Odell, Gary Q. Arpin, 2003      *The Price of Liberty* Robert D. Hormats, 2024-09-04 In a bracing work of history a leading  
international finance expert reveals how our national security depends on our financial security More than two centuries ago  
America's first secretary of the treasury Alexander Hamilton identified the Revolutionary War debt as a threat to the nation's  
creditworthiness and its very existence In response he established financial principles for securing the country principles  
that endure to this day In this provocative history Robert D Hormats one of America's leading experts on international  
finance shows how leaders from Madison and Lincoln to FDR and Reagan have followed Hamilton's ideals from the  
greenback and a progressive income tax to the Victory Bond and Victory Garden campaigns and cost sharing with allies  
Drawing on these historical lessons Hormats argues that the rampant borrowing to pay for the war in Iraq and the short  
sighted tax cuts in the face of a long term war on terrorism run counter to American tradition and place our country's  
security in peril To meet the threats facing us Hormats contends we must significantly realign our economic policies on taxes  
Social Security Medicare and oil dependency to safeguard our liberty and our future      The Political Fix Douglas E.  
Schoen, 2025-08-22 Top political insider Douglas E Schoen dissects the failures of modern politics and unveils the practical  
minded citizen powered solutions that will revive American democracy One of America's foremost political pollsters Douglas  
E Schoen shows how the electoral system can be mended so that it once again serves and inspires the American people no  
matter their party In *The Political Fix* Schoen lays out provocative yet highly achievable solutions from completely  
unmoderated debates to a rotating primary schedule that will compel politicians to be responsive to citizens rather than to  
special interests To ensure justice for all he calls for removing the attorney general from the cabinet and creating joint chiefs  
of staff for the Justice Department He points to innovations on the state and local level from Alaska where the state  
checkbook is posted on the Web to New York City where residents can call a single toll free number to access government  
services And he argues that the obsession with capping the influence of large donors has strangled genuine reform and the  
answer is to get more money into politics through a tax credit for small donors Schoen provides a rallying cry and an action  
plan for the thousands of Americans hungry for long lasting political change      **Winning the Right War** Philip H.  
Gordon, 2025-04-16 A new strategy for American foreign policy that looks beyond Iraq and changes the way we think about

the war on terror Six years into the war on terror are the United States and its allies better off than we were before it started Sadly we are not and the reason is that we have been fighting and losing the wrong war In this paradigm shifting book Philip H Gordon presents a new way of thinking about the war on terror and a new strategy for winning it He draws a provocative parallel between the world today and the world of the Cold War showing how defense development diplomacy and the determination to maintain our own values can again be deployed alongside military might to defeat a violent and insidious ideology Drawing on the latest scholarly research his own experience in the White House and visits to more than forty countries he provides fresh insights into the nature of the terrorist challenge and offers concrete and realistic proposals for confronting it Gordon also asks the question What would victory look like a topic sorely missing from the debate today He offers a positive vision of the world after the war on terror which will end not when we kill or capture all potential terrorists but when their hateful ideology collapses around them when extremists become isolated in their own communities and when Americans and their allies will again feel safe His vision for promoting these goals is achievable and realistic but only if the United States changes course before it is too late As we look beyond the presidency of George W Bush we must seize the opportunity to chart a new course to security for America the West and the world at large The stakes could not be higher

*Red Moon Rising* Matthew Brzezinski, 2024-09-04 A vivid behind the scenes history of the Cold War s space race between the Soviets Americans following the launch of Sputnik In his exuberant narrative of the superpower space race Brzezinski tells the story of American and Soviet decisions with remarkable dramatic even cinematic flair The New York Times Book Review In *Red Moon Rising* Matthew Brzezinski recounts the dramatic behind the scenes story of the fierce battles on earth that preceded and followed the launch of Sputnik on October 4 1957 He takes us inside the Kremlin the White House secret military facilities deep cover safe houses and the halls of Congress to bring to life the Russians and Americans who feared and distrusted their compatriots at least as much as their superpower rivals Drawing on original interviews and new documentary sources Brzezinski tells a story rich in the paranoia of the time and the combatants include three U S presidents survivors of the gulag corporate chieftains ambitious apparatchiks rehabilitated Nazis and a general who won the day by refusing to follow orders The true story of the birth of the space age has never been told in such vivid detail and *Red Moon Rising* brings it memorably to life A spectacular and accessible history of the space race Brzezinski displays depth insight and showmanship USA Today Brzezinski is a wonderfully colorful writer combining a scientific plotline with the history and characters of a Cold War thriller The Times London The writing is fast paced and crisp the stakes high and the tension palpable from the first pages of this high flying account of the early days of the space race between the U S and U S S R Publishers Weekly starred review Comparable to Paul Dickson s *Sputnik Shock of the Century* Brzezinski s speedy narrative of the first satellite slings readers from launch pads to conference rooms A kinetic rendition of Sputnik this will score with spaceflight buffs Booklist *Never Shower in a Thunderstorm* Anahad O'Connor, 2025-09-23 The New York Times s intrepid

