Irish home rule But although he edited the Review far longer than did its celebrated founder Ford Madox Ford history has long confined him to the shadows of not only his predecessor but also his father the English Positivist Frederic Harrison This first scholarly assessment of Harrison s tenure at the English Review from 1910 to 1923 shows him courting controversy establishing reputations winning and losing authors and pushing the limits of the publishable as he made his Great Adult Review the most consistently intelligent and challenging monthly of its day Martha Vogeler offers a compelling personal and family narrative and a new perspective on British literary culture and political journalism in the years just before during and after the First World War Vogeler provides a revealing account of Harrison the editor his writings and opinions his public life and relations as she also traces the complex relationship between a son and his famous father Balancing a scholar s attention to detail and a fine writer s eye for style she relates Harrison s improbable friendships with the notorious Frank Harris and the outrageous Aleister Crowley And she has mined Harrison s correspondence to lend insight into the careers of such writers as Ford Madox Ford D H Lawrence H G Wells Joseph Conrad John Masefield Bernard Shaw Arnold Bennett and Marie Stopes Other figures such as George Gissing Bertrand Russell Lord Northcliffe and important Irish revolutionaries appear in new contexts Ranging widely across literature foreign relations national politics the women s movement censorship and sexuality Vogeler captures the themes of Harrison s era She describes his transformation from Germanophobe before and during World War I to an outspoken critic of the punitive measures against Germany in the Treaty of Versailles She explores the ambiguities in his engagement with modernist aesthetics and in his attempt to escape the shadow of his father while benefiting from his family s wealth and connections Vogeler s assessment of Harrison s books

further sharpens our understanding of his ideas about Germany women education and Victorian family life notably his underappreciated tribute rebuke to his father Frederic Harrison Thoughts and Memories This account of Austin Harrison s career allows us to observe a journalist making his way in a highly competitive world and opens up a new window on Britain in the era of the Great War *Gustav Holst* Mary Christison Huismann,2011-04-26 First published in 2011 this text provides citations to the core Holst literature The volume is intended for students and researchers as well as those seeking an introduction to Holst The inclusion of materials for the non specialist seems entirely appropriate as Holst devoted much of his career to teaching amateur musicians The contents of this book presents a selective annotated list of essential materials published through the end of 2009 although a very few exceptions were made for a limited number of post 2009 print and web resources **Music, Life, and Changing Times: Selected Correspondence Between British Composers**

Elizabeth Maconchy and Grace Williams, 1927-77 Jenny Doctor,2020-03-25 At this book s core is a critical edition of letters exchanged over 50 years between Anglo Irish composer Elizabeth Maconchy 1907 1994 and the Welsh composer Grace Williams 1906 1977 These two innovative and talented women are highly regarded for their music their professional activities and their roles in British musical life The edition comprises around 200 letters from 1927 to 1977 none of which have been published before along with scholarly introductions and contextualizations Interwoven commentaries in tandem with carefully constructed appendices frame the letter texts Moreover the commentaries and introductory essays highlight and track the development of important themes and issues that characterize the study of twentieth century British music today This edition presents a dialogue through both sides of a unique correspondence offering an alternative commentary on musical and cultural developments of this period **A New English Music** Tim Rayborn,2016-04-27 The turn of the 20th

century was a time of great change in Britain The empire saw its global influence waning and its traditional social structures challenged There was a growing weariness of industrialism and a desire to rediscover tradition and the roots of English heritage A new interest in English folk song and dance inspired art music which many believed was seeing a renaissance after a period of stagnation since the 18th century This book focuses on the lives of seven composers Ralph Vaughan Williams Gustav Holst Ernest Moeran George Butterworth Philip Heseltine Peter Warlock Gerald Finzi and Percy Grainger whose work was influenced by folk songs and early music Each chapter provides an historical background and tells the fascinating story of a musical life **Before the Arts Council** Howard Webber,2021-01-28 This book explores the hitherto

neglected history of the campaign for state funding of the arts By focusing on the important but forgotten movements for music and drama subsidy before and during WWII Howard Webber makes an important contribution to the history of arts subsidy Before the Arts Council rediscovers three forgotten but influential campaigns for state support of the arts in Britain in the 1930s and wartime Webber s impressive historical excavation challenges existing scholarship which argues that arts subsidy was the result of the war and instead re situates the campaign s origins in the pre war years Webber does so by

drawing on correspondence from influential figures including Ralph Vaughan Williams John Maynard Keynes and J B Priestley along with extensive use of government papers Before the Arts Council is a lively compelling and scrupulously researched account of a subject consistently misunderstood and misrepresented It changes our understanding of an aspect of British cultural history we thought we knew well It will appeal to students of twentieth century social and political history and to anyone with a general interest in the arts and in this period The Wind Band and Its Repertoire: Two Decades of Research As Published in the CBDNA Journal Michael Votta, Jr., For slightly over two decades the College Band Directors National Association published the CBDNA Journal a research outlet for all types of subjects of interest to the membership Following cessation of activities in 2002 Michael Votta Jr the Journal s most recent editor assembled representative articles on composers and their works historical research and composition analysis investigations and produced this fine collection of writings As a source of well constructed research by some of the country s leading musicians it fills a much needed place in everyone s library
