The Contemporary Superintendent Meredith Mountford, Leigh E. Wallace, 2019-06-01 What is R Evolutionary Leadership Why Does it Matter How can contemporary school district administrators specifically superintendents contend with so many difficult and almost impossible competing commitments Building on the definitions of revolution revolutionary evolution and evolutionary the notion of R Evolutionary Leadership emerged while discussing the need for school district leaders to push back against the status quo while improving teacher and leadership practices improving student learning outcomes engaging with the community and ensuring decision making processes that include check and balance systems that are just fair and equitable for all The chapters in this book introduce superintendents or research on superintendents in which these tenants were practiced both in their ability to enact radical change by overthrowing the status quo as well as evolutionary in their deliberate approach to viewing change as a process they can control over time These leaders were willing to confront and defy practices and policies that were counter to student well being and achievement while concurrently knowing how to

reach their desired results The chapters chosen for inclusion in this volume are those that offered a glimpse of these revolutionary tenants in practice We ask that you consider this emerging concept as you explore the chapters of our book You will find the R evolutionary Leaders you meet in the chapters know how to evolve not just to stay alive but to ensure the organization school remains relevant and vital to society These leaders use their positional power social capital and expertise to advocate for policies and practices that are in the best interest of the school community and they innovate in ways that challenge the status quo You will also find practices that are R Evolutionary and provide ways for leaders to innovate collaborate and simply take care of themselves and those around them Our description does not seek to support or define or delineate the characteristics of a R Evolutionary Leader or how one might enact R Evolutionary Leadership but serves as a way to re think the way we view the vastly complex work of school district administrators specifically the superintendent R Evolutionary leadership may change our ways of thinking about the significant advocacy role a superintendent can play in influencing both practice and policy to enact the change necessary to move forward issues of justice equity and quality in PK 12 schools and further to improve educational and social outcomes for those served *Tell Me So I Can Hear You* Eleanor Drago-Severson, Jessica Blum-DeStefano, 2017-11-14 In *Tell Me So I Can Hear You* Eleanor Drago Severson and Jessica Blum DeStefano show how education leaders can learn to deliver feedback in a way that strengthens relationships as well as performance and builds the capacity for growth Drawing on constructive developmental theory the authors describe four stages of adult growth and development and explain how to differentiate feedback for colleagues with different ways of knowing which include Instrumental knowers who tend to see things in black and white Did I do it right or wrong and may need to develop the capacity for reflection Socializing knowers who are concerned with maintaining relationships What do you want me to do and may need support developing their own ideas Self authoring knowers who have strong ideologies and values How does this fit with my goals and vision and may need help with perspective taking Self transformative knowers who are able to examine issues from multiple points of view How can I understand this more deeply and may need guidance in resolving tensions and contradictions The authors show how leaders can provide feedback in ways that meet people where they are while expanding the developmental capacities educators bring to their work Drago Severson and Blum DeStefano provide real life examples with practical strategies for creating a safe space for feedback finding the right words and bridging feedback and action *Tell Me So I Can Hear You* offers invaluable guidance to help educators support a culture of learning in classrooms schools and districts *Systems Thinking for School Leaders* Haim Shaked, Chen Schechter, 2017-03-02 This book presents a new approach to school leadership Holistic School Leadership whereby school leaders lead schools through systems thinking concepts and procedures Facing growing complexity change and diversity school leaders need to regularly apply the systems view and perform at the systems level This book proposes a holistic approach providing school leaders with systemic principles of action for excellence in education What a wonderful book once

I started it I couldn't put it down The book masterfully makes a systems leadership perspective accessible and grounded in the reality of the daily life of educators Holistic School Leadership is a must read for anyone who has the responsibility for making schools better places from professors to emerging teacher leaders Karen Seashore Louis Regents Professor of Organizational Leadership Policy and Development University of Minnesota Shaked and Schechter have constructed a much needed bridge to the future of educational leadership a future of systemic thinking and positivity Joseph Murphy Professor of Education and Public Policy Peabody College of Education Vanderbilt University Shaked and Schechter offer a comprehensive yet concise account of the meaning of systems thinking The authors systematically develop their Holistic School Leadership approach with compelling examples carefully attending to the perennial challenge of implementation Important reading for scholars and practitioners of school leadership and management James P Spillane Olin Professor in Learning and Organizational Change Northwestern University This is the most important book on systems thinking since Senge's 1990 seminal work on learning organizations Shaked and Schechter demonstrate the critical and practical utility of systems thinking for school leaders a must read for all reflective practitioners Wayne K Hoy Professor Emeritus The Ohio State University Holistic School Leadership provides an innovative and exciting look into a new perspective on educational leadership that holds tremendous potential in reshaping educational research policy and practice The idea of interdependence alone makes this powerful new book required reading for anyone concerned with the future of education and educational leadership in particular Give yourself your colleagues your students and your system the gift of the wisdom in this book Alan J Daly Chair and Professor Department of Education Studies University of California San Diego In this informative book Shaked and Schechter offer a fresh application of systems thinking to schools and to the work of school leaders This book is a useful addition to the bookshelves of both those who prepare and those who support school leaders Megan Tschannen Moran Professor of Educational Leadership College of William and Mary *Redesigning Professional Education Doctorates* Valerie A.
