Reading this book is like sitting with close friends who truly get what you're going through. Dr. Tim Clinton, president of the American Association of Christian Counselors (AACC), Bill and Kristi Gaultiere have provided an oasis of care in the empathy desert. John Ortberg, teacher at *BecomeNew*, author of *Steps*, this book isn't just inspiring; it's practical, offering heartfelt guidance and tools to help you. Alli Worthington, entrepreneur, author of *Remaining You While Raising Them*, *The Gnostics, the New Versions and the Deity of Christ*. Jay P. Green, Sr., George Whitefield, 2000-07. If Jesus Christ is not God of the same essence with God the Father and God the Holy Spirit, having all the attributes of the Trinity while on earth as well as while He reigned in Heaven, then we of all men are most miserable. And how do we know that He is and always has been God from eternity? It is written in the Holy Scriptures. But what if the version of the Bible we read is ambivalent in one place saying He is co-equal with God and in another place denying Him one or more of the attributes that are essential to God? Read this book and you will see that all but three of the new versions are guilty of denying Christ's goodness, sinlessness, omnipresence, omniscience, omnipotence, and a dozen more of the attributes of God. You will see it written in black and white with exact quotations from eight of the new versions. This is an important challenge to the trend so evident in the new versions: the despising of the words God breathed out through the prophets and apostles, and the mixing in of the corrupt wisdom of men. Ought to be supported by every one of you who love God and His Word, as He wrote it. **When Mountains Crumble**, Danita Jenae, 2022-03-01. How do we make sense of what feels senseless?
