Photoshop Elements 11 Book for Digital Photographers Scott Kelby, Matt Kloskowski, 2012-11-13 This book for Windows and Mac breaks new ground by doing something for digital photographers that's never been done before it cuts through the bull and shows exactly how to do it. It's not a bunch of theory; it doesn't challenge readers to come up with their own settings or figure things out on their own. Instead, it tells readers flat out which settings to use when to use them and why. This book gives the inside tips and tricks of the trade for organizing, correcting, editing, sharpening, retouching, and presenting photos like a pro. Readers will be absolutely amazed at how easy and effective these techniques are once they know the secrets. This book covers: The real secrets of how the pros retouch portraits. How to color correct any photo without breaking a sweat. How to use Camera Raw for processing not only RAW photos but JPEGs and TIFFs too. The sharpening techniques the pros really use. How to deal with common digital camera image problems including removing noise and avoiding halos. The most requested photographic special effects. All the brand new features of Elements 11 which offers better ways to manage photos, map images, share memories, use templates, and easily create pro quality photographic effects. And the book's secret weapon. It also covers slick workarounds, cheats, and some fairly ingenious ways to replicate many Photoshop CS6 features from right within Elements 11. And much more. *The Christian Mom's Idea Book (Revised Edition)* Ellen Banks Elwell, 2008-02-26 You can make the most of motherhood with this resourceful book. It's jam packed with 500 ideas gathered from more than 80 mothers just like you: mothers of preschoolers, high schoolers, and every age in between. Mothers with one child. Mothers with a houseful of children. Mothers with adopted children. But most of all, mothers with a great desire to raise godly kids and have fun at it too. You'll get fantastic suggestions for fulfilling the all important role God has given you, including: throwing a great birthday party, handling doctor's visits, planning alone time, getaways, disciplining, practicing hospitality, babysitting, successfully surviving car trips, dealing with toddlers, teaching music lessons, menu planning, grocery shopping, keeping your marriage alive, spiritual nurturing, and so much more in nearly 40 categories. Here is everything you need to provide a safe, nurturing environment for your family and to make your home a wonderful place to be. Janet (Long Island, NYC, Georgia, the perfect path..... ?) (Janet Book 1) Karen Blaunstein, 2025-02-10 Janet seemed to have the perfect path. A Long Island girl gets an exciting job in New York City as well as a great place to live in the heart of Manhattan. A reunion with a school boy crush, she marries her prince charming. Family secrets are revealed to navigate and a move to Georgia. A wonderful marriage is challenged, tragedy knocks on the door. The twists and turns on the path she never saw coming. How does she cope, finding a new home for her and her daughter, how does she turn it all around? I wrote Janet taking a number of events from my own personal path as well as friends' stories and those I witnessed. Janet will be a three books series. I feel many can relate to the stories I write and share most of all, I hope you are entertained.
