With a New Introduction

Holy Terror Andy Warhol Close Up

Bob Colacello

Holy Terror Andy Warhol Close Up:

Holy Terror Bob Colacello, 2014-03-11 In the 1960s Andy Warhol's paintings redefined modern art His films provoked heated controversy and his Factory was a hangout for the avant garde In the 1970s after Valerie Solanas's attempt on his life Warhol became more entrepreneurial aligning himself with the rich and famous Bob Colacello the editor of Warhol's Interview magazine spent that decade by Andy's side as employee collaborator wingman and confidante In these pages Colacello takes us there with Andy into the Factory office into Studio 54 into wild celebrity studded parties and into the early morning phone calls where the mysterious artist was at his most honest and vulnerable Colacello gives us as no one else can a riveting portrait of this extraordinary man brilliant controlling shy insecure and immeasurably influential When Holy Terror was first published in 1990 it was hailed as the best of the Warhol accounts Now some two decades later this portrayal retains its hold on readers as does Andy's timeless power to fascinate galvanize and move us [Holy Terror. Andy Warhol](#)

[Close Up. An Insider's Portrait](#) Bob Colacello, 19?? **Andy Warhol** Donna M. De Salvo, Jessica Beck (Art museum curator), 2018-01-01 A unique 360 degree view of an incomparable 20th century American artist One of the most emulated and significant figures in modern art Andy Warhol 1928-1987 rose to fame in the 1960s with his iconic Pop pieces Warhol expanded the boundaries by which art is defined and created groundbreaking work in a diverse array of media that includes paintings sculptures prints photographs films and installations This ambitious book is the first to examine Warhol's work in its entirety It builds on a wealth of new research and materials that have come to light in recent decades and offers a rare and much needed comprehensive look at the full scope of Warhol's production from his commercial illustrations of the 1950s through his monumental paintings of the 1980s Donna De Salvo explores how Warhol's work engages with notions of public and private the redefinition of media and the role of abstraction while a series of incisive and eye opening essays by eminent scholars and contemporary artists touch on a broad range of topics such as Warhol's response to the AIDS epidemic his international influence and how his work relates to constructs of self image seen in social media today **Gay and Lesbian**

Studies in Art History Whitney Davis, 2013-11-19 Find original research and interpretive studies of the relations between homosexuality and the visual arts Evidence for the role of homosexuality in artistic creation has often not survived in part because the direct expression of homosexuality has often been condemned in Western societies Gay and Lesbian Studies in Art History presents examples of contemporary art historical research on homoeroticism and homosexuality in the visual arts chiefly painting and sculpture of the Western tradition from the ancient to the modern periods Chapters explore the dynamic interrelation of sexuality and visual art and emphasize problems of historical evidence and interpretation and the need to reconstruct social and cultural realities sometimes quite different from our own Gay and Lesbian Studies in Art History addresses contemporary art historians' interest in studying sexuality in the visual arts examining such questions as What are some of the present day reasons for and problems of this research How is it related to other research areas within art history

and to wider public debates about the meaning value and propriety of works of art While the book examines a variety of research problems and theoretical perspectives most chapters focus on the historical interpretation of a particular work of art artist or visual convention Chapters present new documentation of the importance of homosexuality in the production and reception of artworks in the Western tradition develop models for approaching the question of how sexuality and visual creation are related and explore researchers experiences and obligations in working in the area of gay and lesbian studies in art history today Contributing authors stress problems of historical evidence and reconstruction the social and cultural construction of homosexuality and the active role of visual conventions in shaping perceptions of homosexuals homosexuality and homosexual desire They discuss both the biography of artists and the significance of individual works of art and the social reception and circulation of works of art in the context of wider religious legal medical political and economic relations The book may revise readers beliefs about the significance and value of a number of works of art hitherto forgotten neglected under appreciated or misinterpreted Gay and Lesbian Studies in Art History is an enlightening and informative book for art historians museum professionals scholars in the field of lesbian and gay studies and art history students and professors

