The Master-Christian Marie Corelli, 2009-02-01 But said the Cardinal half

aloud with the gentle dawning of a tender smile brightening the fine firm curve of his lips it is not the end The end here no doubt but the beginning there He raised his eyes devoutly and instinctively touched the silver crucifix hanging by its purple ribbon at his breast The orange red glow of the sun encompassed him with fiery rings as though it would fain consume his thin black garmented form after the fashion in which flames consumed the martyrs of old the worn figures of mediaeval saints in their half broken niches stared down upon him stonily as though they would have said So we thought even we and for our thoughts and for our creed we suffered willingly yet lo we have come upon an age of the world in which the people know us not or knowing laugh us all to scorn

The Master-Christian Marie

Corelli, 2017-09-10 Christianity almost always plays a thematic role in the novels of Marie Corelli but in *The Master Christian* this abidingly popular late Victorian novelist tackles the subject directly Written in an appealingly simple style Corelli considers what it really means to be a Christian in the modern world

The Master-Christian Marie Corelli, 2018-01-26

Written with vigor strength and often with an abandon of fine expression that carries all before it It is a novel to think about and discuss to read attentively and to read again Philadelphia Item It cannot be denied that *The Master Christian* is a powerful book that it is one likely to raise uncomfortable questions in all but the most self satisfied readers and that it strikes at the root of the failure of the Churches the decay of faith in a manner which shows the inevitable disaster heaping up Characterized by extraordinary realism and dramatic intensity It is a book with a serious purpose expressed with absolute unconventionality and passion And this is to say it is a book worth reading Examiner That every one of her charges is true in substance I have not a shadow of doubt Dr Joseph Parker The story holds the interest from beginning to end Of all her books this is the most interesting and thrilling New York Press The book is a bold attack on dogma and the creeds and pleads

eloquently for the pure love of Christ Chicago Inter Ocean There are many who will object to the book but in spite of their strictures the book will find thousands of sympathizers who will condone it Boston Journal A straight and barbed shaft at the decadence and hypocrisy generally of the orthodox Church She speaks with the voice of the times and her remedy for the existing badness of the state of things is a simple return to primitive and undiluted Christianity Questions of dogma morality kindness and sore need come up one by one through the tale which deals with the fortunes of a famous woman painter and her less famous and envious betrothed a Hungarian princess and her American and other lovers and various high dignitaries of church and state at Rome Shoe and Leather Journal **The Master-Christian** Marie Corelli, 2015-02-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant The Master-Christian Corelli, 1900

Reinventing Marie Corelli for the Twenty-First Century Brenda Ayres, Sarah E. Maier, 2019-04-30 With the purpose of introducing Marie Corelli to a new generation of readers and of reconsidering her works for generations familiar with them *Reinventing Marie Corelli for the Twenty First Century* demonstrates how provocative the author was as a public figure and how controversial and paradoxical were the views about womanhood and the supernatural pitched in her novels This collection of original essays focuses on three major battles that engaged Corelli her personal and public contentions her mercurial constructions of gender and resistance to the New Woman modality and her untenable reconciliation of science with the supernatural Corelli was often fighting several fronts at the same time she rarely was not at war with someone including herself
