Michael Luck,2021-07-26 Are You Curious About the Ancient Form of Mystical Spirituality Voodoo and Interested to Learn It Here s How to Kickstart Your Voodoo Skill What is Voodoo There s more to Voodoo than making dolls that control people This practice goes way back in history but because many people still take interest in it its rituals have been passed around and carried on by modern day practitioners in the form of seemingly harmless magic hoodoo However it isn t harmless at all Dealing with magic means you re dealing with unnatural things Voodoo is a religion to which some people who practice it

explain that there is another being that possesses magic powers using them Despite it being from so long ago this religion has continued to adapt grow and evolve throughout the years But how much do we really know about them The rituals are seen as intriguing since they are from a different worldview or culture as they originated in Africa However when hearing the word Voodoo zombies and dolls with needles are usually what s imagined With the help of Voodoo for Beginners you could have a deeper understanding of what Voodoo really is and have a chance to practice it yourself In this book you ll find History of Voodoo How did Voodoo reach America and what s involved when practicing it Elements of Voodoo What are the essential elements of this practice and how to set them up Voodoo Rituals How to perform some rituals that you could use for others Aside from the information it gives about Voodoo itself it will also guide you to start your journey into it This religion is greatly misunderstood There is more to it than dolls But you could still read and learn how to create a Voodoo doll in this book among others Scroll up click on Buy Now with 1 Click and Get Your Copy Now **Hoodoo Book of Spells for**