Films that Spill Marie Sophie Beckmann, 2025 Films That Spill takes up a previously understudied moment in 1980s underground culture in New York City called Cinema of Transgression offering both a microhistory of the intermingling art music performance and film scenes of the time and a glimpse into their afterlives **Snapshot Photography** Catherine Zuromskis, 2021-08-24 An examination of the contradictions within a form of expression that is both public and private specific and abstract conventional and countercultural Snapshots capture everyday occasions Taken by amateur photographers with simple point and shoot cameras snapshots often commemorate something that is private and personal yet they also reflect widely held cultural conventions The poses may be formulaic but a photograph of loved ones can evoke a deep affective response In Snapshot Photography Catherine Zuromskis examines the development of a form of visual expression that is both public and private Scholars of art and culture tend to discount snapshot photography it is too ubiquitous too unremarkable too personal Zuromskis argues for its significance Snapshot photographers she contends are not so much creating spontaneous records of their lives as they are participating in a prescriptive cultural ritual A snapshot is not only a record of interpersonal intimacy but also a means of linking private symbols of domestic harmony to public ideas of social conformity Through a series of case studies Zuromskis explores the social life of snapshot photography in the United States in the latter half of the twentieth century She examines the treatment of snapshot photography in the 2002 film One Hour Photo and in the television crime drama Law and Order Special Victims Unit the growing interest of collectors and museum curators in vintage snapshots and the snapshot aesthetic of Andy Warhol and Nan Goldin She finds that Warhol's photographs of the Factory community and Goldin's intense and intimate photographs of friends and family use the conventions of the snapshot to celebrate an alternate version of family values In today's digital age snapshot photography has

become even more ubiquitous and ephemeral and significantly more public But buried within snapshot photography's mythic construction Zuromskis argues is a site of democratic possibility

Scansion in Psychoanalysis and Art Vanessa Sinclair, 2020-11-16 Scansion in Psychoanalysis and Art examines a strain of artists spanning more than a century beginning at the dawn of photography and culminating in the discussion of contemporary artists to illustrate various psychoanalytic concepts by examining artists working in a multitude of media Drawing on the theories of Sigmund Freud who applied psychoanalytic methods to art and literature to decipher the meaning and intention of the creator as well as Jacques Lacan's dissemination of scansion as a powerful disruption of narrative the book explores examples of the long and rich relationship between psychoanalysis and the fine arts Whilst guiding readers through the different artists and their artforms from painting and music to poetry collage photography film performance art technology and body modification Sinclair interrogates scansion as a generative process often inherent of the act of creation itself This is an intriguing book for psychoanalysts psychologists and creative arts therapists who wish to explore the generative potential of scansion and the relationship between psychoanalysis and the arts as well as for artists and art historians interested in a psychoanalytic view of these processes

Mapplethorpe Patricia Morrisroe, 2016-03-16 With Robert Mapplethorpe's full endorsement and encouragement Morrisroe interviewed more than three hundred friends lovers family members and critics to form this definitive biography of America's most censored and celebrated photographer Eventually I found several hundred people who knew Robert Mapplethorpe in all his various incarnations Catholic schoolboy ROTC cadet hippie sexual explorer celebrated artist and famous AIDS victim Their stories helped animate his pictures and bring his visual diary to life What I discovered wasn't one Perfect Moment but a series of moments some pure some blemished but all emblematic of the paradoxical times in which he lived Patricia Morrisroe from the Introduction NOTE This edition does not include photographs

On Speed Nicolas Rasmussen, 2009-11 Medicine

[Trans America](#) Barry Reay, 2020-05-07 Trans seems to be everywhere in American culture Yet there is little understanding of how this came about Are people aware that there were earlier periods of gender flexibility and contestability in American history How well known is it that a previous period of trans visibility in the 1960s and early 1970s faced a vehement backlash right at the time that trans in the form of what was then termed transvestism and transsexuality seemed to be so ascendant Was there transness before transsexuality was named in the 1950s and transgender emerged in the 1990s Barry Reay explores this history from a time before trans in the nineteenth century to the transsexual moment of the 1960s and 1970s the transgender turn of the 1990s and the so called tipping point of current culture It is a rich and varied history where same sex desires and identities cross dressing and transsexual and transgender identities jostled for recognition It is a history that is not at all flattering to US psychiatric and surgical practices Arguing for the complexity of a trans past and present Trans America will be a groundbreaking work for the trans community as well as anyone interested in the history of medicine sexuality psychology and psychiatry

