Dottie Burdette, 2022-06-24 Do you wonder why we are to be the salt of the earth Have you stopped to think God gave us the gifts he wanted us to have and the ability to use them Would you like to know how being absent from the body is to be present with the Lord helps with the loss of loved ones In *A Deeper Walk in God's Love* author Dottie Burdette writes about God the things of God and what God shares with her and asks her to share with the world In this her second book she encourages you to dig deeper into God's word creating a hunger to know God and his ways more intimately Written in a devotional style *A Deeper Walk in God's Love* reveals God's love for us through Burdette's experiences in her quiet time in prayer time and through his word *Paths to God*

Javier Echevarria, 2017-03-31 How can a person live his faith seriously in our time Bishop Javier Echevarria takes up key questions of faith God's existence and the many ways people find their path to God While focusing on the most important aspects of faith life he also addresses the causes of the loneliness and isolation that afflict so many people today Particularly insightful are his reflections on suffering Bishop Echevarria was born in Madrid Spain in 1932 He worked closely with St Josemaria Escriv the founder of Opus Dei from 1953 until his death in 1975 Following the death of Bishop Alvaro del Portillo in 1994 he was elected Prelate of Opus Dei and in the following year ordained bishop by Pope John Paul II Bishop Echevarria has lived in Rome during the pontificates of six popes as well as during the Second Vatican Council This experience along with his many pastoral visits on six continents gives him a broad knowledge of the situation of present day believers and the challenges facing the Church throughout the world He is the author of eight books *No King but God*

Michael Manning, 2015-09-18 Can faith be an idol Can the state grant freedom What about wealth *No King but God* takes up the revolutionary cry found on the lips of Jesus and his contemporaries in the first century to argue that we need the same desire to see God as King in all areas of our lives From the marginal and prophetic perspective of the Isle of Man and informed by a decade of pioneering work among the homeless five contemporary idols are unmasked The church is given a provocative challenge to embody an alternative The response to the idols of faith freedom the state wealth and the individual is not right belief or special prayers but the humble path of walking as Jesus

I. Packer,Gary A. Parrett,2010-04-01 Historically the church s ministry of grounding new believers in the essentials of the faith

has been known as catechesis systematic instruction in faith foundations including what we believe how we pray and worship and how we conduct our lives For most evangelicals today however this very idea is an alien concept Packer and Parrett concerned for the state of the church seek to inspire a much needed evangelical course correction This new book makes the case for a recovery of significant catechesis as a nonnegotiable practice of churches showing the practice to be complementary to and of no less value than Bible study expository preaching and other formational ministries and urging evangelical churches to find room for this biblical ministry for the sake of their spiritual health and vitality

Christian Psychotherapy in Context Joshua J. Knabb, Eric L. Johnson, M. Todd Bates, Timothy A. Sisemore, 2019-03-29 Christian Psychotherapy in Context combines theology with the latest research in clinical psychology to equip mental health practitioners to meet the unique psychological and spiritual needs of Christian clients Encouraging therapists to operate from within a Christian framework the authors explore the intersection between a Christian worldview and clients emotional struggles drawing from sources including both foundational theological texts and the common factors psychotherapy literature Written collaboratively by two clinical psychologists an academic psychologist and a theologian this book paves the way for psychotherapeutic practice that builds on Christian principles as the foundation rather than merely adding them to treatment as an afterthought

Reflections David Z. Morone, 2011-03-11 **Closer to Jesus** John Braun, 2025-01-31 How much do you know about Jesus early ministry Jesus started his ministry in the region of Galilee There he called his first apostles and attracted many large crowds as he began preaching teaching and doing miracles Just as his powerful words and loving actions drew people in then so too can they draw you in today bringing you closer to him In these 55 brief devotions author John Braun traces the course of Jesus early ministry offering personal spiritual insights and clear convictions of Jesus true purpose As you read Closer to Jesus you will grow in your appreciation and understanding of your Savior's redeeming work for you

The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K Stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God's love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series

The Life of Christian Doctrine Mike Higton, 2020-07-09 The lives of Christian churches are shaped by doctrinal theology That is they are shaped by practices in which ideas about God and God's ways with the world are developed discussed and deployed This book explores those practices and asks why they matter for communities seeking to follow Jesus Taking the example of the Church

of England this book highlights the embodied affective and located reality of all doctrinal practices and the biases and exclusions that mar them It argues that doctrinal theology can in principle help the church know God better even though doctrinal theologians do not know God better than their fellow believers It claims that it can help the church to hear in Scripture challenges to its life including to its doctrinal theology It suggests that doctrinal disagreement is inevitable but that a better quality of doctrinal disagreement is possible And finally it argues that by encouraging attention to voices that have previously been ignored doctrinal theology can foster the ongoing discovery of God s surprising work Christian Treasury,1850 **Feasting on the Word: Year A, Volume 3** David L. Rea,2014-06-05 Does it matter how Christians in other times and places thought For many contemporary Christians questions about the role and value of church history can be difficult to tackle Veteran teacher Bob Rea addresses these barriers skillfully explaining not only why church history matters but the difference it makes for life and ministry Prayers After God's Own Heart Robert Alan McArthur,2019-11-19 This one year daily devotional is an invitation an invitation to come on a fresh and exciting adventure into the Word of God It is an invitation to enter into a deeper more intimate relationship with your Heavenly Father the One who made you and wants you and loves you like no other It is an invitation to enter into the peace and joy and protection and provision and purpose of an abundant life that can only be found by having a right relationship with the Father through Christ a covenant relationship of surrender trust and obedience It is a call to live in Truth and to allow that Truth to set you free to be everything that God has called you to be God s Word has an answer to every situation and circumstance of your life and this devotional explores many of those answers as it moves you from fear to faith from doubt to belief from despair to hope from darkness to light from the lies of the enemy to the truth of God s unrelenting unending unfailing and passionate love for you Each day s devotion focuses on a particular passage from the Bible and uses the truth found in the passage to offer a prayer for God s help in correctly understanding and rightly applying that truth to your life As you move through the year each new day will bring new insights into who God is and all that He has done for you It will also reveal who you are in Christ so you can

courageously and confidently do all things that that He asks of you knowing your strength is found in Him alone This devotional will change your life because you cannot come to knowledge of the Truth of the Word of God and not be changed The way that you allow it to change your life will depend largely on the choices that you make when confronted with the Truth Use this devotional to help you choose wisely God s very best path for you and know that He always has your best interests at heart
