Here, Everything Is Dreaming Robert Moss, 2013-03-19 Our earliest poets were shamans Today as in the earliest times true shamans are poets of consciousness who know the power of song and story to teach and to heal They understand that the right words open pathways between the worlds and draw closer the gods and goddesses who wish to live through us Robert Moss brings this ancient bardic tradition to life in this collection of poems and stories that stream directly from dreams and shamanic adventures in the world behind the world You ll be carried into a reality where everything is alive and conscious where tigers and bears can lend you their forms and raven and hawk can give you their sight where the ancestors are talking talking and the gates to the Otherworld open from wherever you are You ll awaken through these pages to how shamans use poetic speech to call the soul back home into the bodies of those who have lost vital energy through pain or trauma or heartbreak You ll travel to the Island of No Pain where lost boys and girls are kept safe And you ll learn to make the return journey and sing the lost soul back into the body where it belongs Here, Everything is Dreaming Robert Moss, 2013