Pissing Figures 1280-2014

Jean-Claude Lebensztein, 2017-08-22 Jean Claude Lebensztein's history of the urinating figure in art *Pissing Figures 1280 2014* is at once a scholarly inquiry into an important visual motif and a ribald statement on transgression and limits in works of art in general. Lebensztein is one of France's best kept secrets. A world class art historian who has lectured and taught at major universities in the United States, his work has remained almost entirely in French, his American audience limited to a small but dedicated group of cognoscenti. First introducing the Manneken Pis, the iconic little boy whose stream of urine supplies water to this famous fountain and is also the logo for a Belgian beer company, the author takes the reader through a semi scatological maze of cultural history. The earliest example is a fresco scene located directly above Cimabue's *Crucifixion* from around 1280 at the Basilica of Saint Francis of Assisi in which Lebensztein's careful eye locates an angel behind a pillar who looks like he is about to urinate through a hole in his garment. He continues to navigate expertly through cultural twists and turns, stopping to discuss Pier Paolo Pasolini's 1968 film *Teorema* for example and Marlene Dumas's 1996 1997 homage to Rembrandt's *peeing woman*. At every moment Lebensztein's prose is lively, his thinking dynamic and his subject matter entertaining. In this short and poignant cultural history, readers not only find the care for detail that has made Lebensztein into one of the greatest European art historians but also the rebelliousness that makes him one of the most interesting intellectuals of our time. The first widely distributed book of Lebensztein's in English, *Pissing Figures 1280 2014* is simultaneously published in France by Editions Macula. *The Album* James E. Perone, 2012-10-17 This four volume work provides provocative critical analyses of 160 of the best popular music albums of the past 50 years, from the well known and mainstream to the quirky and offbeat. *The Album: A Guide to Pop Music's Most Provocative, Influential, and Important Creations* contains critical analysis essays on 160 significant pop music albums from 1960 to 2010. The selected albums represent the pop, rock, soul, R & B, hip hop, country, and alternative genres, including artists such as 2Pac, Carole King, James Brown, The Beatles, and Willie Nelson. Each volume contains brief sidebars with biographical information about key performers and producers, as well as descriptions of particular music industry topics pertaining to the development of the album over this 50 year period. Due to its examination of a broad time frame and wide range of musical styles and its depth of analysis that goes beyond that in other books about essential albums of the past and present, this collection will appeal strongly to music fans of all tastes and interests. **Lou Reed** Will Hermes, 2023-10-03 The only Lou Reed bio you need to read. *The Washington Post*, *A Rolling Stone* best music book of 2023, *One of Pitchfork's* ten best music books of 2023, *A Variety* best music book of the year, *A Kirkus Reviews* best nonfiction book of 2023. There have been many biographies of Lou Reed, but Will Hermes has written the definitive one. He has brought to the assignment a sharp eye, a clear head, a lucid prose style, and a determination to let Lou be Lou without judgment. Lucy Sante, author of *Low Life*, the most complete and penetrating biography of the rock master whose stature grows every year. Since his death in 2013, Lou Reed's living presence has only grown. The great rock poet presided over the marriage of Brill Building pop and the European avant garde and left American

culture transfigured In Lou Reed The King of New York Will Hermes offers the definitive narrative of Reed s life and legacy dramatizing his long brilliant and contentious dialogue with fans critics fellow artists and assorted habitu s of the demimonde We witness Reed s complex partnerships with David Bowie Andy Warhol John Cale and Laurie Anderson track the deadpan wit street smart edge and poetic flights that defined his craft as a singer and songwriter with the Velvet Underground and beyond and explore the artistic ambition and gift for self sabotage that he took from his mentor the poet Delmore Schwartz As Hermes follows Reed from Lower East Side cold water flats to the eminent status he later achieved he also tells the story of New York City as a cultural capital The first biographer to draw on the New York Public Library s much publicized Reed archive Hermes employs the library collections the release of previously unheard recordings and a wealth of recent interviews with Reed s contemporaries to give us a new Lou Reed a pioneer in writing about nonbinary sexuality and gender identity a committed artist who pursued beauty and noise with equal fervor and a turbulent and sometimes truculent man whose emotional imprint endures

