THE STUDENT EQEDGE Facilitation and Activity Guide

This Facilitation and Activity Guide is a companion to the book *The Student EQ Edge: Emotional Intelligence and Your Academic and Personal Success*. It offers faculty and facilitators a hands-on resource for helping students reach their potential by tapping into the power of emotional intelligence. The Facilitation Guide includes exercises and activities which are designed to help students develop confidence, independence, the ability to set and meet goals, impulse control, social responsibility, problem-solving skills, stress tolerance, and much more—all of which help improve academic success. The Guide also contains a wealth of illustrative case studies, questions for student reflection, movie selections, and TV shows that illustrate emotional intelligence and a self-development plan. The single best resource on emotional intelligence in student affairs.

The Student EQ Edge: Student Workbook and Facilitation and Activity Guide are well-organized, creative, and offer everything an emotional intelligence facilitator would need in a fast-paced student affairs environment. The examples are soundly constructed and resonate with students. These materials are my go-to resources.
