Hell Separate Truth From Fiction And Get Your Toughest Questions Answered:

Hell Bill Wiese, 2008 In September of 1998 God allowed Bill Wiese to experience the reality of hell He chronicled his experiences in his New York Times best selling book 23 Minutes in Hell describing a place of never ending trauma burning fire and unquenchable thirst a place where you are hopelessly lost and without human intervention forever In his follow up book Hell Wiese digs even deeper into the topic providing a complete and ready reference on what hell is really like Tackling your most common and most important questions head on he supplements his personal testimony with thorough biblical research and fascinating additional stories Book jacket *The Gift of God Is Eternal Life* Steven H. Propp, 2016-12-28

According to Christian doctrine what happens to those who have died While traditionally it has been said that one group of people spends eternity in heavenly happiness while another group experiences conscious unending torment in hell there are other Christians who believe in alternatives that hell is simply a separation from God that the lost are simply annihilated and not subject to torment or that actually in the end all will be reconciled to God and live in heavenly glory *The Gift of God Is Eternal Life* explores a five century journey that traces the development and dispersal of the doctrines of universalism and conditional immortality in a compelling narrative collection of short stories Beginning from when these doctrines were merely whispered about or published anonymously to the days when traveling evangelists preached them in the new and growing American republic these engaging vignettes show how this once intense debate between Christians has evolved into modern times where such ideas can be freely discussed even in mainstream television and evangelism Do infants who die prior to an age of accountability receive salvation and are those who have never heard the Christian message simply doomed What about loved ones who die without having embraced the Christian gospel or those who believe in less traditional Christian dogmas and institutions *The Gift of God Is Eternal Life* can help both believers and nonbelievers understand the implications of these theological perspectives not just in an afterlife but in their own lives here and now **Recession-Proof Living** Bill
