Motherhood Memoirs: Mothers Creating/Writing Lives Justine Dymond, 2013-07-01 The authors in this collection examine and critique motherhood memoir alongside the texts of their own lives while seeking to transform mothering practice highlighting revolutionary praxis within books or when none is available creating new visions for social change Many essays interrogate the tensions of maternal narrative the negotiation of the historical location of writer and readers narrative and linguistic constraints and the slippery ground of memory as well as the borders constructed between the objective scholar and the reader who engages with and identifies with texts through her intellect and her emotional being

How I Lost My Mother Leslie

Swartz,2021-03-01 How I Lost My Mother is a deeply felt account of the relationship between a mother and son and an exploration of what care for the dying means in contemporary society The book is emotionally complex funny sad and angry but above all heartfelt and honest It speaks boldly of challenges faced by all of us challenges which are often not spoken about and hidden but which deserve urgent attention This is first and foremost a work of the heart a reflection on what relationships mean and should mean There is much in the book about relationships of care and exploitation in southern Africa and about white Jewish identity in an African context But despite the specific and absorbing references to places and contexts the book offers a broader more universal view All parents of adult children and all adults who have parents alive or have lost their parents will find much in this book to make them laugh cry think and feel *Find Your Story, Write Your Memoir* Lynn C. Miller,Lisa Lenard-Cook,2013-05-31 Every person has a story to tell but few beginners know how to uncover their story s narrative potential And despite a growing interest among students and creative writers few guides to the genre of memoirs and creative nonfiction highlight compelling storytelling strategies Addressing this gap the authors provide a guide to memoir writing that shows how an aspiring writer can use storytelling tools and tactics borrowed from fiction to weave personal experiences into the shape of a story *Annual Report* American Tract Society,1858 **The Obstetric memoirs and contributions of James Y. Simpson v. 1** Sir James Young Simpson,1855 *At the Lost and Found* Edward Curtin,2025-03-01 At the Lost and Found is a dazzling exploration of the most important issues of our time written in a style that defies categorization Open it at any chapter and you will be hooked by themes and sentences that are a moveable feast for head heart and spirit Each chapter is like a river journey that will twist and turn your mind down unexpected tributaries that you never thought to follow And when you reach the end you will realize you have been traveling one mighty river and all your meandering thoughts and reveries have transported you past places called Lost and Found where you stopped briefly to satisfy your immense hunger for understanding and meaning in a world gone mad Reading Edward Curtin is a feast of many complementary dishes served human family style His writing is truly unique fusing the political with the personal art with astute objective analyses and the tragic with the comic From a detailed critique of the Internet and cell phones one passes effortlessly to the linked bewitchment of CIA propaganda and its assassinations of President Kennedy and the Reverend Martin Luther King Jr There are highlights on pot shops and lowlifes Donld Rumsfeld and Allen Dulles meditations on time remembering and forgetting the endless evil of U S wars waged around the world nuclear war and Trident submarines Leftist betrayals the U S war against Russia through Ukraine capitalism and consumerism the Israeli genocide of Palestinians the corruption of the U S political system the connection between bread rebellion and the search for happiness Bob Dylan music basketball and much more This feast of complementary dishes is moving and memorable Like the mighty river journey it will bring you to a place of gratitude Unlike straightforward political analyses At the Lost and Found weaves

politics through the personal and every person's search for understanding happiness and hope in a world on the edge of an abyss. Slyly laced within it one will find the author's personal story lightly limned to suggest that Thoreau was right to remind us that it is always the first person that is speaking not some disembodied purely objective abstraction. Curtin's writing follows in the tradition of other essayists who saw life whole such as James Baldwin, John Berger and Albert Camus. Add a touch of sly wit, whimsy and storytelling and you have the ingredients that make *At the Lost and Found* a tour de force.

The Obstetric Memoirs and Contributions of James Y. Simpson James Young Simpson, 1855 **The Lost Mother** Anne Summers, 2010 My mother had just turned ten in mid 1933 when a young woman approached her as they were both leaving Mass at St Joan of Arc's in Brighton. The woman was an artist and she would like to paint her portrait. After her mother's death in 2005 Anne Summers inherits a portrait of her mother as a child. Mesmerised by this image she finds herself drawn into the story of how the portrait was painted and eventually found its way into her family. She soon learns the artist painted another portrait of her mother this time as the Madonna. In a gripping narrative that is part art history, part detective story and part meditation on the relations between mothers and daughters, Anne's search for the Madonna painting and the mysterious Russian migr collector who bought both paintings takes her down unexpected paths. Her search soon turns into a parallel quest to rescue Constance Stokes the artist from obscurity and to learn why the collector suddenly abandoned the paintings. Along the way Anne finds she must face the truth of the relationship she had with her mother. In turn hypnotic and moving *The Lost Mother* is a powerful exploration of art, loss and love. *Annual Report of the American Tract Society* American Tract Society (Boston, Mass.), 1845 The Memoirs of Lady Hyegyong Hyegyŏnggung Hong Ssi, 1996-04-22 Lady Hyegyong married Crown Prince Sado when they were both nine years old. The prince descended into violence and insanity in adulthood and was killed by his father. Lady Hyegyong chose to live and her son was later crowned king. She wrote the collected four memoirs in an attempt to weather the storms of political intrigue surrounding her. Contains introductory material, a glossary and genealogical tables. Annotation copyright by Book News Inc, Portland, OR. **Sun Turned to Darkness** David Patterson, 1998-09-01 In examining the recorded memoirs of fifty Holocaust survivors, David Patterson draws on the teaching of the sacred texts of Jewish tradition and the philosophy of Emil Fackenheim and Emmanuel Levinas. That memory he argues serves three purposes for Jews struggling to recover after the Holocaust. First, a recovery of tradition. Not only was the body of Israel targeted for destruction but also its very soul, as that soul was defined by God, Torah and sacred history. Second, a recovery from an illness. These Jews suffer from the illness of indifference that plagued heaven and earth throughout the event. Third, these memoirs reveal the open-ended nature of recovery as a process that has no resolution. The survivors emerge from the camps but the camps stay with the survivors and cast their shadow over the world. Readers are transformed into witnesses who face a never-ending process of remembrance for the sacred in spite of indifference.

this intimate selfportrait by pioneering Yiddish actress Ester Rokhl Kaminska 1870 1925 appears here for the first time in English As it moves through her life we see this towering artist and her art form emerge observing how Kaminska navigates the perilous move from shtetl to city stages illegal performances in unlikely venues around the Russian Empire and eventually earns the exultant acclaim of her public The memoirs richly disclose the texture of everyday life for working Jewish women and all the grit and hard won glamour of backstage or in her case back barn barrack barroom life An extensive introduction and notes by Mikhl Yashinsky provide historical context and an appraisal of Kaminska s epoch making talent
