SPECIAL

Massey-Harris' 33 and 44 Special tractors know how to handle all kinds of farm work . . . heavy lugging, precision cultivating, utility jobs. They're "at home" on any job that requires power, easy handling, speed—and they come through with economy that makes every operation profitable.

Big, rugged engines with Balanced Power Design make the best use of every drop of fuel, build up a power reserve that goes into action at the touch of the throttle . . . then transfers it through the transmission and final drive in a smooth, steady flow.

But there's more than power and economy—there's a lot of ways the 33 and 44 Special make it easier to wind up a lot of work more comfortably. Its responsive steering, handy controls, Velvet Ride seat . . . a natural "feel" that means better work.

Hitch-All 3-point hitch lets you hook-up faster—handle a wide variety of tools with close-coupled control.
