Five Views of Christ in the Old Testament Zondervan, 2022-10-25 The authors of the New Testament regularly quote and allude to Old Testament passages that point to the presence person and work of Jesus Jesus himself claimed that Moses wrote about him John 5:46 And on the road to Emmaus Jesus instructed the disciples from Moses and all the prophets regarding himself Luke 24:27 Though Christians affirm that the Old Testament bears witness to Christ how the Old Testament writers did this is a matter of extensive debate Furthermore Christian biblical scholars also debate the degree to which contemporary interpreters of the Bible can follow the hermeneutics of the New Testament authors in using the Old Testament to point to the person and work of Jesus Christ

D. Stulac,2023-11-27 Tragedy of the Commons invites readers into a fresh exploration of the book of 1 Samuel which tells the story of Saul Israel s first monarch and the personification of its chronic sins Stulac s unique voice combines sensitive exegesis with probing meditations on culture art literature memoir and Christian spirituality He cuts deftly through the moralistic reductions of Old Testament stories for which the church too often settles and in doing so reveals the life giving rhetoric of a biblical book aimed squarely at the reader s transformation of mind and heart Israel s common tragedy writes Stulac will be solved through a lengthening and a deepening of the tragedy itself Finding his people up to their eyeballs in sewage God dives into the polluted abyss swims to the bottom and unplugs the pipe below their flailing feet From Hannah s miracle baby to Saul s suicide Tragedy helps readers to recognize both their own predilection for idols as well as the surprising ways that 1 Samuel anticipates the gospel of Jesus Christ King Saul serves not as a finger wagging argument for God s disengagement from his people s fate Stulac claims but as the shocking conduit of God s incarnational involvement in their corporate mess **Islam and the Bible** Ayman S. Ibrahim,Ant Greenham,2023-12-01 In Islam and the Bible editors Ayman S Ibrahim and Ant B Greenham invite leading voices representing a spectrum of approaches to explore the issues surrounding Muslim Idiom Translations of the Bible Jesus, Contradicted Michael R. Licona,2024-05-28 The differences and discrepancies in the Gospels constitute the foremost objections to their reliability and the credibility of their message Some have tried to resolve Gospels contradictions with strained harmonization efforts Many others conclude that

the Gospels are hopelessly contradictory and therefore historically unreliable accounts of Jesus In Jesus Contradicted New Testament scholar Michael Licona shows how the genre of ancient biography to which the Gospels belong actually allows biographers to be flexible in how they report events construct a narrative and make an argument Licona demonstrates that the intentional changes to the Jesus tradition by the Evangelists reveal that the differences in how the Gospels report events are not grounds for their rejection Instead they are a result of the Gospel writers employing standard literary conventions common in their time for writing ancient biography Licona introduces readers to the genre of ancient biography through Plutarch who wrote 48 of the 90 extant biographies written within 150 years of Jesus giving numerous examples of compositional devices employed by Plutarch and comparing them with instances in the Gospels where the Evangelists appear to use similar techniques Licona also examines Theon s Progymnasmata a first century textbook that provides six techniques for paraphrasing one s sources when writing a narrative In doing so he helps readers understand why the Gospels report many events differently Finally Licona concludes by addressing the thorny question of whether the editorial moves commonplace in ancient biography are compatible with the doctrines of the divine inspiration and the inerrancy of Scripture Rather than trying to resolve discrepancies by bending the Gospel narrative which risks making them say things they aren t saying Jesus Contradicted situates the Gospels within their proper context and helps readers account for differences in the Gospels in a cohesive and historically cogent way

Relaxed Megan Fate Marshman,2024-08-13 We often try to do a lot for God without him Relaxed is a call to let go of spiritual performance reject our cultural tendency to live under pressure and find freedom to walk with God and toward God one gentle step at a time Jesus was never in a hurry to be anywhere other than where he was trusting and obeying his Father Could the same be said of us We long to know peace purpose and contentment but life s stresses the world s discouragements and our own striving for growth get in the way In Relaxed pastor and teacher Megan Fate Marshman explores what it means to set aside our addiction to trying to figure everything out and relish a slower compelling powerful and relaxed life with God As Megan takes us word by word through Proverbs 3 5 6 she helps us discover The joy of a continual intimate relationship with God What God calls us to do with the burden of shame and guilt What it looks like to be relaxed in the midst of grief financial stress mistakes and fatigue The freedom and forgiveness of being found in Christ How to incorporate rhythms of walking with God into our everyday routines God never intended for us to be in control As we lean away from our own understanding and into an intentionally relaxed spiritual life we join Jesus in trusting a God who knows what he is doing and isn t worried about a thing

The Many Faces of Adam and Eve Bernard F. Batto,2022-02-17 Contrary to popular opinion the story of Adam and Eve is not confined to the book of Genesis It has roots in prebiblical myth and continued to evolve long after the Bible was completed Bernard F Batto traces the development of the Adam and Eve story from its origins in Mesopotamian myth to its reformulation in Genesis and beyond including its expansion in Jewish epigraphs such as 1 Enoch and the Life of Adam and Eve and its place in Christian innovations such as

the apostle Paul's thesis that Christ is a second Adam and in the thinking of church fathers such as Irenaeus who held that Christ recapitulates all humankind in himself and Augustine whose doctrine of original sin interprets the Adam and Eve story Batto also examines gnostic teachings about a heavenly Adam and an earthly Adam and surveys rabbinical attempts from the Talmudic period to find hidden meanings in the Genesis story Islam's emphasis on Satan's role in seducing Adam and Eve is also discussed and the book concludes with Milton's unforgettable retelling of the Adam and Eve story in Paradise Lost Batto's goal is not only to reveal the many faces given Adam and Eve throughout history but also to understand the divergent cultural and theological factors powering this long evolving tradition *The Death and the Victory Marty*
