Heidi And The Kaiser:

Heidi and the Kaiser Selena Kitt, 2009-12-22 Mousy little Heidi is a wanna be designer who works as nothing more than a glorified go fer for one of the largest and most well known companies in the world of fashion When she accidentally stains CEO Mr Kaiser s pants she gets two things she didn t expect a spanking and a job Kaiser hires her as his assistant and her training proves to be quite a test of surrender Warning This title contains erotic situations graphic language spanking domination submission and an office romance hot enough to leave handprints 2011 EPIC AWARD FINALIST EXCERPT Heidi took a deep breath glancing around the office I ve never been anyone s secretary He shook his head smiling Irrelevant You have what I need I do She met his eyes her breath coming a little faster as she squirmed in her seat His eyes were dark moving over her and she couldn t help remembering the incident in the bathroom I need someone who can follow orders He leaned back in his chair again and she could see the memory of yesterday in his eyes Who would be willing to do whatever I asked You showed me yesterday that you are quite willing Heidi swallowed pressing her damp palms to her shorts I m not sure I know what you mean Yes you do His eyes were smiling I compensate very well You would be my assistant answering my calls handing my correspondence and taking care of my professional and personal needs during the day Would you be interested in such an arrangement It wasn t the promise of money or the poshness of his office or even the fact that he was the head of one of the richest fashion companies in the world it was the way he looked at her with nothing concealed or disguised His eyes saw directly through her and there was no smugness in the way it appeared as if he had her figured out because he had They both knew it and there was only one answer she could give him Yes She squeezed her hands together her legs too Sir He gave her a nod Good I think we ll both be satisfied with the arrangement Opening the top drawer of his desk he withdrew a large white envelope and slid it across the blotter Heidi didn t know if she should take it or not so she kept her hands clasped just looking from him to the envelope This contains general information about Kaiser which you have already of course since you are essentially already in my employ he explained There is also a contract and information about duties as well as your salary and benefits She nodded looking at his hand the buffed square nails resting on the stark envelope Her bottom tingled remembering how red his palm had been after he spanked her Shifting in her seat she crossed one knee over the other trying to make herself more comfortable with the yearning ache between her legs If for some reason you read those over and change your mind He nodded toward the envelope You simply need to tell me and you will consequently stay in your current position I can t imagine why I would object No He smiled I don t imagine you will In spite of the apparent haste of my offer I actually choose my assistants quite carefully Standing he leaned his palms on the desk blotter his eyes moving down the front of her t shirt looking at her hands in her lap Now there is just the matter of your tardiness Her heart leapt and she met his eyes feeling faint My tardiness Mr Kaiser reached underneath the desk and Heidi heard the door behind her lock The sound made her mouth go dry One of the things that I cannot abide is lateness He

reached down and unbuckled his belt She felt faint as she watched it slipping through the loops of his pants So Long at the Fair Christina Schwarz,2009-07-14 Is it possible to be in love with two women at the same time This is a question Jon has been asking himself frequently these days He s loved his wife Ginny since the days when a chance encounter in the halls of their high school would leave him unable to speak But recently Jon has found himself bewitched by Freddi his colleague at the ad agency where late night brainstorming sessions devolve into giggles and sexual attraction As Jon s guilt becomes all consuming and Ginny inches closer discovery a secret kept for thirty years threatens any hope of salvation Weaving together past and present in a small Midwestern town Schwarz beautifully conjures the emotional labyrinth of a marriage on the brink of collapse and a history of love and revenge The Kaiser's Lost Kreuzer Paul N. Newman,2019-01-29 A sharp examination of the looming financial catastrophe of retirement in America As millions of Baby Boomers reach their golden years the state of retirement in America is little short of a disaster Nearly half the households

with people aged 55 and older have no retirement savings at all The real estate crash wiped out much of the home equity that millions were counting on to support their retirement And the typical Social Security check covers less than 40% of pre retirement wages a number projected to drop to under 28% within two decades Old age poverty a problem we thought was solved by the New Deal is poised for a resurgence With dramatic statistics and vivid portraits acclaimed sociologist Katherine S Newman shows that the American retirement crisis touches us all cutting across class lines and generational divides White collar managers have seen retirement benefits vanish Teamsters have had their pensions cut in half bankrupt cities like Detroit have walked away from their commitments to municipal workers And for Generation X the prospects are even worse a fifth of them expect to never be able to retire Only the vaunted one percent can face retirement without fear Other countries are confronting similar demographic challenges yet they have not abandoned their social contract with seniors Downhill From Here makes it clear that America too can and must do better *The Kitterman Solution* Dwayne Martin,2017-03-09 Jack and Melissa are at it again A series of suspicious deaths lead to an investigation but no pattern emerges Nonetheless They search for a commonality When the violence crosses the Atlantic and comes to their doorstep Jack goes on the offensive He travels throughout the Caribbean finally and fatally meeting his adversary But exactly who is it that must die And what s this about a child prodigy Northern Ireland's '68 Simon Prince,2018-08-21 The Troubles may have developed into a sectarian conflict but the violence was sparked by a small band of leftists who wanted Derry in October 1968 to be a repeat of Paris in May 1968 Like their French comrades Northern Ireland s sixty eighters had assumed that street fighting would lead to political struggle The struggle that followed however was between communities rather than classes In the divided society of Northern Ireland the interaction of the global and the local that was the hallmark of 1968 had tragic consequences Drawing on a wealth of new sources and scholarship Simon Prince s timely new edition offers a fresh and compelling interpretation of the civil rights movement of 1968 and the origins of the Troubles The authoritative and enthralling narrative weaves together accounts of high politics and grassroots protests mass movements and individuals and international trends and historic divisions to show how events in Northern Ireland and around the world were interlinked during 1968 Public Health Law Lawrence O. choreographer William Forsythe's choreographic and scenographic processes as a holistic lens through which to view dance as a fundamentally visuo sonic art form and choreography as a form of perceptual experimentation. In doing so it reveals how the made worlds within which postdramatic dance is situated influence how choreography is perceived. Resonating with ecological perspectives but also drawing on an extensive range of cognitive research approaches the volume's choreo scenographic perspective emphasizes the importance of considering the expanded scenography of lighting sound space scenic elements costume and performer movement when analyzing the sensory and cognitive perception of dance. The volume provides a first book length cognitive study of both an individual choreographer and the aesthetics of postdramatic theatre. It also satisfies a need for more dedicated scholarship on Forsythe whose extensive and varied array of groundbreaking ballets and dance theater works for the Ballett Frankfurt 1984 2004 The Forsythe Company 2005 15 and as an independent choreographer have made him a key figure in 20th 21st century dance. *The Secret Crown* Chris Kuzneski, 2012-01-12 King Ludwig II ruled Bavaria for twenty two years commissioning extravagant castles throughout his homeland and exhibiting such bizarre behavior that he was eventually declared insane. According to legend Ludwig had stockpiled a massive cache of gold and jewels that would finance the construction of the largest castle of all time. But in the years since the king's mysterious death no one has found any evidence of such a trove. Until now Jonathon Payne and David Jones are pulled into the mystery by a colleague who asks them to investigate the legend. They agree and quickly find themselves in a life or death struggle to uncover the truth about Ludwig's death his mythical treasure and who would be willing to kill for it.
