Masquerade Dani Matthews, 2015-12-01 I foolishly thought that everything would change when I turned eighteen I d thought that becoming a legal adult would somehow vanquish all my problems and I would be free to be whoever I wanted to be I was wrong After experiencing the worst possible scenario where my supernatural genes are concerned I ve learned that there is no running from being a Deveroux Khristos s name will follow me wherever I go and my best chance for survival is to take my place with my family If finding my place in this new world isn t tough enough my mother unexpectedly arrives with the expectation of reconnecting with me I m not sure what to do or how I feel about her sudden appearance and I m torn with how to handle her Do I follow Khristos s advice and send her back out of town or do I give her a chance to explain herself She is my mother after all Then there s the soul reaper He s back and he wants something in return for the necklace he d given me I m not sure I can give him what he wants but if I don t the charmed necklace will be lost to me and my newfound family will be in danger How do I go against my natural instinct to protect and do the unthinkable instead I have to choose and no matter what choice I make it will change everything If all that isn t stressful enough the Halloween masquerade is quickly approaching and the last thing I want to do is let down Tate or Roman They are expecting me to be there and I ve been promised that it ll be a night of mystery and magic I ve accepted that this is my life now It will never be calm it will never be easy and it most definitely won t ever be predictable The old me Livvy Vauss is no longer I am a Deveroux Recommended for age 15
