CliffsNotes FTCE Professional Education Test 3rd Edition Sandra Luna McCune, Vi Cain Alexander, 2014-10-21 The revised FTCE Professional Education Test is already being administered and the changes are major. Competencies on the test have been reduced from 14 to just 8. The exam is also now offered year round by appointment. This CliffsNotes test prep book provides in depth coverage of the changes including the structure and format of the test and an explanation of the scoring structure of the test. It also features frequently asked questions, competency reviews, and sample questions and answers throughout. Included in the package are two model full length practice tests to ensure success on test taking day. *Milady's Master Educator* Letha Barnes, 2000-11 Milady's Master Educator fills a void in the education of instructors of cosmetology, barber styling, esthetics, nail technology, and massage. Those studying to be instructors will use the CD ROM while learning the profession. It will later serve as a resource during their teaching careers. The forty video clips found on the CD ROM are reproduced from the eight video tapes that are part of Milady's Master Educator program. These clips serve to reinforce recommended concepts and methodology. Exam review questions complete with rationales for correct and incorrect answers aid students as they prepare for licensing. The CD ROM helps to maintain and rekindle that fresh student perspective and serves as inspiration to the practicing teacher. **Midwifery & Women's Health Nurse Practitioner Certification**