health reporter investigates the truth about sex eating exercise and other health conundrums For more than two years the New York Times s science and health columnist Anahad O Connor has tracked down the facts fictions and occasional fuzziness of old wives tales conventional wisdom cures and other medical mysteries Now in this lively and fun book he opens up his case files to disclose the experts answers on everything from which of your bad habits you can indulge yo yo dieting does not mess up your metabolism and sitting too close to the television does not hurt your eyes to what foods actually pack the punch advertised you can lay off the beet juice A compendium of answers to the curious and nagging questions of how to keep healthy Never Shower in a Thunderstorm will provide guidance and amusement to anyone who has ever wondered if the mosquitoes really are attacking her more than everyone else Yes they are      **Captive** Jere Van Dyk,2010-06-15 An American reporter s chilling account of being kidnapped and imprisoned by the Taliban in the no man s land between Afghanistan and Pakistan Jere Van Dyk was on the wrong side of the border He and three Afghan guides had crossed into the tribal areas of Pakistan where no Westerner had ventured for years hoping to reach the home of a local chieftain by nightfall But then a dozen armed men in black turbans appeared over the crest of a hill Captive is Van Dyk s searing account of his forty five days in a Taliban prison and it is gripping and terrifying in the tradition of the best prison literature The main action takes place in a single room cut off from the outside world where Van Dyk feels he can trust nobody not his jailers not his guides who he fears may have betrayed him and certainly not the charismatic Taliban leader whose fleeting appearances carry the hope of redemption as well as the prospect of immediate violent death Van Dyk went to the tribal areas to investigate the challenges facing America there His story is of a deeper more personal challenge an unforgettable tale of human endurance      *Rosa* Nikki Giovanni,2005-10 Rosa is a 2006 Caldecott Honor Book and the 2006 winner of the Coretta Scott King Illustrator Award      *2011 Children's Writer's And Illustrator's Market* Alice Pope,2010-07-12 Now includes a subscription to CWIM online the children s publishing area of writersmarket com The 2011 CWIM offers more than 650 listings for book publishers magazines agents art reps and more It s completely updated and is the most trusted source for children s publishing information CWIM also contains exclusive interviews with and articles by well respected and award winning authors illustrators and publishing professionals as well as nuts and bolts how to information Readers will learn what to do how to do it and get loads of information and inspiration      **Built of Books** Thomas Wright,2010-04-24 An entirely new kind of biography Built of Books explores the mind and personality of Oscar Wilde through his taste in books This intimate account of Oscar Wilde s life and writings is richer livelier and more personal than any book available about the brilliant writer revealing a man who built himself out of books His library was his reality the source of so much that was vital to his life A reader first his readerly encounters out of all of life s pursuits are seen to be as significant as his most important relationships with friends family or lovers Wilde s library which Thomas Wright spent twenty years reading provides the intellectual and emotional climate at the core of this deeply engaging portrait One of the book s happiest surprises is the

story of the author's adventure reading Wilde's library Reminiscent of Jorge Luis Borges's fictional hero who enters Cervantes's mind by saturating himself in the culture of sixteenth century Spain Wright employs Wilde as his own Virgilian guide to world literature We come to understand how reading can be an extremely sensual experience producing a physical as well as a spiritual delight India Calling Anand Giridharadas, 2011-01-04 Reversing his parents immigrant path a young American born writer returns to India and discovers an old country making itself new Anand Giridharadas sensed something was afoot as his plane from America prepared to land in Bombay An elderly passenger looked at him and said We're all trying to go that way pointing to the rear You you're going this way Giridharadas was returning to the land of his ancestors amid an unlikely economic boom But he was more interested in India's cultural upheaval as a new generation has sought to reconcile old traditions and customs with new ambitions and dreams In India Calling Giridharadas brings to life the people and the dilemmas of India today through the prism of his migr family history introducing us to entrepreneurs radicals industrialists and religious seekers and most of all to Indian families Through their stories and his own he paints an intimate portrait of a country becoming modern while striving to remain itself Praise for India Calling A fine book elegant self-aware and unafraid of contradictions and complexity Giridharadas captures fundamental changes in the nature of family and class relationships and the very idea of what it means to be an Indian The New York Times Book Review A smart evocative and sharply observed memoir Giridharadas's narrative gusto makes the familiar fresh The Wall Street Journal A readable intriguing book Giridharadas is a marvelous journalist intrepid easy to like curious India Calling connects us to a new India and an engaging new voice The Plain Dealer Cleveland
