Our Story Called Life Peter Abrams,2017-03-16 We all have a voice a story in our head that talks to us every 20 30 seconds When we wake up to find Donald Trump is president corporations are more powerful than countries and everybody is unhappy THE STORY NEEDS TO BE REWRITTEN Our life is a story and it s time for an internal awakening of your inherent awesomeness YOU HAVE ALL THE ANSWERS YOU NEED and you find them by looking within It s time to become the author of your own destiny and the story teller of your reality It s time for your PERSONAL REVOLUTION He s a beautiful human being with a beautiful message Peter s call for a personal revolution will change lives Russell Brand Peter s first book un apologetically asks the controversial questions many of us are too scared to ask Independent [Change for the First Time, Again](#) Scott Lencke,2016-09-27 Change is everywhere in life God seems to have designed it that way Whether beautiful or painful life altering or small our pages are written with a story of change If change is everywhere we are encountering new realities all the time from our first conversation with a person to our first kiss to a new job to our first experience with loss When encountering change we can be hesitant to embrace it even outright resist it It could be scary or hard or too much or not as much as we desired or possibly a combination of these Because change is constant it can seem as if we are walking through the same scenarios again and again We have felt these feelings before or had these conversations before These painful moments seem to never fade Even as we journey through the same situation for a second or third or tenth time it calls for something new for our story of change to continue in God You can read a review of Change for the First Time Again by the Englewood Review of books by clicking here [*Change for a Penny*](#) Sue Skalicky,2018-01-28 Our life story from this day forward doesnt have to mimic the pain of our past Men and women who are equipped and empowered to revise the narration of past life incidents can learn to narrate a story of joy confidence and hope as life unfolds The characters that share our daily stage may add drama humor and sometimes even horror to our life stories but we dont have to be at their mercy Acknowledging the roles of others learning how to draw healthy boundaries and knowing the value and benefits of inviting these characters to play a significant role in our story can lead to living out a rich and rewarding story line Our lives are not an accident Instead we encounter incidents on a daily basis that can often be quite unexpected and unnerving But shifting our paradigm about these happenings from accidental to incidental can open our hearts and minds to great opportunities Daily we are faced with many decisions to be a victim or live in victory Which will you choose

The Rest of Your Story Greg A. Lindsey,2024-05-07 God never intended the Christian life to be boring empty or irrelevant In The Rest of Your Story Pastor Greg Lindsey takes us on a journey past forgiveness to freedom The journey starts with diving deep into our own stories so we can let go of the shame regret and pain that are holding us back Only then can we discover

all the ways we need Jesus help and become people of godly passion who live out the true desires of our hearts Many of us find that despite our best religious efforts we re still chasing God s abundant life instead of enjoying it In *The Rest of Your Story* Pastor Greg Lindsey shows us why believing the right things or behaving the right way will never lead to our fullest life True spiritual growth happens when we journey with Jesus back into our stories *The Rest of Your Story* is a roadmap to what God wants our Christian life to be passionate joy filled fulfilling significant and freeing Along with his own vulnerable story of redemption Greg shares The dangers of knowing the significance of our sin but not the significance of our stories Ways our spiritual enemy uses our past to keep us from realizing our purpose The difference between living forgiven and living free Why the places we are most afraid to go lead us to the life we don t want to miss What you ve done and what you ve experienced is not who you are As you identify how your past is keeping you from experiencing Jesus abundant life you ll find that God can turn the deepest pain into your richest treasure *Watching for the Morning* Vaneetha Risner,2025-05-06

Have your tears lasted more than a night as you ve been watching for the morning Does the waiting feel too hard and God too distant Waiting watching hoping these words describe how Vaneetha lived for years after her once comfortable life dissolved in front of her She pleaded with God to fix her situation and stop the pain in the midst of an escalating illness the death of a child and an unwanted divorce But instead of doing what she asked for God gave her something even more wonderful He offered Himself This devotional will help you find hope in whatever you re facing today as it grapples with the inevitable questions How do we embrace the present moment with its pain and imperfections instead of just waiting for our problems to disappear How do we live with uncertainty trusting that God is doing something beautiful in what appears to be an empty silence How do we wait for God satisfied in him alone without insisting on the outcome we want These 90 devotions are for anyone who is waiting in the dark wondering when life will get better Some reflections will encourage you to press on some will help you process your losses others will make you laugh and still others will show you the gift of lament in both its grittiness and grace Ultimately they re all intended to draw you closer to the God who is always for you who is nearer than you know and loves you more than you can imagine Weeping may last for the night but joy comes in the morning Psalm 30 5
