Hell To Pay Hells Angels Vs The Million Dollar Rat:

Hell To Pay Neal Hall, 2011-03-21 The fact that Michael Plante was a trusted associate of the East End Hells Angels certainly caught the attention of police who had been trying for years to find someone to infiltrate the gang The police alleged that East End Hells Angels were well known in the criminal underworld for controlling the cocaine trade at a wholesale level using violence to persuade potential competition to stay away In recent years the bikers had expanded into the production and distribution of synthetic drugs as ecstasy and methamphetamine known on the street as crystal meth as well as moving into internet porn and online gambling police claimed Plante was taken to an interview room where he was visited by two Mounties who would eventually become his police handlers One of the officers told him that based on the witness statement relating to his extortion charges he was looking at doing prison time But Plante was told that if he was interested in cooperating the police would make the charges go away Plante told the cop he was interested but hesitant knowing that people who cooperate with the police in Hells Angels investigations usually end up dead The only good rat is a dead rat he had been told repeatedly

Hell To Pay Neal Hall, 2014-03-15 Michael Plante a low level Hells Angels dogsbody in Vancouver is arrested for extortion in 2003 Coincidentally police intercept a boat carrying cocaine from Colombia to Vancouver a shipment arranged by the East End chapter of Vancouver's Hells Angels The cops need to send someone inside to gather evidence that can be used to arrest and convict the gang Plante does not want to go to jail so he cuts a deal beginning his descent into the nightmare of going undercover in the Hells Angels The stakes are high the East End chapter of the Hells Angels is one of the richest in the world Plante soon learns how slowly the justice system moves as it prepares to prosecute the arrested Hells Angels members The high profile and highly paid defence lawyers win their applications to sever the indictment into a number of trials meaning that Plante will face months on the witness stand under heavy grilling Much is riding on the trials Plante's life and livelihood the federal government's legislation on gangsterism that could dismantle the Hells Angels and the freedom of the accused all high ranking and enormously wealthy Hells Angels The judge's final ruling shocks the court