Between You and Me Gavin Butt,2005-09-20 A reconsideration of queer American art culture of the mid twentieth century

The Power of Glamour Virginia Postrel,2013-11-05 An exploration of glamour a potent cultural force that influences where people choose to live which careers to pursue where to invest and how to vote offers empowerment to be smarter about engaging with the world

Working Like a Homosexual Matthew Tinkcom,2002-03-18 Rather than seeing camp as a mode of reception a way of reading straight popular culture Tinkcom sees it as an intentional product of gay men within the film industry

Wild: The Life of Peter Beard: Photographer, Adventurer, Lover Graham Boynton,2022-10-11 Graham Boynton s Wild is the definitive biography of photographer Peter Beard a larger than life icon who pushed the boundaries of art and scandalized international high society with his high profile affairs He was the original 20th century enfant terrible with the looks of a Greek god who blazed like a comet across the worlds of art photography and fame The scion of several old WASP fortunes he was by instinct an adventurer and the more dangerous the escapade the better whether he was hunting big game in Africa ingesting epic quantities of drugs or pursuing the most beautiful women in the world Among his friends were Jackie Onassis Andy Warhol and Francis Bacon When Peter Beard died in 2020 after mysteriously disappearing from his Montauk home he remained an enigma to even his closest friends Journalist and author Graham Boynton was a friend for more than 30 years spending time with Beard at his bush camp in Africa in London and at his Long Island home From hundreds of Boynton s interviews with Beard s closest friends former lovers and fellow artists comes this intimate portrait of a man Sir Mick Jagger called a visionary

Genders 19 Ann M. Kibbey,Kayann Short,Abouali Farmanfarmaian,1994-09 Sexual Artifice marks the evolution of Genders from a triannual journal to a biannual anthology Henceforth each volume will have a focus on a particular gender related issue offering original essays on the specific theme This volume proposes that there is something more to the social construction of gender than what social science has been able to describe On the contested state of international politics public imagery and

nationalist cinema the artifice of sexuality wields an enormous power to influence the interpretation of our social selves and the world we live in These essays collectively explore the art of constructing gender in symbolic media images in poetry photography and montage in dramatic identity politics and last but not least in contemporary feminism itself With original essays on Virginia Woolf s Orlando Anita Hill Clarence Thomas and the culture of romance Valerie Solanis the woman who shot Andy Warhol male hysteria and the U S invasion of Panama and representations of women in Northern Ireland Sexual Artifice offers up some of the most thought provoking and daring young scholarship in contemporary cultural and gender studies go to the Genders website

Night Class Victor Corona, 2017-07-11 The playground of the rich and the beautiful downtown New York s nightlife spectacles and power of self invention incubated pop icons from Andy Warhol to Lady Gaga NYU sociologist Victor P Corona sought a new education where night classes held in galleries nightclubs bars apartments stoops and all night diners taught him about love loss and the living possibilities of identity Transforming himself from dowdy professor to glitzy clubgoer Victor immerses himself among downtown s dazzling tribes of artists and performers hungry for fame Night Class A Downtown Memoir investigates the glamour of New York nightlife In interviews and outings with clubland revelers and influencers including Party Monster and convicted killer Michael Alig Night Class exposes downtown s perilous trappings of drugs ambition and power From closeted undocumented Mexican boy to Ivy League graduate to nightlife writer Corona shares in Night Class the thrill and tragedy of downtown and how dramatically identities can change

Theorising the Artist Interview Lucia Farinati, Jennifer Thatcher, 2024-08-29 Reflecting on the relationship between artists and their audiences this book examines how artists have presented themselves publicly through interviews and sought to establish a critical voice for themselves Considering the interview as a form of cultural production contributors explore the criteria for determining the artist interview as a distinct field of research in relation to other cultural fields Structured in four parts History and Historiography Subverting the Biographical Model Interviews as Practice and Materiality and Technology the book takes an interdisciplinary approach that encompasses the fields of art history fine art oral history curating media studies and museum conservation By theorising the artist interview as a form of cultural production and embracing it as a co constructed critical practice this volume aims to show and encourage an approach to art history which dismantles old hierarchies in favour of valuing dialogue and collaboration The book will be of interest to scholars working in art history museum studies oral history and historiography
