Loser Take All Mark Crispin Miller, 2008 Among the subjects treated here are the myth of George Bush's victory in Florida in 2000 and FOX News's key role in propagating it Senator Max Cleland's dubious defeat in Georgia in 2002 Bush's re election in 2004 including evidence of systematic fraud outside of Ohio startling evidence of fraud committed in the 2006 midterm elections which the Democrats appear to have won by a far larger margin than officially reported and crucially evidence that the Republicans will attempt to steal the presidential election in 2008

Barack Obama and Twenty-First-Century Politics Horace G. Campbell, 2010-08-06 Barack Obama has been called a transformative and transcendental political figure this book shows us just how significant the movement behind him was in reshaping the politics of the United States Horace Campbell examines the networks that made the 2009 electoral victory possible and discusses the importance of self organization and self emancipation in politics Developing a theory of politics that starts with the humanist principles of Ubuntu and draws in ecological spiritual anti racist and anti sexist principles Campbell suggests we move away from old forms of vanguardism reconceptualising political organisation and recognising that new social forces are at play

Presidential Campaigns Daniel M. Shea, Brian M. Harward, 2013-10-31 Combining primary sources with expert commentary this timely book probes critical moments in U S presidential elections in the last 20th and early 21st centuries empowering readers to better understand and analyze the electoral process Presidential Campaigns Documents Decoded illuminates both the high stakes of a presidential campaign and the gaffes controversies and excesses that often influence the outcome With a view to enabling readers to develop skills essential to political literacy the book examines crisis points in modern presidential elections from the early 1950s through the late 2000s Chronologically organized the study focuses on key events pertinent to each election It provides an original account of the event such as a debate transcript or news report as well as a discussion detailing how the issue emerged and why it was important This unique and engaging approach enables students to experience the actual source material as voters might have At the same time it shows them how an expert views the material facilitating a deeper understanding of the narratives every presidential campaign constructs around its candidates its party and its opponents

Sacred Demise Carolyn Baker, Ph.D., 2009-02-23 The collapse of

industrial civilization is rapidly unfolding and offers us an opportunity far beyond mere survival even as it renders absurd any attempts to fix or prevent the end of the world as we have known it Sacred Demise is about the transformation of human consciousness and the emergence of a new paradigm as a result discovering our purpose in the collapse process thereby coming home to our ultimate place in the universe Our willingness to consciously embark on the journey with openness and uncertainty may be advantageous for engendering a quantum evolutionary leap for our species and for the earth community We face an awesome internal transition that will take us into very unfamiliar territory and will call upon our deeper resources Carolyn Baker s Sacred Demise is a courageous wise and compassionate guide for us all through this inner journey Michael Brownlee Co founder Transition Boulder County Carolyn speaks with a confidence that never flinches from entering into the hardest truths of our times or from the most difficult truths about the culture we are immersed in so that we might emerge from the chrysalis of global crisis with open hearts and a renewed way of living on Earth together Juan Santos Fourth World Blogspot

Mathematics for the Environment Martin Walter,2011-01-18 Mathematics for the Environment shows how to employ simple mathematical tools such as arithmetic to uncover fundamental conflicts between the logic of human civilization and the logic of Nature These tools can then be used to understand and effectively deal with economic environmental and social issues With elementary mathematics the book se Criminology Piers Beirne,James W. Messerschmidt,2014 This is a comprehensive introduction to the study of crime and criminological theory for criminology courses The authors take a critical sociological approach which emphasizes the relationship between gender class race age and crime Definitions of crime and the measurement of crime are subjected to a critical analysis that focusses on the social construction of crime and crime rates The book addresses historical feminist and comparative perspectives highlighting the major types of crime and victimization patterns It is of most interest to those who teach criminology out of a sociology department those who are sociologists teaching the course out of CJ or any instructor for whom a critical approach is key

American Conspiracies Jesse Ventura,Dick Russell,2010-03-08 Jesse Ventura takes a systematic look at the gap between what the American government knows and what it reveals to the American people According to this former Navy SEAL former pro wrestler and former Minnesota governor the media is complicit in these acts of deception For too long the mainstream press has refused to consider alternate possibilities and to ask the tough questions In Ventura s eyes the murder of Abraham Lincoln and the assassinations of the Kennedys and Martin Luther King all need to be re examined Was the CIA involved in Watergate Did the Republican Party set out to steal two elections on behalf of George W Bush Has all the evidence been presented about the 9 11 attacks And finally is the collapse of today s financial order and the bailout plan by the Federal Reserve the widest reaching conspiracy ever perpetrated From publisher description **Encyclopedia of Gender in Media** Mary Kosut,2012-05-18 The Encyclopedia of Gender in Media critically examines the role of the media in enabling facilitating or challenging the social construction of gender in our society *Entertaining Fear* Catherine

Chaput, Mary Jean Braun, Danika Margo Brown, 2010 At the heart of how citizens governments and the media interact is the communication process a process that is undergoing tremendous change Never has there been a time when confronting the complexity of these evolving relationships has been so important to the maintenance of civil society This series seeks books that advance the understanding of this process from multiple perspectives and as it occurs in both institutionalized and non institutionalized political settings
